STATE OF MISSISSIPPI

Office of the Governor

PROCLAMATION

WHEREAS, pursuant to Miss. Code Ann. Section 3-3-7, Thanksgiving Day, Christmas Day and New Year's Day are declared legal holidays in the State of Mississippi; and

WHEREAS, Christmas Day of 2017 falls on a Monday; and

WHEREAS, during the Thanksgiving holiday and Christmas season, many state employees will spend time with their families in Mississippi and in other states:

NOW, THEREFORE, I, Phil Bryant, Governor of the State of Mississippi, pursuant to the authority vested in me under the Constitution of the State of Mississippi and applicable statutes of the State of Mississippi, do hereby authorize the closing of all offices of the State of Mississippi on Thursday, November 23, 2017, in observance of THANKSGIVING DAY; on Monday, December 25, 2017, in observance of CHRISTMAS DAY; and on Monday, January 1, 2018, in observance of NEW YEAR'S DAY.

IN ADDITION, I hereby authorize the executive officers of all state agencies, in their discretion after considering the interests of the people of the State of Mississippi and the staffing needs of their respective agencies, to close all offices of the State of Mississippi on Friday, November 24, 2017, in further observance of the THANKSGIVING holiday, and on Tuesday, December 26, 2017, in further observance of CHRISTMAS; and to staff their respective agencies as needed during the THANKSGIVING holiday and CHRISTMAS season.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.

DONE in the City of Jackson, on the 13th day of October in the year of our Lord, two thousand and seventeen, and of the Independence of the United States of America, the two hundred and forty-second.

There came for consideration of the Mayor and Members of the Council of the City of Gautier, Mississippi the following:

RESOLUTION NUMBER 047-2017

BE IT RESOLVED, BY THE MAYOR AND COUNCIL OF THE CITY OF GAUTIER, MISSISSIPPI TO REQUEST THAT THE LEGISLATURE AMEND MISS. CODE ANN. § 37-57-104 TO REQUIRE SCHOOL BOARDS TO PROVIDE TO ALL MUNICIPAL GOVERNING AUTHORITIES WITHIN EACH RESPECTIVE SCHOOL DISTRICT A CERTIFIED COPY OF THE ORDER ADOPTED BY THE SCHOOL BOARD REQUESTING AN AD VALOREM TAX EFFORT.

WHEREAS, Miss. Code Ann. 37-57-104 requires municipal school boards to provide levying authorities with a certified copy of the order adopted by the school board requesting an ad valorem tax effort in dollars for the support of the school district for each fiscal year; and

WHEREAS, some school districts encompass more than one municipality; and

WHEREAS, currently, this legislation does not require school boards to provide such orders to municipal governing authorities within the school district that are not designated as the levying authority; and

WHEREAS, the City of Gautier governing authority wishes to receive a certified copy of these orders at the same time as the levying authority (City of Pascagoula); and

WHEREAS the City of Gautier requests the Legislature amend Miss. Code Ann. 37-57-104 to include such a requirement;

NOW THEREFORE IT IS HEREBY RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF GAUTIER, MISSISSIPPI, that the Legislature is urged to amend Miss. Code Ann. § 37-57-104 to require school boards to provide to all municipal governing authorities within each respective school district a certified copy of the order adopted by the school board requesting an ad valorem tax effort at the same time such orders are provided to the levying authority.

IT IS FURTHER RESOLVED that the City Clerk is directed to send a certified copy of this Resolution to the Speaker of the House, the Lieutenant Governor, and all members of the state Senate and House of Representatives who represent the City of Gautier.

The motion to approve the foregoing resolution was made by **Councilman Vaughan**, seconded by **Councilman George**, and the following vote was recorded:

AYES: Phil Torjusen
Cameron George
Richard Jackson
Casey Vaughan
Rusty Anderson
Adam Colledge

NAYS: None

ABSENT: Mary Martin

WHEREUPON, the Mayor and Members of the Council of the City of Gautier, Mississippi, declared the motion carried and the Resolution adopted this the **21st** day of **November**, 2017.

Phil Torjusen, MAYOR

ATTEST:

CITY CLERK

Councilman Vaughan made the motion to accept the Planning Commission recommendation to approve the conditional use major.

Councilman Vaughan amended his motion.

There came for consideration of the Mayor and Members of the Council of the City of Gautier, Mississippi, the following:

ORDER NUMBER 231-2017

WHEREAS the Gautier Planning Commission has recommended granting a fifteen (15) ft. variance to minimum front yard set-back requirements for an accessory structure at at PID# 82436205.000; and

WHEREAS special conditions and circumstances exist which are peculiar to this particular site (lot or parcel), structure or building involved and which are not applicable to other sites (lots or parcels) or structures or buildings in the same district;

WHEREAS literal interpretation of the provisions of this Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the provisions of this Ordinance;

WHEREAS the special conditions and circumstances do not result from actions of the applicant; and

WHEREAS granting the Variance requested will not confer upon the applicant any special privilege that is denied by this Ordinance to other similar sites (lots or parcels) structures or buildings in the same district.

IT IS HEREBY ORDERED by the Mayor and Members of the Council of the City of Gautier, Mississippi, that the City Council hereby adopts the Gautier Planning Commission's recommendation to grant a fifteen (15) ft. variance to minimum front yard set-back requirements for an accessory structure in at PID# 82436205.000;

IT IS FURTHER ORDERED that said Variance is hereby approved;

IT IS FURTHER ORDERED that the City Manager or City Clerk is authorized to execute any and all documents necessary.

Motion was made by **Councilman Vaughan**, seconded by **Councilman Anderson** and the following vote was recorded:

AYES: Phil Torjusen
Cameron George
Richard Jackson
Casey Vaughan
Rusty Anderson
Adam Colledge

NAYS: None

ABSENT: Mary Martin

MAYOR

ATTEST:

CITY CLERK

Passed and Adopted by Mayor and Members of the Council of the City of Gautier, Mississippi, at the meeting of November 21, 2017.

CITY OF GAUTIER MEMORANDUM

To: Paula Yancey, City Manager

From: Scott Ankerson, Planning Director

Date: November 21, 2017

Subject: 3612 Norcrest – Request for a fifteen (15) ft. Variance to Minimum Front Yard Setbacks for Accessory Structures. (GPC Case No. 17-15-VAR)

REQUEST:

The Planning Department has received a request from Larry and Denise McGregor for a fifteen (15) ft. Variance to minimum front yard set-back requirements for an accessory structure in an R-1 Low Density Single Family Residential Zoning District at 3612 Norcrest, PID #82436205.000. The application fee of \$175 was paid on September 19, 2017. All public notice requirements have been met.

BACKGROUND:

The request property is zoned R-1 Low Density Single Family Residential District. The property contains an existing single-family dwelling and an existing accessory structure that floods with extreme high tide or torrential rain causing damage to mechanical equipment, automobiles, and belongings. The owner would like to construct an accessory structure in his side yard that would cross the main structure front building line by 15feet. The proposed area for this accessory structure is the highest elevation portion of the lot and is a large enough area to place the proposed accessory structure without the need to request the removal of protected trees. Without the request variance being granted, to place the proposed accessory structure on this high portion of the lot would require the removal of a healthy, substantial Live Oak Tree.

DISCUSSION:

The property owner would like to maintain site line views of the bayou and build on the highest elevation portion of the lot for insurance of greater flood protection while preserving a protected Live Oak . A variance request has been submitted to reduce the minimum front set-back for accessory structures requirement to allow fifteen (15) feet of the proposed structure to cross the front main building line.

The proposed density will remain within the minimum requirements of the district and it appears that the minimum front yard setback of twenty-five (25) feet from the front property line to the front of the accessory structure will be maintained. (See Site Plan included in Exhibit 1-application).

DETERMINATION OF APPLICABLE LAW:

The Unified Development Ordinance (UDO) defines **Variances** as:

A Variance is a relaxation of the terms of the Unified Development Ordinance where such Variance will not be contrary to the public interest and where, owing to conditions peculiar to the property, a literal enforcement of the Ordinance would result in an unnecessary or undue hardship. As used in this Ordinance, a Variance is authorized only for height, area and size of structure, or size of yards, separation of uses, open spaces, off-street parking spaces and some subdivision of property. The establishment or expansion of a use not permitted shall not be allowed by Variance.

The UDO defines **Hardship** as:

Hardship means the exceptional hardship that would result from a failure to grant the requested variance. The City requires that the variance is exceptional, unusual, and peculiar to the property involved. Mere economic or financial hardship alone is not exceptional. Inconvenience, aesthetic considerations, physical handicaps, personal preferences, or the disapproval of one's neighbors likewise cannot, as a rule, qualify as an exceptional hardship. All of these problems can be resolved through other means without granting a variance, even if the alternative is more expensive, or requires the property owner to build elsewhere or put the parcel to a different use than originally intended.

The UDO defines **Setback** as:

SETBACK: (SEE YARD) The minimum horizontal distance between the lot or property line and the nearest front, side or rear line of the building as measured to the outside face at the enclosing wall or in structures lacking walls (as in the case of a carport) to the face of the supporting columns and beams. Setback does not include roof overhangs, except that they shall not encroach on more than fifty (50) percent of the required setback.

- A. **SETBACK, FRONT:** The yard area extending along the full width of a front lot line between side lot lines and from the front lot line to the front building line in depth.
- B. **SETBACK, REAR:** The yard area extending across the full width of the lot and lying between the rear lot line and the nearest line of the building. Rear-yard depth shall be measured at right angles to the rear line of the lot.
- C. **SETBACK, SIDE:** The yard area lying between the side line of the lot and the nearest line of the building and extending from the front yard to the rear yard, or in the absence of a front yard or a rear yard, to the front or rear lot lines. Side-yard width shall be measured at right angles to side lines of the lot.

UDO SECTION 4.18: Variance

In certain circumstances, a Variance from the dimensional requirements (i.e. height, setbacks, square footage) of this ordinance may be granted if the applicant can prove that because of physical constraints of the property involved, he is not able to build the same type of structure that other persons with the same zoning classification can build. Variances for uses permitted will not be considered in as much as “use Variances” are not legal in the State of Mississippi.

Most Variances must be granted by the City Council; however, certain minor Variances may be granted by the Economic Development Director in accordance with *Section 4.18.3* below.

4.18.1 Who May Initiate

A request for a Variance may be initiated by the property owner or agent of the owner provided that said property has not been denied a previous request for a Variance for the same property or portion of property within the past twelve (12) months.

4.18.2 Application for Variance

Applications for a Variance (from dimensional requirements) may be filed on the appropriate application available from the Economic Development/Planning Department and shall include all requested information, attachments and submittals:

4.18.3 Administrative Variances

The following dimensional variances may be granted by the Economic Development Director at his/her discretion (Note: Within the COR, Corridor Overlay District, applicants shall be required to mitigate a requested dimensional variance in accordance with the Tier Land Use Provisions in Section 5.11):

- A. 30% of required off-street parking spaces and/or
- B. 30% of required setbacks from property lines

4.18.4 Criteria for Approval

The Variance application shall demonstrate the following:

- A. That special conditions and circumstances exist which are peculiar to this particular site (lot or parcel), structure or building involved and which are not applicable to other sites (lots or parcels) or structures or buildings in the same district;
- B. That literal interpretation of the provisions of this Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the provisions of this Ordinance;
- C. That the special conditions and circumstances do not result from actions of the applicant; and
- D. That granting the Variance requested will not confer upon the applicant any special privilege that is denied by this Ordinance to other similar sites (lots or parcels) structures or buildings in the same district.

RECOMMENDATION:

Planning Commission recommends that Council approve the Conditional Use Major.

The City Council may:

1. Approve the Front Yard Set-back Variance request as presented;
2. Approve the Front Yard Set-back Variance request with changes; or
3. Deny the Front Yard Set-back Variance request.

CITY OF GAUTIER STAFF REPORT

To: Chairman and Members, Planning Commission

From: Scott Ankerson, Planning Director

Date: November 2, 2017

Subject: 3612 Norcrest – Request for a fifteen (15) ft. Variance to Minimum Front Yard Setbacks for Accessory Structures. (GPC Case No. 17-15-VAR)

REQUEST:

The Planning Department has received a request from Larry and Denise McGregor for a fifteen (15) ft. Variance to minimum front yard set-back requirements for an accessory structure in an R-1 Low Density Single Family Residential Zoning District at 3612 Norcrest, PID #82436205.000. The application fee of \$175 was paid on September 19, 2017. All public notice requirements have been met.

BACKGROUND:

The request property is zoned R-1 Low Density Single Family Residential District. The property contains an existing single-family dwelling and an existing accessory structure that floods with extreme high tide or torrential rain causing damage to mechanical equipment, automobiles, and belongings. The owner would like to construct an accessory structure in his side yard that would cross the main structure front building line by 15feet. The proposed area for this accessory structure is the highest elevation portion of the lot and is a large enough area to place the proposed accessory structure without the need to request the removal of protected trees. Without the request variance being granted, to place the proposed accessory structure on this high portion of the lot would require the removal of a healthy, substantial Live Oak Tree.

DISCUSSION:

The property owner would like to maintain site line views of the bayou and build on the highest elevation portion of the lot for insurance of greater flood protection while preserving a protected Live Oak . A variance request has been submitted to reduce the minimum front set-back for accessory structures requirement to allow fifteen (15) feet of the proposed structure to cross the front main building line.

The proposed density will remain within the minimum requirements of the district and it appears that the minimum front yard setback of twenty-five (25) feet from the front property line to the front of the accessory structure will be maintained. (See Site Plan included in Exhibit 1-application).

DETERMINATION OF APPLICABLE LAW:

The Unified Development Ordinance (UDO) defines **Variances** as:

A Variance is a relaxation of the terms of the Unified Development Ordinance where such Variance will not be contrary to the public interest and where, owing to conditions peculiar to the property, a literal enforcement of the Ordinance would result in an unnecessary or undue hardship. As used in this Ordinance, a Variance is authorized only for height, area and size of structure, or size of yards, separation of uses, open spaces, off-street parking spaces and some subdivision of property. The establishment or expansion of a use not permitted shall not be allowed by Variance.

The UDO defines **Hardship** as:

Hardship means the exceptional hardship that would result from a failure to grant the requested variance. The City requires that the variance is exceptional, unusual, and peculiar to the property involved. Mere economic or financial hardship alone is not exceptional. Inconvenience, aesthetic considerations, physical handicaps, personal preferences, or the disapproval of one's neighbors likewise cannot, as a rule, qualify as an exceptional hardship. All of these problems can be resolved through other means without granting a variance, even if the alternative is more expensive, or requires the property owner to build elsewhere or put the parcel to a different use than originally intended.

The UDO defines **Setback** as:

SETBACK: (SEE YARD) The minimum horizontal distance between the lot or property line and the nearest front, side or rear line of the building as measured to the outside face at the enclosing wall or in structures lacking walls (as in the case of a carport) to the face of the supporting columns and beams. Setback does not include roof overhangs, except that they shall not encroach on more than fifty (50) percent of the required setback.

- A. **SETBACK, FRONT:** The yard area extending along the full width of a front lot line between side lot lines and from the front lot line to the front building line in depth.
- B. **SETBACK, REAR:** The yard area extending across the full width of the lot and lying between the rear lot line and the nearest line of the building. Rear-yard depth shall be measured at right angles to the rear line of the lot.
- C. **SETBACK, SIDE:** The yard area lying between the side line of the lot and the nearest line of the building and extending from the front yard to the rear yard, or in the absence of a front yard or a rear yard, to the front or rear lot lines. Side-yard width shall be measured at right angles to side lines of the lot.

UDO SECTION 4.18: Variance

In certain circumstances, a Variance from the dimensional requirements (i.e. height, setbacks, square footage) of this ordinance may be granted if the applicant can prove that because of

physical constraints of the property involved, he is not able to build the same type of structure that other persons with the same zoning classification can build. Variances for uses permitted will not be considered in as much as “use Variances” are not legal in the State of Mississippi.

Most Variances must be granted by the City Council; however, certain minor Variances may be granted by the Economic Development Director in accordance with *Section 4.18.3* below.

4.18.1 Who May Initiate

A request for a Variance may be initiated by the property owner or agent of the owner provided that said property has not been denied a previous request for a Variance for the same property or portion of property within the past twelve (12) months.

4.18.2 Application for Variance

Applications for a Variance (from dimensional requirements) may be filed on the appropriate application available from the Economic Development/Planning Department and shall include all requested information, attachments and submittals:

4.18.3 Administrative Variances

The following dimensional variances may be granted by the Economic Development Director at his/her discretion (Note: Within the COR, Corridor Overlay District, applicants shall be required to mitigate a requested dimensional variance in accordance with the Tier Land Use Provisions in Section 5.11):

- A. 30% of required off-street parking spaces and/or
- B. 30% of required setbacks from property lines

4.18.4 Criteria for Approval

The Variance application shall demonstrate the following:

- A. That special conditions and circumstances exist which are peculiar to this particular site (lot or parcel), structure or building involved and which are not applicable to other sites (lots or parcels) or structures or buildings in the same district;
- B. That literal interpretation of the provisions of this Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the provisions of this Ordinance;
- C. That the special conditions and circumstances do not result from actions of the applicant; and
- D. That granting the Variance requested will not confer upon the applicant any special privilege that is denied by this Ordinance to other similar sites (lots or parcels) structures or buildings in the same district.

RECOMMENDATION & CONCLUSION:

The Staff has no objection to the Variance requested, but the Planning Commission must record a Finding of Fact regarding the “Criteria for Approval” from the UDO as listed above.

The Planning Commission may:

1. Recommend that City Council approve the Side Set-back Variance request as presented;
2. Recommend that City Council approve the Side Set-back Variance request with changes;
or
3. Recommend that City Council deny the Side Set-back Variance request.

The reason for the proposed building is the garage on the north side of the house floods with an extreme high tide and/or torrential rain. We need some place to store our belongings that will stay dry. This is the only high and large enough area on our property we can build it. The proposed building will extend 15 feet in from the front of the house. It cannot be further back because of an old, large live oak tree.

Excerpt from November 2, 2017 Gautier Planning Commission Meeting:

Request: 3612 Norcrest – Request for a Fifteen Foot (15') Variance to minimum front yard set-back requirements for an accessory structure in a R-1 Low Density Single Family Residential Zoning District (GPC Case#17-15-VAR).

Scott Ankerson, Planning Director/Building Official, gave a brief overview of the case: The Planning Department has received a request from Larry and Denise McGregor for a fifteen (15) ft. Variance to minimum front yard set-back requirements for an accessory structure in an R-1 Low Density Single Family Residential Zoning District at 3612 Norcrest, PID #82436205.000. The application fee of \$175 was paid on September 19, 2017. All public notice requirements have been met.

The request property is zoned R-1 Low Density Single Family Residential District. The property contains an existing single-family dwelling and an existing accessory structure that floods with extreme high tide or torrential rain causing damage to mechanical equipment, automobiles, and belongings. The owner would like to construct an accessory structure in his side yard that would cross the main structure front building line by 15feet. The proposed area for this accessory structure is the highest elevation portion of the lot and is a large enough area to place the proposed accessory structure without the need to request the removal of protected trees. Without the request variance being granted, to place the proposed accessory structure on this high portion of the lot would require the removal of a healthy, substantial Live Oak Tree.

The property owner would like to maintain site line views of the bayou and build on the highest elevation portion of the lot for insurance of greater flood protection while preserving a protected Live Oak . A variance request has been submitted to reduce the minimum front set-back for accessory structures requirement to allow fifteen (15) feet of the proposed structure to cross the front main building line.

The proposed density will remain within the minimum requirements of the district and it appears that the minimum front yard setback of twenty-five (25) feet from the front property line to the front of the accessory structure will be maintained. (See Site Plan included in Exhibit 1-application).

The Unified Development Ordinance (UDO) defines **Variances** as:

A Variance is a relaxation of the terms of the Unified Development Ordinance where such Variance will not be contrary to the public interest and where, owing to conditions peculiar to the property, a literal enforcement of the Ordinance would result in an unnecessary or undue hardship. As used in this Ordinance, a Variance is authorized only for height, area and size of structure, or size of yards, separation of uses, open spaces, off-street parking spaces and some subdivision of property. The establishment or expansion of a use not permitted shall not be allowed by Variance.

The UDO defines **Hardship** as:

Hardship means the exceptional hardship that would result from a failure to grant the requested variance. The City requires that the variance is exceptional, unusual, and peculiar to the property involved. Mere economic or financial hardship alone is not exceptional. Inconvenience, aesthetic considerations, physical handicaps, personal preferences, or the disapproval of one's neighbors likewise cannot, as a rule, qualify as an exceptional hardship. All of these problems can be resolved through other means without granting a variance, even if the alternative is more expensive, or requires the property owner to build elsewhere or put the parcel to a different use than originally intended.

The UDO defines **Setback** as:

SETBACK: (SEE YARD) The minimum horizontal distance between the lot or property line and the nearest front, side or rear line of the building as measured to the outside face at the enclosing wall or in structures lacking walls (as in the case of a carport) to the face of the supporting columns and beams. Setback does not include roof overhangs, except that they shall not encroach on more than fifty (50) percent of the required setback.

A. SETBACK, FRONT: The yard area extending along the full width of a front lot line between side lot lines and from the front lot line to the front building line in depth.

B. SETBACK, REAR: The yard area extending across the full width of the lot and lying between the rear lot line and the nearest line of the building. Rear-yard depth shall be measured at right angles to the rear line of the lot.

C. SETBACK, SIDE: The yard area lying between the side line of the lot and the nearest line of the building and extending from the front yard to the rear yard, or in the absence of a front yard or a rear yard, to the front or rear lot lines. Side-yard width shall be measured at right angles to side lines of the lot.

UDO SECTION 4.18: Variance

In certain circumstances, a Variance from the dimensional requirements (i.e. height, setbacks, square footage) of this ordinance may be granted if the applicant can prove that because of physical constraints of the property involved, he is not able to build the same type of structure that other persons with the same zoning classification can build.

Variances for uses permitted will not be considered in as much as “use Variances” are not legal in the State of Mississippi. Most Variances must be granted by the City Council; however, certain minor Variances may be granted by the Economic Development Director in accordance with *Section 4.18.3* below.

4.18.1 Who May Initiate

A request for a Variance may be initiated by the property owner or agent of the owner provided that said property has not been denied a previous request for a Variance for the same property or portion of property within the past twelve (12) months.

4.18.2 Application for Variance

Applications for a Variance (from dimensional requirements) may be filed on the appropriate application available from the Economic Development/Planning Department and shall include all requested information, attachments and submittals:

4.18.3 Administrative Variances

The following dimensional variances may be granted by the Economic Development Director at his/her discretion (Note: Within the COR, Corridor Overlay District, applicants shall be required to mitigate a requested dimensional variance in accordance with the Tier Land Use Provisions in Section 5.11):

- A. 30% of required off-street parking spaces and/or
- B. 30% of required setbacks from property lines

4.18.4 Criteria for Approval

The Variance application shall demonstrate the following:

- A. That special conditions and circumstances exist which are peculiar to this particular site (lot or parcel), structure or building involved and which are not applicable to other sites (lots or parcels) or structures or buildings in the same district;
- B. That literal interpretation of the provisions of this Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the provisions of this Ordinance;
- C. That the special conditions and circumstances do not result from actions of the applicant; and
- D. That granting the Variance requested will not confer upon the applicant any special privilege that is denied by this Ordinance to other similar sites (lots or parcels) structures or buildings in the same district.

After a brief discussion, the following motion was made:

Commissioner Green made the motion to recommend that City Council approve the Front Set-Back Variance request as presented. **Commissioner Jamison** seconded the motion and the following vote was recorded:

AYES: **Larry Dailey**
 Jimmy Green
 Paul Gainer
 Kay C. Jamison
 James Lee
 John Hunter

NAYS: **None**

ABSENT: **Christopher Scruggs**

Motion passed.

There came for consideration of the Mayor and Members of the Council of the City of Gautier, Mississippi, the following:

ORDER NUMBER 232-2017

**CITY OF GAUTIER CONDITIONAL USE-MAJOR PERMIT
GPC CASE NO. 17-16-CU USED CAR SALES
REGARDING PARCEL ID NO: 82436580.020**

The City of Gautier City Council, at its regular meeting held on November 2, 2017, considered the application for a Conditional Use-Major Permit used car sales as submitted by Eric James Minor, representative for Gautier Auto Sales. The parcel subject to this Permit is located at 1517 Old Spanish Trail, Gautier, Mississippi, 39553. After due public notice, the City Council, having considered the favorable recommendation by the Planning Commission, application, the report of the City Staff and all other relevant testimony, exhibits and other evidence, pursuant to applicable provisions of the City's Unified Development Ordinance, hereby approves the Conditional Use-Major Permit as follows:

1. This proposed Conditional Use-Major is consistent with the goals, objectives and policies of the City's Comprehensive Plan.
2. This proposed Conditional Use-Major is consistent with the character of the immediate vicinity of the proposed use.
3. The proposed use, classified as a used car sales, is permitted as a Conditional Use-Major in the C-2 district.
4. Therefore, the City Council accepts the recommendation of the Planning Commission and approves the application submitted on September 5, 2017 for a Conditional Use-Major Permit.
5. The City Clerk shall have this permit recorded in the public records of Jackson County and provide the applicant a copy of the permit with the recording information affixed.
6. The Gautier Planning Commission recommended approval of this Conditional Use-Major Permit on November 2, 2017.
7. The City Council adopted this Conditional Use-Major Permit on a recorded vote of 6 ayes to 0 nays to 1 absent to approve the application of Gautier Auto Sales, located at 1517 Old Spanish Trail, in Gautier, Mississippi, and identified as Jackson County Parcel No. 82436580.020.

Motion made by **Councilman Vaughan**, seconded by **Councilman Jackson** and the following vote was recorded:

CITY OF GAUTIER MEMORANDUM

To: Paula Yancey, City Manager

From: Scott Ankerson, Planning Director

Date: November 21, 2017

Subject: Conditional Use-Major Permit for a Used Car Sales Lot in a C-2, Community Commercial Zoning District. (GPC Case No. 17-16-CU)

REQUEST:

Planning Department has received a request from James Eric Minor for a Conditional Use-Major Permit that would allow a Used Car Sales Lot in a C-2, Community Commercial Zone at 1517 Old Spanish Trail, PID #82436580.020. The application fee of \$250 was paid on September 19, 2017. All public notice requirements have been met.

BACKGROUND:

The request property is zoned C-2, Community Commercial.

1. Location: 1517 Old Spanish Trail (See Exhibit A)
2. General features of the proposed project:
Total Building Area: App. 1050 Square Feet
Site Size: App. 0.33 Acres
3. Existing Zoning - C-2, Community Commercial (See Exhibit B)
4. Existing Land Use – Vacant Commercial Retail (See Exhibit C)
5. Comprehensive Plan Future Land Use Designation - Low Density Residential.
(See Exhibit D)

DISCUSSION:

The following addresses the review criteria for a Major Conditional Use outlined in Section 4.17.5 of the UDO.

- A. The proposed use is compatible with the character of development in the vicinity relative to density, bulk and intensity of structures, parking, and other uses.

Staff Finding: The proposed use is Used Car Sales which will be compatible with the properties in the vicinity.

- B. Any possible detrimental effects might occur as a result of the Conditional Use to the continued use, value, or development of properties in the vicinity.

Staff Finding: There is no evidence to indicate the proposed use will negatively affect the property values, or cause a detriment to the surrounding properties.

- C. Whether or not the proposed use will adversely affect vehicular or pedestrian traffic in the vicinity.

Staff Finding: There is no evidence that the proposed Used Car Sales Lot use will have any adverse effect on vehicular or pedestrian traffic.

- D. If the proposed use can be accommodated by existing or proposed public services and facilities including, but not limited to, water, sanitary sewer, streets, drainage, police and fire protection, and schools.

Staff Finding: The proposed use can be accommodated by existing public services and facilities.

- E. If the proposed use is in harmony with the Comprehensive Plan.

Staff Response: No, the Comprehensive plan's Future Land Use Designation proposes Low Density Residential for this lot.

- F. If the proposed use listed in the list of possible Conditional Uses in the particular Zoning District.

Staff Finding: Yes, a Used Car Sales Lot is listed as a Conditional Use-Major in a C-2 district.

- G. Whether the proposed use will not be hazardous, detrimental, or disturbing, to present surrounding land uses due to noises, glare, smoke, dust, odor, fumes, water pollution, vibration, electrical interference, or other nuisances.

Staff Finding: There is no evidence that the proposed use poses a hazardous, detrimental or disturbing affect to present surrounding uses.

- H. Whether the use conforms to all district regulations for the applicable district in which it is located, unless other provisions are specifically set forth in the application.

Staff Finding: The proposed use will conform to district regulations. This will be ensured by the Planning Department upon review of final submittals before permits are issued.

UDO Article II: Definitions

USED CAR SALES: A retail business which stocks and sells used cars, light passenger trucks, cargo vans and SUVs to the public. Such businesses may offer financing assistance to customers; however no major repair may be conducted on-site.

DETERMINATION OF APPLICABLE LAW:

1. The UDO defines conditional uses as specific uses which are enumerated in each zoning district and which because of their nature are not allowed by right but may be allowed after the required review process. The City may specify certain conditions as necessary to make the use compatible with other uses in the same district. Conditional uses are issued for uses of land and uses designated “Conditional Uses-Major” are transferable from one (1) owner of land to another.

The UDO further defines Conditional Uses-Major as uses that are not allowed by right but require a recommendation by the Planning Commission and the approval of the City Council. Additionally, if the conditional use is transferred to a new owner, the new owner must submit a letter to the Economic Development Director agreeing to the current terms and conditions before a business license may be issued.

2. Conditional Uses-Major requires a public hearing before the Planning Commission and approval by the City Council (Section 4.14 of the UDO).

RECOMMENDATION:

Planning Commission recommends that City Council approve the Conditional Use Permit based on Staff’s recommendation and there being no opposition.

The City Council may:

1. Approve the Conditional Use-Major Permit; or
2. Approve the Conditional Use-Major Permit with conditions; or

3. Deny the Conditional Use-Major Permit.

ATTACHMENTS:

1. Draft Conditional Use-Major Permit
2. GPC Minute Excerpt

CITY OF GAUTIER STAFF REPORT

To: Chairman and Members, Planning Commission
From: Scott Ankerson, Planning Director
Date: November 2, 2017
Subject: Conditional Use-Major Permit for a Used Car Sales Lot in a C-2, Community Commercial Zoning District. (GPC Case No. 17-16-CU)

REQUEST:

Planning Department has received a request from James Eric Minor for a Conditional Use-Major Permit that would allow a Used Car Sales Lot in a C-2, Community Commercial Zone at 1517 Old Spanish Trail, PID #82436580.020. The application fee of \$250 was paid on September 19, 2017. All public notice requirements have been met.

BACKGROUND:

The request property is zoned C-2, Community Commercial.

1. Location: 1517 Old Spanish Trail (See Exhibit A)
2. General features of the proposed project:
 - Total Building Area: App. 1050 Square Feet
 - Site Size: App. 0.33 Acres
3. Existing Zoning - C-2, Community Commercial (See Exhibit B)
4. Existing Land Use – Vacant Commercial Retail (See Exhibit C)
5. Comprehensive Plan Future Land Use Designation - Low Density Residential. (See Exhibit D)

DISCUSSION:

The following addresses the review criteria for a Major Conditional Use outlined in Section 4.17.5 of the UDO.

- A. The proposed use is compatible with the character of development in the vicinity relative to density, bulk and intensity of structures, parking, and other uses.

Staff Finding: The proposed use is Used Car Sales which will be compatible with the properties in the vicinity.

- B. Any possible detrimental effects might occur as a result of the Conditional Use to the continued use, value, or development of properties in the vicinity.

Staff Finding: There is no evidence to indicate the proposed use will negatively affect the property values, or cause a detriment to the surrounding properties.

- C. Whether or not the proposed use will adversely affect vehicular or pedestrian traffic in the vicinity.

Staff Finding: There is no evidence that the proposed Used Car Sales Lot use will have any adverse affect on vehicular or pedestrian traffic.

- D. If the proposed use can be accommodated by existing or proposed public services and facilities including, but not limited to, water, sanitary sewer, streets, drainage, police and fire protection, and schools.

Staff Finding: The proposed use can be accommodated by existing public services and facilities.

- E. If the proposed use is in harmony with the Comprehensive Plan.

Staff Response: No, the Comprehensive plan's Future Land Use Designation proposes Low Density Residential for this lot.

- F. If the proposed use listed in the list of possible Conditional Uses in the particular Zoning District.

Staff Finding: Yes, a Used Car Sales Lot is listed as a Conditional Use-Major in a C-2 district.

- G. Whether the proposed use will not be hazardous, detrimental, or disturbing, to present surrounding land uses due to noises, glare, smoke, dust, odor, fumes, water pollution, vibration, electrical interference, or other nuisances.

Staff Finding: There is no evidence that the proposed use poses a hazardous, detrimental or disturbing affect to present surrounding uses.

- H. Whether the use conforms to all district regulations for the applicable district in which it is located, unless other provisions are specifically set forth in the application.

Staff Finding: The proposed use will conform to district regulations. This will be ensured by the Planning Department upon review of final submittals before permits are issued.

UDO Article II: Definitions

USED CAR SALES: A retail business which stocks and sells used cars, light passenger trucks, cargo vans and SUVs to the public. Such businesses may offer financing assistance to customers; however no major repair may be conducted on-site.

DETERMINATION OF APPLICABLE LAW:

1. The UDO defines conditional uses as specific uses which are enumerated in each zoning district and which because of their nature are not allowed by right but may be allowed after the required review process. The City may specify certain conditions as necessary to make the use compatible with other uses in the same district. Conditional uses are issued for uses of land and uses designated “Conditional Uses-Major” are transferable from one (1) owner of land to another.

The UDO further defines Conditional Uses-Major as uses that are not allowed by right but require a recommendation by the Planning Commission and the approval of the City Council. Additionally, if the conditional use is transferred to a new owner, the new owner must submit a letter to the Planning Director agreeing to the current terms and conditions before a business license may be issued.

2. Conditional Uses-Major requires a public hearing before the Planning Commission and approval by the City Council (Section 4.14 of the UDO).

RECOMMENDATION & CONCLUSION:

Staff finds that the proposed use will be compatible and harmonious with the C-2 District and recommends approval with no specific proposed conditions outside of the UDO regulations and all applicable adopted codes.

The Planning Commission may:

1. Recommend that City Council approve the Conditional Use-Major
2. Recommend that City Council approve the Conditional Use-Major with Conditions; or
3. Recommend that City Council deny the Conditional Use-Major.

CONDITIONAL USE CRITERIA FOR APPROVAL - Complete either the Major Conditional Use section or Minor Conditional Use Section below. If more room is needed, answers can be provided on a separate sheet of paper.

MAJOR CONDITIONAL USE CRITERIA FOR APPROVAL

1. Is the proposed use listed in the list of possible Conditional Uses in the particular Zoning District?
yes
2. Please describe how the project is compatible with the character of development in the vicinity relative to (a) density, bulk and intensity of structures, (b) parking, and (c) other uses. Please attach parking plan, site plan, architectural rendering or other plans. *There is a major shopping center to the East of my house*
3. Will your project negatively affect neighboring property values or pose a real or perceived threat to citizens? Explain. *No, It will not change any neighboring property*
4. Will your project adversely affect vehicular or pedestrian traffic in the vicinity? Explain. *No old Spanish Trail is a highly traveled road*
5. Can the proposed use be accommodated by existing or proposed public services and facilities including, but not limited to, water, sanitary sewer, streets, drainage, police and fire protection, and schools? *yes*
6. Is the proposed use in harmony with the Comprehensive Plan? Explain how. *yes, it is not in the vicinity of the downtown area*
7. Does the proposed use pose a hazardous, detrimental, or disturbing affect, either real or perceived, to present surrounding land uses due to noises, glare, smoke, dust, odor, fumes, water pollution, vibration, electrical interference, or other nuisances? Explain. *No, it's a used car lot not a factory*
8. Does the use conform to all district regulations for the applicable district in which it is located, or have other provisions been provided for? Explain. *yes it's all commercial property surrounding the area*

MINOR CONDITIONAL USE CRITERIA FOR APPROVAL

1. Is the proposed use substantially compatible with other uses in the area, including factors relating to the nature of its location, operation, building design, site design, traffic characteristics, and environmental impacts? Explain.
2. Will the proposed use be materially detrimental to the health, safety, and general welfare of the public or otherwise injurious to the environment or to the property or improvements within the area? Explain.
3. Is the proposed use consistent with the Comprehensive Plan? Explain how.
4. Is the proposed use in conformance with specific site location, development, and operation standards as required by this Ordinance? Explain.

CONDITIONAL USE NARRATIVE — Describe the proposed project in detail. Include all types of business activities that will be conducted on-site, any out-door storage or seating proposed, anticipated traffic, access for pick-up/delivery vehicles, proposed improvements, etc. Use the space below or provide a separate type written sheet of paper and attach. Staff will provide guidance as needed on additional information needed in the narrative.

NARRATIVE

This is a perfect location for a used Car lot, it has a lot of traffic on the Road but is not on Hwy 90, all property on the Road is Commercial.

There is a storage build on Property to store any and all Car cleaning Products. I bought the build with the hope of opening a used Car lot and ~~when~~ when I checked the zone I could have a Auto Repair Shop not a used car lot, So I am asking you to Approve my Request for a Used Car lot and not a Auto Repair Shop because most Repair shops Look like Junkyard

Thank You
Eric Minor

I also own the lot next door to the house which in return gives me a total of 2Ac with the House

CONDITIONAL USE DIAGRAM – Provide a diagram of the project site. In cases where certain requirements such as parking are triggered by aspects of the interior of the building, the interior building layout will need to be provided also. Include location and dimensions of property lines, buildings, parking spaces, outdoor storage areas, outdoor seating areas, signage, landscape areas, driveways, loading/unloading areas, limits of paving, exterior elevations (if changes are proposed), entrance/exit locations. Include the whole site. Use the space below or provide separate drawings. Staff will provide guidance as needed on additional information needed on the diagram.

Excerpt from November 2, 2017 Gautier Planning Commission Meeting:

Eric James Minor/Gautier Auto Sales – 1517 Old Spanish Trail- Request for a Conditional Use-Major that would allow a used car sales lot in a C-2, Community Commercial Zoning District. (GPC Case #17-16-CU)

Scott Ankerson, Planning Director/Building Official, gave a brief overview of the case. Planning Department has received a request from James Eric Minor for a Conditional Use-Major Permit that would allow a Used Car Sales Lot in a C-2, Community Commercial Zone at 1517 Old Spanish Trail, PID #82436580.020. The application fee of \$250 was paid on September 19, 2017. All public notice requirements have been met.

The request property is zoned C-2, Community Commercial.

1. Location: 1517 Old Spanish Trail

2. General features of the proposed project:

Total Building Area: App. 1050 Square Feet

Site Size: App. 0.33 Acres

3. Existing Zoning - C-2, Community Commercial

4. Existing Land Use – Vacant Commercial Retail

5. Comprehensive Plan Future Land Use Designation - Low Density Residential

The following addresses the review criteria for a Major Conditional Use outlined in Section

4.17.5 of the UDO.

A. The proposed use is compatible with the character of development in the vicinity relative to density, bulk and intensity of structures, parking, and other uses.

Staff Finding: The proposed use is Used Car Sales which will be compatible with the properties in the vicinity.

B. Any possible detrimental effects might occur as a result of the Conditional Use to the continued use, value, or development of properties in the vicinity.

Staff Finding: There is no evidence to indicate the proposed use will negatively affect the property values, or cause a detriment to the surrounding properties.

C. Whether or not the proposed use will adversely affect vehicular or pedestrian traffic in the vicinity.

Staff Finding: There is no evidence that the proposed Used Car Sales Lot use will have any adverse affect on vehicular or pedestrian traffic.

D. If the proposed use can be accommodated by existing or proposed public services and facilities including, but not limited to, water, sanitary sewer, streets, drainage, police and fire protection, and schools.

Staff Finding: The proposed use can be accommodated by existing public services and facilities.

E. If the proposed use is in harmony with the Comprehensive Plan.

Staff Response: No, the Comprehensive plan's Future Land Use Designation proposes Low Density Residential for this lot.

F. If the proposed use listed in the list of possible Conditional Uses in the particular Zoning District.

Staff Finding: Yes, a Used Car Sales Lot is listed as a Conditional Use-Major in a C-2 district.

G. Whether the proposed use will not be hazardous, detrimental, or disturbing, to present surrounding land uses due to noises, glare, smoke, dust, odor, fumes, water pollution, vibration, electrical interference, or other nuisances.

Staff Finding: There is no evidence that the proposed use poses a hazardous, detrimental or disturbing affect to present surrounding uses.

H. Whether the use conforms to all district regulations for the applicable district in which it is located, unless other provisions are specifically set forth in the application.

Staff Finding: The proposed use will conform to district regulations. This will be ensured by the Planning Department upon review of final submittals before permits are issued.

UDO Article II: Definitions

USED CAR SALES: A retail business which stocks and sells used cars, light passenger trucks, cargo vans and SUVs to the public. Such businesses may offer financing assistance to customers; however no major repair may be conducted on-site.

DETERMINATION OF APPLICABLE LAW:

1. The UDO defines conditional uses as specific uses which are enumerated in each zoning district and which because of their nature are not allowed by right but may be allowed after the required review process. The City may specify certain conditions as necessary to make the use compatible with other uses in the same district.

Conditional uses are issued for uses of land and uses designated "Conditional Uses-Major" are transferable from one (1) owner of land to another.

The UDO further defines Conditional Uses-Major as uses that are not allowed by right but require a recommendation by the Planning Commission and the approval of the City Council. Additionally, if the conditional use is transferred to a new owner, the new owner must submit a letter to the Planning Director agreeing to the current terms and conditions before a business license may be issued.

2. Conditional Uses-Major requires a public hearing before the Planning Commission and approval by the City Council (Section 4.14 of the UDO).

Staff finds that the proposed use will be compatible and harmonious with the C-2 District and recommends approval with no specific proposed conditions outside of the UDO regulations and all applicable adopted codes.

After a brief discussion, the following motion was made:

Commissioner Gainer made the motion to recommend that City Council approve the Conditional Use Major request as presented. **Commissioner Green** seconded the motion and the following vote was recorded:

AYES: **Larry Dailey**

Passed and Adopted by Mayor and Members of the Council of the City of Gautier, Mississippi, at the meeting of November 21, 2017.

11/15/2018

To: The City of Gautier

Long Term Partnership Agreement

Play The Coast is a very powerful connector to tourists and those looking for things to do in South Mississippi.

We appreciate the ongoing business opportunity to help promote and bring awareness to visitors of the Gulf Coast. Play The Coast is excited to offer a simple long term partnership.

Proposal is as follows:

City of Gautier Premium Full Page Advertisement

12 PTC ISSUES (24 months) = **\$750/month** Dec 1st 2017 - Nov 30th 2019

PTC will update each issue with current upcoming events.

Updated info needed by camera ready deadline.

Camera ready Artwork needed by the 10th day of the months of Jan, March, May, July, Sept, Nov.

Social media campaigns to promote www.VisitGautier.com and its content.

Visit Gautier MS Section to include advertisers from the City of Gautier and articles featuring attractions and businesses on every issue.

Play The Coast App Profile

INCLUDED with Play The Coast Agreement

The only app showing the best of Mississippi Gulf Coast with over 125,000 downloads to date.

* Portal linked to phone app giving The City of Gautier listing

*Link to www.Visitgautier.com and www.playthecoast.com.

*Video

*Location & Map

*Promotions of all events

Website

www.PlayTheCoast.com is the premier media destination for Gulf Coast tourists to learn about different areas of the Gulf Coast through attractions, sports, events, restaurants, shopping, clubs, festivals, and more.

Social Media

Multiple social media outlets to distribute and promote our customers, all with large amounts of followers and fans.

Mississippi Gulf Coast Network Profile:***Included w/PTC Agreement***

Include Events & Activities
Access to add Events, Promotions, Mapping
Social Media Management on Gulf Coast tourism sites
Promotions Portal
Analytics

Link Profile to Regional Network:***Included w/PTC Agreement***

Regional network includes communities in several Gulf Coast cities, such as : New orleans, mobile, Fairhope, Pensacola, just to name a few. Some of these cities we run the airports calendar which will allow the regional events to be filter to them.

All Businesses in the City of Gautier are eligible for a discounted rate of 25%

Our goal is to provide the Gulf Coast tourists with the most comprehensive source of information websites, social media, user friendly free download phone app, & magazine to make it easy to play the Coast. We enjoy working hand in hand with our coastal communities, cities, and Main Streets to help bring marketing awareness, local and visitor traffic. We would like to help do the same with The City of Gautier.

Play The Coast looks forward to entering a long term partnership that will bring the utmost value. We are looking forward to hearing from you soon.

Nov 14th , 2017

City of Gautier Website Network Proposal

Magnolia Studio LLC DBA PlayTheCoast would like to offer the City of Gautier the opportunity to partner with us through our comprehensive Tourism Program.

The components of our proposal are as follows:

- Create a new tourism website for City of Gautier that is truly mobile
- Filter website content such as Events, promotions and directory into regional network phone APPs and Websites including PlayTheCoast APP and Web .
- Provide full directory of all Shopping, Dining, Nightlife, and Lodging in the City of Gautier.
- Allow for locals and visitors to easily find Dining, Attractions, Lodging, Shopping, Nightlife, and Promotions at no cost with option to Call, Get Directions, Share on Email and Facebook.*
- PlayTheCoast Phone App is powered by the Gautier Tourism website and free to download on Apple|Android
- Link Gautier with Regional Subscribers, currently over 125,000 downloads
- New Gautier website platform will allow updating website , blogs, Calendar of Events, Facebook, Twitter, LinkedIn, PlayTheCoast Phone App, and the Regional Phone Apps from one easy to use location
- Training on platform to use blog, schedule posting, social media integration, analytics

***Community Business Profiles** , based on level of membership, can be upgraded to include logo, pictures, live calendar|event|promotion integration, social

media marketing tools, analytics, complete profile editing on top of the “free” business listing in the community business directory. This significantly increases SEO for both parties.

Magnolia Studio will Provide:

- Access and training to use blog, schedule posting, social media integration, analytics, to City staff to be able to manage City’s profile.
- Complete Gautier New Tourism Website and Digital Community Development.
- On going Orientation and training to any business that joins the network.

Requesting from the City of Gautier:

- Project Endorsement from City of Gautier
- Assistance with initial content (History, business listings, photos, logos, etc.)
- Allocate advertising budget towards presence in Playthecoast Tourism Network of \$750 month. (Magazines, Websites, Social Media boosted advertising) Contract Attached
- Maintenance of basic City content by City Staff (in their own Profile)
- Assistance in promoting the official launching of the app
- Links from City websites to the content to Gautier Tourism website and to download the PlayTheCoast Phone App
- Add the project to all promotional efforts by the City, Posters, City Guide, Banners, Flyers, water bill, etc.
- Create awareness in the community by press release, official presentation meetings and unveiling.

We hope that the City of Gautier will take advantage of our offer to provide a Tourism Website & Digital Community Platform free of hard costs.

Total project is start up valued over \$10,000, and will be provided to the City of Gautier at no hard costs as an ongoing partnership to promote small businesses and drive tourism to the area.

Should you have any questions or need a presentation in person, do not hesitate to let us know.

There came for consideration of the Mayor and Members of the Council of the City of Gautier, Mississippi, the following:

ORDER NUMBER 234-2017

WHEREAS, the Gray House at Shepard State Park was damaged by aa water leak in 2016 and requires renovation before it can be opened and used by the public; and

WHEREAS, It has been determined that renovations can be accomplished through partnerships with the Mississippi Department of Wildlife, Fisheries & Parks, MSU's Gulf Coast Community Design Studio, and non-profit Women in Construction; and

IT IS HEREBY ORDERED by the Mayor and Members of the Council of the City of Gautier, Mississippi, that the acceptance of a Design Phase Proposal for Shepard State Park Gray House renovations with Mississippi State University's Gulf Coast Community Design Studio in an amount not to exceed \$3,571.13 is hereby authorized.

IT IS FURTHER ORDERED that the City Manager or City Clerk is authorized to execute any and all documents necessary.

Motion was made by **Councilman Colledge**, seconded by **Councilman Anderson** and the following vote was recorded:

AYES: **Phil Torjusen**
 Cameron George
 Richard Jackson
 Casey Vaughan
 Rusty Anderson
 Adam Colledge

NAYS: **None**

ABSENT: **Mary Martin**

MAYOR

ATTEST:

CITY CLERK

Passed and Adopted by Mayor and Members of the Council of the City of Gautier, Mississippi, at the meeting of November 21, 2017.

**CITY OF GAUTIER
MEMORANDUM**

To: Paula Yancey, City Manager
From: April Havens, Grants Administrator
Date: 11/14/2017
Subject: Acceptance of a Design Phase Proposal for Shepard State Park Gray House renovations with Mississippi State University's Gulf Coast Community Design Studio in an amount not to exceed \$3,571.13.

REQUEST:

The Grants and Projects Department requests that City Council accept a Design Phase Proposal for Shepard State Park Gray House renovations with Mississippi State University's Gulf Coast Community Design Studio in an amount not to exceed \$3,571.13.

BACKGROUND:

The Gray House at Shepard State Park was damaged by a water leak in 2016 after a tenant who was serving as a park ranger for Shepard State Park moved out. A mold and mildew problem was caused by the water leak. The house requires renovation before it can be opened and used by the public. City staff has determined that renovations can be accomplished through partnerships with the Mississippi Department of Wildlife, Fisheries & Parks, MSU's Gulf Coast Community Design Studio, and non-profit Women in Construction.

DISCUSSION:

The Gulf Coast Community Design Studio is an outreach program of Mississippi State University's College of Architecture, Art + Design. It provides professional design and planning services to local communities and organizations to assistance in increasing their capacity to address issues of housing, public space, neighborhood development and the environment.

The City would like to renovate the Gray House to become a meeting space for local clubs, non-profit organizations, and citizens. Design services are required to determine a new floor plan, create a scope of work, develop a preliminary cost estimate, etc. The cost for these services is not to exceed \$3,571.13. Once a schematic design is completed, GCCDS may coordinate with the City for additional services to include construction documents and construction administration.

RECOMMENDATION:

The Grants and Projects Department recommends that City Council accept a Design Phase Proposal for Shepard State Park Gray House renovations with Mississippi State University's Gulf Coast Community Design Studio in an amount not to exceed \$3,571.13.

The City Council may:

- 1) Accept a Design Phase Proposal for Shepard State Park Gray House renovations as presented; or
- 2) Not accept a Design Phase Proposal for Shepard State Park Gray House renovations

ATTACHMENTS:

1. GCCDS Proposal and Cost Breakdown
2. David Perkes Resume

Proposal

To: City of Gautier

From: Mississippi State University Gulf Coast Community Design Studio (GCCDS)

For: Design Phase for Sheppard State Park Activity House

Date: November 3, 2017

Deliverables include:

- Auto-cad plan of existing house
- Floor plan alternatives to get city input
- Final schematic design plan
- Scope of work description
- Preliminary cost estimate

Cost:

The total cost for the design services described above is \$3,571.13. A budget breakdown is attached. Once the schematic design is completed GCCDS will coordinate with the city to extend the agreement to do the construction documents and construction administration phases.

Schedule:

Once GCCDS has a contract worked out by the MSU Office of Sponsored Projects we can start. Because of other ongoing work and depending upon the time to get feedback from the city the estimated time to completing the drawings outlined above is four weeks.

Firm Description

The Gulf Coast Community Design Studio (GCCDS), an outreach program of Mississippi State University's College of Architecture, Art + Design, provides professional design and planning services to local communities and organizations to assistance in increasing their capacity to address issues of housing, public space, neighborhood development and the environment. David Perkes, Architect, Professor and founding Director of the studio will manage the project. (Resume attached)

DAVID PERKES, AIA

BIO

David Perkes is a licensed architect and Professor for Mississippi State University. He is the founding director of the Gulf Coast Community Design Studio, a professional outreach program of the College of Architecture, Art + Design. The Design Studio was established in Biloxi following Hurricane Katrina and is providing resilient planning, landscape and architectural design support to many Gulf Coast communities and non-profit organizations.

David has a national role in leading the effort for design organizations to help communities become more resilient. He is part of a four person national team to receive the 2011 Latrobe Prize from the American Institute of Architects (AIA). The prize supported research in Public Interest Practices in Architecture. The Design Studio was part of one of ten teams selected by HUD to participate in "Rebuild By Design," which is a program to identify resilient design strategies for communities affected by Hurricane Sandy. The Design Studio was selected in 2015 to be part of the National Resilience Initiative, a program of the AIA to create a national network of design studios working on resilience.

David works to build and strengthen partnerships in the work of the Gulf Coast Community Design Studio. Under his leadership, the Design Studio has assisted in the renovation of hundreds of homes and over 300 new house projects in Biloxi and other communities. The Biloxi house projects were awarded an Honor Citation from the Gulf States Region AIA in 2007, a Turner Award for Innovative Housing and a Mississippi AIA Honor Citation in 2009. Other awards include: Mississippi AIA Honor Citation in 2012, an EPA Gulf Guardian Award in 2015 for the Bayou Auguste Restoration and a Mississippi AIA Honor Award in 2014 for the Women in Construction Training Center. Before creating the Design Studio, David was the director of the Jackson Community Design Center and taught in the School of Architecture's fifth year program in Jackson, Mississippi.

There came on for consideration the matter of providing financing for various capital improvements for the City of Gautier, Mississippi, and after a discussion of the subject matter, **Councilman Colledge** offered and moved the adoption of the following resolution:

RESOLUTION NUMBER 048-2017

RESOLUTION DECLARING THE INTENTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF GAUTIER, MISSISSIPPI (THE "CITY"), TO EITHER ISSUE COMBINED UTILITY SYSTEM REVENUE BONDS OF THE CITY, ISSUE A COMBINED UTILITY SYSTEM REVENUE BOND OF THE CITY FOR SALE TO THE MISSISSIPPI DEVELOPMENT BANK OR ENTER INTO A LOAN WITH THE MISSISSIPPI DEVELOPMENT BANK, ALL IN AN AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED TEN MILLION DOLLARS (\$10,000,000) TO RAISE MONEY FOR THE PURPOSE OF IMPROVING, REPAIRING, AND EXTENDING THE COMBINED UTILITY SYSTEM OF THE CITY AND OTHER AUTHORIZED PURPOSES PURSUANT TO MISSISSIPPI CODE 1972 ANNOTATED, SECTIONS 21-27-23 AND 21-27-41 THROUGH 21-27-69, AS AMENDED AND/OR SUPPLEMENTED FROM TIME TO TIME (THE "BOND ACT") AND SECTIONS 31-25-1 ET SEQ., MISSISSIPPI CODE OF 1972, AS AMENDED AND/OR SUPPLEMENTED FROM TIME TO TIME (THE "BANK ACT" AND TOGETHER WITH THE BOND ACT, THE "ACT"); INCLUDING PAYING FOR THE COST OF SUCH BORROWING, DIRECTING THE PUBLICATION OF NOTICE OF SUCH INTENTION; AND FOR RELATED PURPOSES.

WHEREAS, the Mayor and City Council (the "Governing Body") of the City of Gautier, Mississippi (the "City"), acting for and on behalf of the City, is authorized under the provisions of Sections 21-27-23 and 21-27-41 through 21-27-69, Mississippi Code of 1972, as amended and/or supplemented from time to time (the "Bond Act") and Sections 31-25-1 et seq., Mississippi Code of 1972, as amended from time to time (the "Bank Act" and together with the Bond Act, the "Act"), to issue utility system revenue bonds for the purposes set forth therein, including, but not limited to the improvement, repair and extension of the combined utility system of the City (the "System") and other authorized purposes under the Bond Act (together, the "Project") and

WHEREAS, the Governing Body, acting for and on behalf of the City is authorized under the Bond Act and Sections 31-25-1 et seq., Mississippi Code of 1972, as amended and/or supplemented from time to time (the "Bank Act"), and other applicable laws of the State, to (a) issue a utility system revenue bond of the City to be sold to the Bank to finance the costs of the Project, or (b) enter into a loan or loans with the Bank to borrow money to finance the costs of the Project; and

WHEREAS, the Project is in accordance with and in furtherance of the provisions of the Bond Act and the Bank Act; and

WHEREAS, the Governing Body is authorized pursuant to the Bond Act and/or the Bank Act to provide funding for the costs of the Project either through the issuance of (a) utility system revenue bonds of the City pursuant to the Bond Act in a total aggregate principal amount of not to exceed Ten Million Dollars (\$10,000,000) (the "Bonds"), (b) a utility system revenue bond of the City to be sold to the Bank in a total aggregate principal amount of not to exceed Ten Million Dollars (\$10,000,000) (the "City Bond"), or (c) by entering into a loan or loans with the Bank to borrow money from the Bank in a total principal amount not to exceed Ten Million Dollars (\$10,000,000) (the "Loan"); and

WHEREAS, the Governing Body finds and determines that it is necessary and proper to improve, repair and extend the System which improvements, repairs and extensions are to be done substantially in accordance with plans and specifications prepared by engineers employed by the City and approved by the Mayor and City Council; and

WHEREAS, it would be in the best interest of the City for the Governing Body to provide funding for the costs of the Project by borrowing money through the issuance of the Bonds or the City Bond or by entering into the Loan; and

WHEREAS, the City reasonably expects that it will incur expenditures in connection with the Project for which the City intends to reimburse itself with the proceeds of the Bonds, the City Bond or the Loan; and

WHEREAS, the Governing Body is authorized and empowered by the Bond Act and/or the Bank Act to issue the Bonds or the City Bond or to enter into the Loan for the purposes herein set forth and there are no other available funds on hand or available from regular sources of income for such purposes.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY, ACTING FOR AND ON BEHALF OF THE CITY, AS FOLLOWS:

SECTION 1. The Governing Body, acting for and on behalf of the City, hereby declares its intention to (a) issue and sell the Bonds pursuant to the Bond Act in an aggregate principal amount not to exceed Ten Million Dollars (\$10,000,000), (b) issue and sell the City Bond to the Bank pursuant to the City Bond Act and the Bank Act in an aggregate principal amount not to exceed Ten Million Dollars (\$10,000,000), or (c) enter into the Loan with the Bank pursuant to the City Bond Act and the Bank Act in a principal amount not to exceed Ten Million Dollars (\$10,000,000).

SECTION 2. The Bonds or the City Bond will be issued or the Loan will be entered into for the purpose of financing the Project, as authorized by the Bond Act and the Bank Act.

SECTION 3. The principal and interest on the said Loan and Note shall be payable solely from revenues derived and to be derived from operation of the combined utility system of the City, subject to the prior payment of the reasonable and necessary expense of operating and maintaining the System and subject to the prior lien of debt service on certain State Revolving Fund Loans (the "SRF Loans"), existing on the date of entering into the Loan and the issuance of the Note, from the State of Mississippi to the City, and the parity lien of the City's outstanding \$9,995,000 Combined Utility System Revenue Refunding Bonds, Series 2012 (the "2012 Bonds") and the City's outstanding \$3,500,000 Combined Utility System Revenue Project, Series 2013 (the "2013 Bonds"). Said Loan and Note shall not constitute an indebtedness of the City within the meaning of any statutory or charter restriction, limitation, or provision, and the taxing power of the City will not be pledged to the payment of said Loan and Note, but the same, together with the interest thereon, shall be payable solely from revenues of the System subject to the prior payment of the reasonable and necessary expense of operating and maintaining the System and the prior lien of debt service on the SRF Loans and the parity lien of the 2012 Bonds and the 2013 Bonds.

SECTION 4. Unless a protest in writing signed by not less than twenty percent (20%) of the qualified electors of the City, objecting to and protesting against the Loan and the Note is filed with the City Clerk on or before 5:00 o'clock p.m. on January 2, 2018, the Mayor and City Council of the City, will authorize the Loan and the issuance of the Note at a meeting of the Mayor and City Council set for 6:30 o'clock p.m. on January 2, 2018, which date shall be more than ten (10) days after the date of the last publication of this resolution. If such sufficient protest and objection is filed on or before the date and hour hereinabove set forth, the question of entering into said Loan and the issuance of the Note shall be submitted to an election to be held as provided in Mississippi Code 1972 Annotated, Section 21-27-43, as amended.

SECTION 5. This resolution shall be (i) published once a week for at least three consecutive weeks in *The Mississippi Press*, a newspaper published in the City of Pascagoula, Mississippi, and having a general circulation in the City and qualified under the provisions of Section 13-3-31, Mississippi Code of 1972, as amended; and the last publication of this resolution shall be more than ten (10) days prior to the date hereinabove set forth as the deadline for the filing of objection or protest and shall be more than ten (10) days prior to the date hereinabove set forth for the meeting of the Mayor and City Council to authorize entering into said Loan and the issuance of the Note; and (ii) be posted for at least twenty-one (21) days next preceding the date fixed therein at three (3) public places in the City.

SECTION 6. The City Clerk is hereby directed to procure from the publisher of the aforesaid newspaper the customary proof of publication of this resolution and have the same before the Mayor and City Council on the day and hour hereinabove specified.

Councilman Jackson seconded the motion to adopt the foregoing resolution, and the question being put to a roll call vote, the result was as follows:

Mayor Phil Torjusen	Voted: Aye
Councilwoman Mary Martin	Voted: Absent
Councilman Cameron B. George	Voted: Aye
Councilman Richard "DJ" Jackson	Voted: Aye
Councilman Casey Vaughan	Voted: Aye
Councilman Charles "Rusty" Anderson	Voted: Aye
Councilman Adam Colledge	Voted: Aye

The motion having received the affirmative vote of a majority of the members of the Governing Body present, being a quorum of said Governing Body, the Mayor declared the motion carried and the resolution adopted this 21st day of November, 2017.

Mayor of the City of Gautier, Mississippi

ATTEST:

City Clerk

(SEAL)

PUBLISH: December 6, 13 and 20, 2017

There came on for consideration the matter of providing financing for various capital improvements for the City of Gautier, Mississippi, and after a discussion of the subject matter, **Councilman Vaughan** offered and moved the adoption of the following resolution:

RESOLUTION NUMBER 049-2017

RESOLUTION DECLARING THE INTENTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF GAUTIER, MISSISSIPPI (THE "CITY"), TO EITHER ISSUE GENERAL OBLIGATION BONDS OF THE CITY, ISSUE A GENERAL OBLIGATION BOND OF THE CITY FOR SALE TO THE MISSISSIPPI DEVELOPMENT BANK OR ENTER INTO A LOAN WITH THE MISSISSIPPI DEVELOPMENT BANK, ALL IN AN AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED FIVE MILLION DOLLARS (\$5,000,000) TO RAISE MONEY FOR THE PURPOSE OF (I) CONSTRUCTING, IMPROVING, EQUIPPING OR PAVING STREETS, SIDEWALKS, DRIVEWAYS, PARKWAYS, PUBLIC PLAY GROUNDS, WALKWAYS OR PUBLIC PARKING FACILITIES, BRIDGES, CULVERTS AND PURCHASING LAND THEREFOR IF NECESSARY; (II) ERECTING, REPAIRING, IMPROVING, ADORNING, EQUIPPING AND FURNISHING MUNICIPAL BUILDINGS; (III) REPAIRING, IMPROVING, AND EXTENDING PUBLIC UTILITY PLANTS OR DISTRIBUTION SYSTEMS; (IV) REPAIRING, IMPROVING AND EXTENDING SANITARY, STORM, DRAINAGE OR SEWERAGE SYSTEMS; AND (V) FOR OTHER RELATED PURPOSES AS AUTHORIZED UNDER MISSISSIPPI CODE ANN. SECTIONS 21-33-301 ET SEQ., AS AMENDED AND/OR SUPPLEMENTED FROM TIME TO TIME, INCLUDING PAYING FOR THE COST OF SUCH BORROWING, DIRECTING THE PUBLICATION OF A NOTICE OF SUCH INTENTION; AND FOR RELATED PURPOSES.

WHEREAS, the Mayor and City Council (the "Governing Body") of the City of Gautier, Mississippi (the "City"), acting for and on behalf of the City, is authorized by Sections 21-33-301 *et seq.*, Mississippi Code of 1972, as amended and supplemented from time to time (the "City Bond Act"), to issue general obligation bonds for the purposes set forth therein, including, but not limited to, (i) constructing, improving, equipping or paving streets, sidewalks, driveways, parkways, public play grounds, walkways or public parking facilities, bridges, culverts and purchasing land therefor if necessary; (ii) erecting, repairing, improving, adorning, equipping and furnishing municipal buildings; (iii) repairing, improving, and extending public utility plants or distribution systems; (iv) repairing, improving and extending sanitary, storm, drainage or sewerage systems; and (v) for other related purposes as authorized under Mississippi Code Ann. Sections 21-33-301 *et seq.*, as amended and/or supplemented from time to time, including paying for the cost of such borrowing (collectively, the "Project"); and

WHEREAS, the Governing Body, acting for and on behalf of the City, is also authorized under the City Bond Act and Sections 31-25-1 *et seq.*, Mississippi Code of 1972, as amended (the "Bank Act"), and other applicable laws of the State, to (a) issue a general obligation bond of the City to be sold to the Mississippi Development Bank (the "Bank") to finance the costs of the Project, or (b) enter into a loan or loans with the Bank to borrow money to finance the costs of the Project; and

WHEREAS, the Project is in accordance with and in furtherance of the provisions of the City Bond Act and the Bank Act; and

WHEREAS, the Governing Body is authorized pursuant to the City Bond Act and/or the Bank Act to provide funding for the costs of the Project either through the issuance of (a) general obligation bonds of the City pursuant to the City Bond Act in a total aggregate principal amount of not to exceed Five Million Dollars (\$5,000,000) (the "Bonds"), (b) a general obligation bond of the City to be sold to the Bank in a total aggregate principal amount of not to exceed Five Million Dollars (\$5,000,000) (the "City Bond"), or (c) by entering into a loan or loans with the Bank to borrow money from the Bank in a total principal amount not to exceed Five Million Dollars (\$5,000,000) (the "Loan"); and

WHEREAS, as of November 1, 2017, the assessed value of all taxable property within the City, according to the last completed assessment for taxation, was One Hundred Twenty Million Five Hundred Seventy One Thousand Three Hundred Thirty Nine Dollars (\$120,571,339), and the City had outstanding bonded and floating indebtedness as subject to the fifteen percent (15%) debt limit prescribed by Section 21-33-303 of the City Bond Act, as amended, in the amount of Eighteen Million Eighty Five Thousand Seven Hundred Dollars (\$18,085,700), and outstanding bonded and floating indebtedness as subject to the twenty percent (20%) debt limit prescribed by Section 21-33-303 of the City Bond Act, in the amount of Twenty Four Million One Hundred Fourteen Thousand Two Hundred Sixty Seven Dollars (\$24,114,267); and

WHEREAS, the Bonds, the City Bond or the Loan, when added to the outstanding bonded indebtedness of the City, will not result in bonded indebtedness, exclusive of indebtedness not subject to the aforesaid fifteen percent (15%) debt limit, of more than fifteen percent (15%) of the assessed value of all taxable property within the City, will not result in indebtedness, both bonded and floating, exclusive of indebtedness not subject to the aforesaid twenty percent (20%) debt limit prescribed by Section 21-33-303 of the City Bond Act, in excess of twenty percent (20%) of the assessed value of all taxable property within the City, and will not exceed any constitutional or statutory limitation upon indebtedness which may be incurred by the City; and

WHEREAS, there has been no increase in said bonded and floating general obligation indebtedness of the City since November 1, 2017; and

WHEREAS, it would be in the best interest of the City for the Governing Body to provide funding for the costs of the Project by borrowing money through the issuance of the Bonds or the City Bond or by entering into the Loan; and

WHEREAS, the City reasonably expects that it will incur expenditures in connection with the Project for which the City intends to reimburse itself with the proceeds of the Bonds, the City Bond or the Loan; and

WHEREAS, the Governing Body is authorized and empowered by the City Bond Act and/or the Bank Act to issue the Bonds or the City Bond or to enter into the Loan for the purposes herein set forth and there are no other available funds on hand or available from regular sources of income for such purposes.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY, ACTING FOR AND ON BEHALF OF THE CITY, AS FOLLOWS:

SECTION 1. The Governing Body, acting for and on behalf of the City, hereby declares its intention to either (a) issue and sell the Bonds pursuant to the City Bond Act in an aggregate principal amount not to exceed Five Million Dollars (\$5,000,000), (b) issue and sell the City Bond to the Bank pursuant to the City Bond Act and the Bank Act in an aggregate principal amount not to exceed Five Million Dollars (\$5,000,000), or (c) enter into the Loan with the Bank pursuant to the City Bond Act and the Bank Act in a principal amount not to exceed Five Million Dollars (\$5,000,000).

SECTION 2. The Bonds or the City Bond will be issued or the Loan will be entered into for the purpose of financing the Project, as authorized by the City Bond Act and the Bank Act.

SECTION 3. The Bonds or the City Bond may be issued in one or more series and, if issued, will be general obligations of the City payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to time, rate or amount upon all the taxable property within the geographical limits of the City. The Loan will be payable from available revenues of the City and will not constitute an indebtedness of the City within the meaning of any constitutional or statutory restrictions, limitations, or provisions, and the taxing power of the City will not be pledged to the payment of the Loan.

SECTION 4. The Governing Body proposes to direct the issuance of all or any portion of the Bonds or the City Bond or to authorize the Loan in the amount and for the purposes and secured as aforesaid at a meeting of the Governing Body to be held at its usual meeting place located at the City Hall in the City, located at 3330 Hwy 90, Gautier, Mississippi, at the hour of 6:30 o'clock p.m. on January 2, 2018, or at some meeting or meetings subsequent thereto; provided, however, that if ten percent (10%) or Fifteen Hundred (1500), whichever is less, of the qualified electors of the City shall file a written protest with the City Clerk against the issuance of the Bonds or the City Bond or the authorization of the Loan on or before the aforesaid date and hour, then the Bonds or the City Bond shall not be issued or the Loan shall not be entered into unless approved at an election on the question thereof called and held as is provided by law; provided, further that if no protest is filed, then the Bonds or the City Bond may be issued and sold in one or more series or the City may enter into the Loan without an election on the question of the issuance thereof at any time within a period of two (2) years after January 2, 2018.

SECTION 5. In full compliance with the City Bond Act, the City Clerk is hereby directed to publish a copy of this resolution once a week for at least three (3) consecutive weeks in *The Mississippi Press*, a newspaper published in the City of Pascagoula, Mississippi, and having a general circulation in the City and qualified under the provisions of Section 13-3-31, Mississippi Code of 1972, as amended, with the first publication being not less than twenty-one (21) days prior to the date set forth in Section 4 of this resolution, and the last publication being made not more than seven (7) days prior to such date.

SECTION 6. The City Clerk is hereby directed to procure from the publisher of the aforesaid newspaper the customary proof of the publication of this resolution and the required notice and have the same before the Governing Body on the date and hour specified in Section 4 hereof.

SECTION 7. The City hereby declares its official intent to reimburse itself from the proceeds of the Bonds, the City Bond or the Loan for expenses incurred with respect to the Project subsequent to the date of this resolution. This resolution is intended as a declaration of official intent under Treasury Regulation 1.150-2. The Bonds, the City Bond or the Loan will not exceed the aggregate principal amount of Five Million Dollars (\$5,000,000).

SECTION 8. If any one or more of the provisions of this resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any of the other provisions of this resolution, but this resolution shall be construed and enforced as if such illegal or invalid provision or provisions had not been contained herein.

Councilman Anderson seconded the motion to adopt the foregoing resolution, and the question being put to a roll call vote, the result was as follows:

Mayor Phil Torjusen	Voted: Aye
Councilwoman Mary Martin	Voted: Absent
Councilman Cameron B. George	Voted: Aye
Councilman Richard "DJ" Jackson	Voted: Aye
Councilman Casey Vaughan	Voted: Aye
Councilman Charles "Rusty" Anderson	Voted: Aye
Councilman Adam Colledge	Voted: Aye

The motion having received the affirmative vote of a majority of the members of the Governing Body present, being a quorum of said Governing Body, the Mayor declared the motion carried and the resolution adopted this 21st day of November, 2017.

Mayor of the City of Gautier, Mississippi

ATTEST:

City Clerk

PUBLISH: December 6, 13, 20 and 27, 2017

There came on for consideration the matter of providing financing for certain capital improvements for the City of Gautier, Mississippi, and after a discussion of the subject matter, **Council Member Vaughan** offered and moved the adoption of the following resolution:

RESOLUTION HIRING REQUIRED LEGAL COUNSEL BUTLER SNOW, BORDIS & DANOS AND AN INDEPENDENT REGISTERED MUNICIPAL ADVISOR GOVERNMENTAL CONSULTANTS, INC. WHEREAS, the Mayor and City Council of the City of Gautier, Mississippi (the "**Governing Body**"), acting for and on behalf of the City of Gautier, Mississippi (the "**City**"), is authorized by Sections 21-33-301 *et seq.*, Mississippi Code of 1972, as amended and supplemented from time to time (the "**GO Bond Act**"), to issue general obligation bonds for the purposes set forth therein, including, but not limited to, (i) constructing, improving, equipping or paving streets, sidewalks, driveways, parkways, public play grounds, walkways or public parking facilities, bridges, culverts and purchasing land therefor if necessary; (ii) erecting, repairing, improving, adorning, equipping and furnishing municipal buildings; (iii) repairing, improving, and extending public utility plants or distribution systems; (iv) repairing, improving and extending sanitary, storm, drainage or sewerage systems; and (v) for other related purposes as authorized under Mississippi Code Ann. Sections 21-33-301 *et seq.*, as amended and/or supplemented from time to time, including paying for the cost of such borrowing (the "**GO Project**"); and

WHEREAS, the Governing Body, acting for and on behalf of the City, is also authorized under the GO Bond Act and Sections 31-25-1 *et seq.*, Mississippi Code of 1972, as amended and supplemented from time to time (the "**Bank Act**" and together with the GO Bond Act, the "**Act**"), and other applicable laws of the State of Mississippi (the "**State**"), to (a) issue general

obligation bonds of the City to finance the costs of the GO Project, (b) issue a general obligation bond of the City to be sold to the Mississippi Development Bank (the "**Bank**") to finance the costs of the GO Project, and/or (c) enter into a loan with the Bank to borrow money to finance the costs of the GO Project; and

WHEREAS, the GO Project is in accordance with and in furtherance of the provisions of the GO Bond Act and the Bank Act; and

WHEREAS, the Governing Body is authorized to provide financing for the costs of the GO Project either (a) through the issuance of general obligation bonds of the City in a total aggregate principal amount not to exceed Five Million Dollars (\$5,000,000) (the "**GO Bonds**") pursuant to the GO Bond Act, (b) through the issuance of a general obligation bond of the City to be sold to the Bank in a total aggregate principal amount not to exceed Five Million Dollars (\$5,000,000) (the "**City GO Bond**") pursuant to the Act, and/or (c) by entering into a loan with the Bank to borrow money from the Bank in a total principal amount not to exceed Five Million Dollars (\$5,000,000) (the "**GO Loan**") pursuant to the Act; and

WHEREAS, in connection with the execution and delivery of the documentation necessary to secure the Loan and/or the sale and issuance of the Bonds and the City Bond, the Governing Body now desires to hire the required legal counsel and an independent registered municipal advisor; and

WHEREAS, the Governing Body, acting for and on behalf of the City, is authorized under the provisions of Sections 21-27-23 and 21-27-41 through 21-27-69, Mississippi Code of 1972, as amended and/or supplemented from time to time (the "**Revenue Bond Act**") and Sections 31-25-1 et seq., Mississippi Code of 1972, as amended from time to time (the "**Bank Act**" and together with the Bond Act, the "Act"), to issue utility system revenue bonds for the purposes set forth therein, including, but not limited to the improvement, repair and extension of the combined utility system of the City (the "**System**") and other authorized purposes under the Bond Act (together, the "**Revenue Project**") and

WHEREAS, the Governing Body, acting for and on behalf of the City is authorized under the Bond Act and Sections 31-25-1 et seq., Mississippi Code of 1972, as amended and/or supplemented from time to time (the "Bank Act"), and other applicable laws of the State, to (a) issue a utility system revenue bond of the City to be sold to the Bank to finance the costs of the Revenue Project, or (b) enter into a loan or loans with the Bank to borrow money to finance the costs of the Revenue Project; and

WHEREAS, the Revenue Project is in accordance with and in furtherance of the provisions of the Revenue Bond Act and the Bank Act; and

WHEREAS, the Governing Body is authorized pursuant to the Revenue Bond Act and/or the Bank Act to provide funding for the costs of the Revenue Project either through the issuance of (a) utility system revenue bonds of the City pursuant to the Bond Act in a total aggregate principal amount of not to exceed Ten Million Dollars (\$10,000,000) (the "**Revenue Bonds**"), (b) a utility system revenue bond of the City to be sold to the Bank in a total aggregate principal amount of not to exceed Ten Million Dollars (\$10,000,000) (the "**City Revenue**"),

Bond"), or (c) by entering into a loan or loans with the Bank to borrow money from the Bank in a total principal amount not to exceed Ten Million Dollars (\$10,000,000) (the "**Revenue Loan**"); and

WHEREAS, the Governing Body finds and determines that it is necessary and proper to improve, repair and extend the System which improvements, repairs and extensions are to be done substantially in accordance with plans and specifications prepared by engineers employed by the City and approved by the Mayor and City Council; and

WHEREAS, it would be in the best interest of the City for the Governing Body to provide funding for the costs of the Revenue Project by borrowing money through the issuance of the Revenue Bonds or the City Revenue Bond or by entering into the Revenue Loan; and

WHEREAS, the City reasonably expects that it will incur expenditures in connection with the Revenue Project for which the City intends to reimburse itself with the proceeds of the Revenue Bonds, the City Revenue Bond or the Revenue Loan; and

WHEREAS, the Governing Body is authorized and empowered by the Bond Act and/or the Bank Act to issue the Revenue Bonds or the City Revenue Bond or to enter into the Revenue Loan for the purposes herein set forth and there are no other available funds on hand or available from regular sources of income for such purposes.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY, ACTING FOR AND ON BEHALF OF THE CITY, AS FOLLOWS:

SECTION 1. The Governing Body, acting for and on behalf of the City, does hereby find and determine that it is necessary and advisable for the City to hire the required legal counsel and an independent registered municipal advisor in connection with (i) (a) the issuance and sale of the GO Bonds pursuant to the GO Bond Act, (b) the issuance and sale of the City GO Bond to the Bank pursuant to the GO Bond Act and the Bank Act, and/or (c) entering into the GO Loan with the Bank pursuant to the GO Bond Act and the Bank Act to borrow money from the Bank; and (ii) (a) the issuance and sale of the Revenue Bonds pursuant to the Revenue Bond Act, (b) the issuance and sale of the City Revenue Bond to the Bank pursuant to the Bond Act and the Bank Act, and/or (c) entering into the Revenue Loan with the Bank pursuant to the Revenue Bond Act and the Bank Act to borrow money from the Bank.

SECTION 2. Butler Snow LLP, Ridgeland, Mississippi, is hereby selected to serve as bond counsel (the "**Bond Counsel**") to the City and Bordis & Danos P.L.L.C., is hereby selected to serve as counsel to the City in connection with (i) the sale and issuance of the GO Bonds, the City GO Bond and/or the GO Loan; and (ii) the sale and issuance of the Revenue Bonds, the City Revenue Bond and/or the Revenue Loan. The Mayor of the City, the President of the Governing Body and/or the City Clerk of the City, acting for and on behalf of the City, is hereby authorized and directed to execute and deliver the engagement letter of Bond Counsel attached hereto as **Exhibit A**.

SECTION 3. Government Consultants, Inc., Madison, Mississippi, is hereby selected to serve as Independent Registered Municipal Advisor (the "**Municipal Advisor**") to the City in

connection with (i) the sale and issuance of the GO Bonds, the City GO Bond and/or the GO Loan and (ii) the sale and issuance of the Revenue Bonds, the City Revenue Bond and/or the Revenue Loan. The Mayor of the City, the President of the Governing Body and/or the City Clerk of the City, acting for and on behalf of the City, is hereby authorized and directed to execute and deliver the Independent Registered Municipal Advisor disclosure letter of the Municipal Advisor attached hereto as **Exhibit B**.

SECTION 4. If any one or more of the provisions of this resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any of the other provisions of this resolution, but this resolution shall be construed and enforced as if such illegal or invalid provision or provisions had not been contained herein.

SECTION 5. Council Member Anderson seconded the motion to adopt the foregoing resolution, and the question being put to a roll call vote, the result was as follows:

Mayor Phil Torjusen	Voted: AYE
Councilwoman Mary Martin	Voted: ABSENT
Councilman Cameron B. George	Voted: AYE
Councilman Richard "DJ" Jackson	Voted: AYE
Councilman Casey Vaughan	Voted: AYE
Councilman Charles "Rusty" Anderson	Voted: AYE
Councilman Adam Colledge	Voted: AYE

SECTION 6. The motion having received the affirmative vote of a majority of the members of the Governing Body present, being a quorum of said Governing Body, the Mayor declared the motion carried and the resolution adopted this 21st Day of November, 2017.

CITY CLERK

Passed and Adopted by Mayor and Members of the Council of the City of Gautier, Mississippi, at the meeting of November 21, 2017.

**CITY OF GAUTIER
MEMORANDUM**

To: Paula Yancey, City Manager
From: Danny Selover, Police
Date: 11/09/2017
Subject: Authorization to accept a donation of a American Aluminum K9 Kennel from Police Lieutenant/K9 Handler David Bever.

REQUEST:

City Council authorization is requested by the Gautier Police Department to accept a donation from Gautier Police Lieutenant/K9 handler David Bever of a new American Aluminum K9 kennel.

BACKGROUND:

This is a brand new American Aluminum K9 kennel that is custom built for a Ford police interceptor sport utility vehicle valued at approximately \$1700.00.

DISCUSSION:

Lieutenant David Bever and his K9 partner "Justice" recently competed in a national K9 competition in Foley, Alabama. At this competition, Lieutenant Bever won the American Aluminum kennel in a raffle. Lieutenant Bever wishes to donate this kennel to the Gautier Police Department to be utilized.

RECOMMENDATION:

Police Department staff recommends that City Council authorize accepting the donation of the American Aluminum kennel and placing it on the police department's inventory. .

ATTACHMENTS:

1. donation letter

November 1, 2017

Dear Chief Dante Elbin,

I, David Bever, would like to donate to the Gautier Police Department an American Aluminum E/Z Rider K9 Platform kennel, worth \$2,100.00, for the department's K9 program.

Sincerely,

A handwritten signature in black ink, appearing to read "David Bever", written in a cursive style.

David Bever

MAYOR

ATTEST:

CITY CLERK

Passed and Adopted by Mayor and Members of the Council of the City of Gautier, Mississippi, at the meeting of November 21, 2017.

**CITY OF GAUTIER
MEMORANDUM**

To: Paula Yancey, City Manager
From: April Havens, Grants Administrator
Date: 11/14/2017

Subject: Approval and authorization to pay warranty deed, improvements, and damages totaling \$38,530 payable to Pringle and Roemer, PLLC Trust Account on behalf of Cecil J. and Deborah A. Connor for the Martin Bluff Road Widening Project STP-9194-00(001) LPA/105069-801000

REQUEST:

The Grants and Projects Department requests that City Council approve and authorize payment for warranty deed, improvements, and damages totaling \$38,530 payable to Pringle and Roemer, PLLC Trust Account on behalf of Cecil J. and Deborah A. Connor for the Martin Bluff Road Widening Project STP-9194-00(001) LPA/105069-801000.

BACKGROUND:

This project is intended to provide improved traffic operations and safety on Martin Bluff Road. The project limits are between Gautier-Vancleave Road and the Service Road north of Interstate 10. This project is now in the right-of-way acquisition phase

DISCUSSION:

This payment includes \$16,390 for warranty deed, \$4,470 for improvements (fencing), and \$17,670 for damages (cost to cure fencing and functional utility).

RECOMMENDATION:

The Grants and Projects Department recommends that City Council approve and authorize payment for warranty deed, improvements, and damages totaling \$38,530 payable to Pringle and Roemer, PLLC Trust Account on behalf of Cecil J. and Deborah A. Connor for the Martin Bluff Road Widening Project STP-9194-00(001) LPA/105069-801000.

The City Council may:

- 1) Approve expenses totaling \$38,530 payable to Pringle and Roemer, PLLC Trust Account on behalf of Cecil J. and Deborah A. Connor for the Martin Bluff Road Widening Project as presented; or
- 2) Not approve expenses totaling \$38,530 payable to Pringle and Roemer, PLLC Trust Account on behalf of Cecil J. and Deborah A. Connor for the Martin Bluff Road Widening Project.

There came for consideration of the Mayor and Members of the Council of the City of Gautier, Mississippi the following:

ORDINANCE NUMBER 241-2017

FLOOD DAMAGE PREVENTION ORDINANCE

ARTICLE 1. STATUTORY AUTHORIZATION, FINDINGS OF FACT, PURPOSE, AND OBJECTIVES.

SECTION A. STATUTORY AUTHORIZATION.

The Legislature of the state of Mississippi has in Title 17, Chapter 1, Mississippi Code of 1972 Annotated delegated the responsibility to local government units to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry. Therefore, the Mayor and City Council of the **City of Gautier** does hereby adopt the following floodplain management regulations.

SECTION B. FINDINGS OF FACT.

- (1) The City of Gautier is subject to periodic inundation, which results in loss of life and property, health and safety hazards, disruption of commerce and governmental services, extraordinary public expenditures for flood protection and relief, and impairment of the tax base, all of which adversely affect the public health, safety and general welfare.
- (2) These flood losses are caused by the cumulative effect of obstructions, both inside and outside the identified Special Flood Hazard Areas, causing increases in flood heights and velocities and by the occupancy in flood hazard areas by uses vulnerable to floods or hazardous to other lands which are inadequately elevated, floodproofed, or otherwise unprotected from flood damages.

SECTION C. STATEMENT OF PURPOSE.

It is the purpose of this ordinance to promote the public health, safety, and general welfare and to minimize public and private losses due to flood conditions in specific areas by provisions designed to:

- (1) Restrict or prohibit uses which are dangerous to health, safety, and property due to water or erosion hazards, which result in damaging increases in erosion or in flood heights or velocities;
- (2) Require that uses vulnerable to floods, including facilities which serve such uses, be protected against flood damage at the time of initial construction;
- (3) Control the alteration of natural floodplains, stream channels, and natural protective barriers which are involved in the accommodation of flood waters;
- (4) Control filling, grading, dredging, and other development which may increase erosion or flood damage, and;
- (5) Prevent or regulate the construction of flood barriers which will unnaturally divert floodwaters or which may increase flood hazards to other lands.

SECTION D. OBJECTIVES.

The objectives of this ordinance are:

- (1) To protect human life and health;
- (2) To minimize expenditure of public money for costly flood control projects;
- (3) To minimize the need for rescue and relief efforts associated with flooding and generally undertaken at the expense of the general public;
- (4) To minimize prolonged business interruptions;
- (5) To minimize damage to public facilities and utilities such as water and gas mains, electric, telephone and sewer lines, streets and bridges located in floodplains;
- (6) To help maintain a stable tax base by providing for the sound use and development of flood prone areas in such a manner as to minimize flood blight areas, and;
- (7) To ensure that potential homebuyers are notified that property is in a floodprone area.

SECTION E. METHODS OF REDUCING FLOOD LOSSES.

In order to accomplish its purposes, this ordinance includes methods and provisions for:

- (1) Restricting or prohibiting uses which are dangerous to health, safety, and property due to water or erosion hazards, or which result in damaging increases in erosion or in flood heights or velocities;
- (2) Requiring that uses vulnerable to floods, including facilities which serve such uses, be protected against flood damage at the time of initial construction;
- (3) Controlling the alteration of natural floodplains, stream channels, and natural protective barriers, which help accommodate or channel flood waters;
- (4) Controlling filling, grading, dredging, and other development which may increase flood damage, and;
- (5) Preventing or regulating the construction of flood barriers that will unnaturally divert floodwaters or may increase flood hazards in other areas.

ARTICLE 2. DEFINITIONS.

Unless specifically defined below, words or phrases used in this ordinance shall be interpreted so as to give them the meaning they have in common usage and to give this ordinance it's most reasonable application.

A Zone is the Area of Special Flood Hazard without base flood elevations determined.

AE Zone is the Area of Special Flood Hazard with base flood elevations determined.

Accessory structure (Appurtenant structure) means a structure, which is located on the same parcel of property as the principal structure and the use of which is incidental to the use of the principal structure. Accessory structures should constitute a minimal initial investment, may not be used for human habitation, and be designed to have minimal flood damage potential. Examples of accessory structures are detached garages, carports, storage sheds, pole barns, and hay sheds.

Addition (to an existing building) means any walled and roofed expansion to the perimeter or height of a building. Any addition shall be considered new construction. If the addition is more than 50% of the market value of the structure, then the addition and the existing structure are now new construction.

Appeal means a request for a review of the Floodplain Administrator's interpretation of any provision of this ordinance or a request for a variance.

Area of shallow flooding means a designated AO or AH Zone on the City of Gautier's Flood Insurance Rate Map (FIRM) with a 1 percent or greater annual chance of flooding to an average depth of one to three feet where a clearly defined channel does not exist, where the path of flooding is unpredictable and where velocity flow may be evident. Such flooding is characterized by ponding or sheet flow.

Area of special flood hazard is the land in the floodplain within a City of Gautier subject to a one percent or greater chance of flooding in any given year. This area is also referred to as the Special Flood Hazard Area (SFHA).

Base flood means the flood having a one percent chance of being equaled or exceeded in any given year (also called the "one percent chance flood").

Base Flood Elevation (BFE) is the elevation shown in the Flood Insurance Study (FIS) for Zones AE, AH, AR, AR/A, AR/AE, AR/AH, AR/AO, and VE that indicates the water surface elevation resulting from a flood that has a one percent or greater annual chance of being equaled or exceeded in any given year.

Basement means any portion of a building having its floor sub-grade (below ground level) on all sides.

Breakaway Wall means a wall that is not part of the structural support of the building and is intended through its design and construction to collapse under specific lateral loading forces without causing damage to the elevated portion of the building or the supporting foundation system.

Building see **Structure**.

Coastal A Zone means the portion of the SFHA landward of a V Zone or landward of an open coast without mapped V Zones, in which the principal sources of flooding are astronomical tides, storm surges, seiches, or tsunamis, not riverine sources. Coastal A Zones may be subject to wave effects, velocity flows, erosion, scour, or combinations of these forces.

Coastal AE Zone means the portion of the Special Flood Hazard Area (SFHA) landward of a Velocity (V) Zone or landward of an open coast or back-bay area without mapped V-Zones, in which the principle sources of flooding are astronomical tides, storm surges, seiches or tsunamis; not riverine sources. Coastal AE Zones may be subject to wave effects, velocity flows, erosion, scour or combinations of these forces and are treated as V Zones. All community-identified portions of the Special Flood Hazard Area (SFHA) between the landward limit of the 1.5-foot breaking wave and the V Zone boundary shall be treated in a regulatory sense as V Zones. Where no V Zone is mapped in back-bay areas, the Coastal AE Zone is the portion between shore and the landward limit of the 1.5-foot breaking wave.

Coastal High Hazard Area is an area of special flood hazard extending from offshore to the inland limit of the primary frontal dune along an open coast and any other area subject to high velocity wave action from storms or seismic sources. The area is designated on the FIRM as VE Zone.

Community means any State or area or political subdivision thereof, or any Indian tribe or authorized tribal organization or authorized native organization which has the authority to adopt and enforce floodplain regulations for the areas within its jurisdiction.

Community Floodplain Management Map means any map produced by the City of Gautier utilizing best available base flood elevation and floodway data that is from a federal, state, or other accepted technical source.

Community Rating System (CRS) is a program developed by the Federal Insurance Administration to provide incentives for those communities in the Regular Program that have gone beyond the minimum floodplain management requirements to develop extra measures to provide protection from flooding.

Community Flood Hazard Area (CFHA) is an area that has been determined by the Floodplain Administrator (or other delegated, designated, or qualified Community official) from available technical studies, historical

information, and other available and reliable sources, which may be subject to periodic inundation by floodwaters that can adversely affect the public health, safety and general welfare. This includes areas downstream from dams.

Critical facility (also called critical action) means facilities for which the effects of even a slight chance of flooding would be too great. The minimum floodplain of concern for critical facilities is the 0.2 percent chance flood level. Critical facilities include, but are not limited to facilities critical to the health and safety of the public such as: emergency operations centers, designated public shelters, schools, nursing homes, hospitals, police, fire and emergency response installations, vital data storage centers, power generation and water and other utilities (including related infrastructure such as principal points of utility systems) and installations which produce, use or store hazardous materials or hazardous waste (as defined under the Clean Water Act and other Federal statutes and regulations).

Dam is any artificial barrier, including appurtenant works, constructed to impound or divert water, waste water, liquid borne materials, or solids that may flow if saturated. All structures necessary to maintain the water level in an impoundment or to divert a stream from its course will be considered a dam.

Development means any man-made change to improved or unimproved real estate, including, but not limited to, buildings or other structures, mining, dredging, filling, grading, paving, excavating, drilling operations, or storage of materials or equipment.

Dry Floodproofing means any combination of structural and nonstructural additions, changes, or adjustments to structures, which reduce or eliminate flood damages to real estate or improved real estate property, water, and sanitary facilities, structures, and their contents. Structures shall be floodproofed with a minimum of 12 inches of freeboard (more is recommended) in relation to the base flood elevation. Dry floodproofing of a pre-FIRM residential structure that has not been substantially damaged or improved is allowed. Dry floodproofing of a post-FIRM residential building is not allowed. Non-residential structures may be dry floodproofed in all flood zones with the exception of the Coastal High Hazard Area or the Coastal AE Zone.

Elevated building means for insurance purposes, a non-basement building which has its lowest elevated floor raised above ground level by foundation walls, shear walls, posts, pilings, columns, or piers.

Elevation Certificate is a FEMA form used as a certified statement that verifies a building's elevation information.

Emergency Program means the first phase under which a Community participates in the NFIP. It is intended to provide a first layer amount of insurance coverage for all insurable buildings in that Community before the effective date of the initial FIRM.

Enclosures below the Lowest Floor see "Lowest Floor."

Encroachment means the advance or infringement of uses, plant growth, fill, excavation, buildings, structures or development into a floodplain, which may impede or alter the flow capacity of a floodplain.

Executive Order 11988 (Floodplain Management) this order requires that no federally assisted activities be conducted in or have the potential to affect identified Special Flood Hazard Areas, unless there is no practicable alternative.

Executive Order 11990 (Wetlands Protection) this order requires the avoidance of adverse impacts associated with the destruction or modification of wetlands.

Existing Construction means structures for which the "start of construction" commenced before July 1, 1986. Existing construction may also be referred to as existing structures.

Existing manufactured home park or subdivision means a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including, at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of

concrete pads) is completed before the effective date of the floodplain management regulations adopted by a City of Gautier.

Expansion to an existing manufactured home park or subdivision includes the preparation of additional sites by the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads).

Fill means a deposit of earthen materials placed by artificial means.

Five-Hundred Year Flood means the flood that has a 0.2 percent chance of being equaled or exceeded in any year. Areas subject to the 0.2 percent chance flood have a moderate risk of flooding.

Flood or flooding means:

A.) A general and temporary condition of partial or complete inundation of normally dry land areas from:

- 1.) The overflow of inland or tidal waters.
- 2.) The unusual and rapid accumulation or runoff of surface waters from any source.
- 3.) Mudslides (i.e. mudflows) which are proximately caused by flooding as defined in paragraph (A)(2) of this definition and are akin to a river of liquid and flowing mud on the surfaces of normally dry land areas, as when earth is carried by a current of water and deposited along the path of the current.

B.) The collapse or subsidence of land along the shore of a lake or other body of water as a result of erosion or undermining caused by waves or currents of water exceeding anticipated cyclical levels or suddenly caused by an unusually high water level in a natural body of water, accompanied by a severe storm, or by an unanticipated force of nature, such as flash flood or an abnormal tidal surge, or by some similarly unusual and unforeseeable event which results in flooding as defined in paragraph (A)(1) of this definition

Flood (insurance definition) means a general and temporary condition of partial or complete inundation of two or more acres of normally dry land areas or of two or more properties (e.g. a building and a public street) from (1) overflow of inland or tidal waters (2) unusual and rapid accumulation or runoff of surface waters (3) mudflows caused by flooding.

Flood Insurance Rate Map (FIRM) means an official map of a City of Gautier, on which FEMA has delineated both the areas of special flood hazard and the risk premium zones applicable to the City of Gautier.

Flood Insurance Study (FIS) is the document which provides an examination, evaluation, and determination of flood hazards and, if appropriate, corresponding water surface elevations, or an examination, evaluation, and determination of mudslide and/or flood-related erosion hazards.

Floodplain means any land area susceptible to being inundated by flood waters from any source.

Floodplain Administrator is the individual appointed to administer and enforce the floodplain management regulations.

Floodplain management means the operation of an overall program of corrective and preventive measures for reducing flood damage and preserving and enhancing, where possible, natural resources in the floodplain, including but not limited to emergency preparedness plans, flood control works, floodplain management regulations, and open space plans.

Floodplain management regulations means this ordinance and other zoning ordinances, subdivision regulations, building codes, health regulations, special purpose ordinances, and other applications of police power which control

development in flood-prone areas. This term describes federal, state, or local regulations in any combination thereof, which provide standards for preventing and reducing flood loss and damage.

Floodproofing Certificate is an official FEMA form used to certify compliance for non-residential structures in non Coastal High Hazard Areas as an alternative to elevating buildings to or above the base flood elevation.

Floodway *See Regulatory Floodway.*

Floodway fringe means that area of the special flood hazard area on either side of the regulatory floodway.

Flood Protection Elevation is the base flood elevation plus the City of Gautier freeboard. In areas where no base flood elevations exist from any authoritative source, the flood protection elevation can be historical flood elevations or base flood elevations determined and/or approved by the floodplain administrator plus freeboard.

Floor means the top surface of an enclosed area in a building (including basement), i.e., top of slab in concrete slab construction or top of wood flooring in wood frame construction. The term does not include the floor of a garage used solely for parking vehicles.

Freeboard means a factor of safety, usually expressed in feet above the BFE, which is applied for the purposes of floodplain management. "Freeboard" tends to compensate for the many unknown factors that could contribute to flood heights greater than the height calculated for a selected size flood and floodway conditions, such as wave action, bridge openings, and the hydrological effect of urbanization of the watershed.

Functionally dependent use means a use which cannot perform its intended purpose unless it is located or carried out in close proximity to water. The term includes only docking facilities, port facilities that are necessary for the loading and unloading of cargo or passengers, ship building and ship repair facilities. The term does not include long-term storage, manufacturing facilities, processing functions, sales, administrative functions, or service facilities.

Hardship (as related to variances of this ordinance) means the exceptional difficulty that would result from a failure to grant the requested variance. The City of Gautier requires that the variance is exceptional, unusual, and peculiar to the property involved. Mere economic or financial hardship alone is NOT exceptional. Inconvenience, aesthetic considerations, physical handicaps, personal preferences, or the disapproval of one's neighbors likewise cannot, as a rule, qualify as an exceptional hardship. All of these problems can be resolved through other means without granting a variance, even if the alternative is more expensive, or requires the property owner to build elsewhere or put the parcel to a different use than originally intended.

Hazard potential means the possible adverse incremental consequences that result from the release of water or stored contents due to failure of a dam or mis-operation of a dam or appurtenances. The hazard potential classification of a dam does not reflect in any way on the current condition of a dam and its appurtenant structures (e.g. safety, structural integrity, and flood routing capacity).

Highest adjacent grade means the highest natural elevation of the ground surface prior to construction next to the proposed walls of a building.

Historic Structure means any structure that is:

- a.) Listed individually in the National Register of Historic Places (a listing maintained by the Department of Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;
- b.) Certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;
- c.) Individually listed on the State of Mississippi inventory of historic structures, or;

- d.) Individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified by an approved state program as determined by the Secretary of the Interior.

Hydrologic and hydraulic engineering analyses means the analyses performed by a professional engineer, registered in the state of Mississippi, in accordance with standard engineering practices as accepted by FEMA, used to determine flood elevations and /or floodway boundaries.

Increased Cost of Compliance (ICC) coverage means under the standard flood insurance policy the cost to repair a substantially flood damaged building that exceeds the minimal repair cost and that is required to bring a substantially damaged building into compliance with the local flood damage prevention ordinance. Acceptable mitigation measures are floodproofing (nonresidential), relocation, elevation, demolition, or any combination thereof. All renewal and new policies with effective dates on or after June 1, 1997, include ICC coverage.

Letter of Map Change (LOMC) is an official FEMA determination, by letter, to amend or revise effective Flood Insurance Rate Maps, Flood Boundary and Floodway Maps, and Flood Insurance Studies.

Letter of Map Amendment (LOMA)

An amendment based on technical data showing that a property was incorrectly included in a designated SFHA, was not elevated by fill (only by a natural grade elevation), and will not be inundated by the one percent chance flood. A LOMA amends the current effective FIRM and establishes that a specific property is not located in a SFHA.

Letter of Map Revision (LOMR)

A revision based on technical data that, usually due to manmade changes, shows changes to flood zones, flood elevations, floodplain and floodway delineations, and planimetric features. One common type of LOMR, a LOMR-F, is a determination concerning whether a structure or parcel has been elevated by fill above the BFE and is, therefore, excluded from the SFHA.

Conditional Letter of Map Revision (CLOMR)

A formal review and comment by FEMA as to whether a proposed project complies with the minimum NFIP floodplain management criteria. A CLOMR does not revise effective Flood Insurance Rate Maps, Flood Boundary and Floodway Maps, or Flood Insurance Studies.

Levee means a man-made structure; usually earthen embankment. Designed and constructed in accordance with sound engineering practices to contain, control, or divert the flow of water so as to provide protection from temporary flooding.

Levee system means a flood protection system which consists of a levee, or levees, and associated structures, such as closure and drainage devices, which are constructed and operated in accordance with sound engineering practices.

Limit of Moderate Wave Action (LiMWA) is the limit of the AE Zone category area exposed to wave attack from waves greater than 1.5 feet during the base (one percent chance) flood on open coastal and inland areas exposed to erosion and wave propagation.

Lowest adjacent grade means the elevation of the sidewalk, or patio slab immediately next to the building or basement entryway immediately next to the structure. It does not include earth that is placed for aesthetic or landscape reasons around a foundation wall.

Lowest floor means the lowest floor of the lowest enclosed area (including basement). An unfinished or flood resistant enclosure, usable solely for parking of vehicles, building access, or storage - in an area other than a basement area, is not considered a building's lowest floor, provided that such enclosure is not built so as to render the structure in violation of the applicable non-elevation provisions of this code.

Manufactured home (44 CFR 59.1 definition / FEMA) means a structure, transportable in one or more sections, which is built on a permanent chassis and is designed for use with or without a permanent foundation when attached to the required utilities. The term “manufactured home” does not include a “recreational vehicle.”

Manufactured home park or subdivision means a parcel (or contiguous parcels) of land divided into two or more manufactured home lots for rent or sale.

Map Amendment means a change to an effective NFIP map that results in the exclusion from the SFHA or an individual structure or a legally described parcel of land that has been inadvertently included in the SFHA (i.e., no alterations of topography have occurred since the date of the first NFIP map that showed the structure or parcel to be within the SFHA).

Map Panel Number means the four-digit number followed by a letter suffix assigned by FEMA on a FIRM. The first four digits represent the map panel, and the letter suffix represents the number of times the map panel has been revised.

Market value means the property value (as agreed between a willing buyer and seller); excluding the value of land as established by what the local real estate market will bear. Market value can be established by independent certified appraisal; replacement cost depreciated by age of building (Actual Cash Value); or adjusted assessed values.

Mean Sea Level means, for the purposes of the National Flood Insurance Program, the National Geodetic Vertical Datum (NGVD) of 1929, North American Vertical Datum (NAVD) of 1988, or other datum, to which base flood elevations shown on a City of Gautier’s Flood Insurance Rate Map (FIRM) are referenced.

National Flood Insurance Program (NFIP) is the federal program that makes flood insurance available to owners of property in participating communities nationwide through the cooperative efforts of the Federal Government and the private insurance industry.

National Geodetic Vertical Datum (NGVD) means a vertical control, corrected in 1929, used as a reference for establishing varying elevations within the floodplain.

New Construction means a structure for which the start of construction commenced on or after the effective date of a floodplain management regulation adopted by a City of Gautier and includes any subsequent improvements to such structure or the addition. This would include any additions to an existing structure.

New manufactured home park or subdivision means a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed on or after the effective date of floodplain regulations adopted by a City of Gautier.

Non-Residential means, but is not limited to; small business concerns, churches, schools, farm buildings (including grain bins and silos), poolhouses, clubhouses, recreational buildings, mercantile structures, agricultural and industrial structures, warehouses, and hotels and motels with normal room rentals for less than 6 months duration.

North American Vertical Datum (NAVD) of 1988 means a vertical control, corrected in 1988, used as a reference for establishing varying elevations within the floodplain.

Obstruction means, but is not limited to, any dam, wall, wharf, embankment, levee, dike, pile, abutment, protection, excavation, channel construction, bridge, culvert, building, wire, fence, rock, gravel, refuse, fill, structure, vegetation or other material in, along, across or projecting into any watercourse which may alter, impede, retard or change the direction and/or velocity of the flow of water, or due to its location, its propensity to snare or collect debris carried by the flow of water, or its likelihood of being carried downstream.

One Percent Flood (aka 100-Year Flood) is the flood that has a one percent chance of being equaled or exceeded in any given year. Any flood zone that begins with the letter A or V is subject to inundation by the one percent chance flood. Over the life of a 30-year loan, there is a 26-percent chance of experiencing such a flood within the SFHA.

Participating Community is any community that voluntarily elects to participate in the NFIP by adopting and enforcing floodplain management regulations that are consistent with the standards of the NFIP.

Post-FIRM Construction means new construction and substantial improvements for which start of construction occurred after December 31, 1974, or on or after the effective date of the initial FIRM of the City of Gautier, whichever is later.

Pre-FIRM Construction means new construction and substantial improvements for which start of construction occurred on or before December 31, 1974, or before the effective date of the initial FIRM of the City of Gautier, whichever is later.

Probation is a means of FEMA formally notifying participating communities of the first of the two NFIP sanctions due to their failure to correct violations and deficiencies in the administration and enforcement of the local floodplain management regulations.

Public safety and nuisance means anything which is injurious to the safety or health of an entire City of Gautier or neighborhood, or any considerable number of persons, or unlawfully obstructs the free passage or use, in the customary manner, of any navigable lake, or river, bay, stream, canal, or basin.

Recreational vehicle means a vehicle that is:

- a.) Licensed and titled as an RV or park model (not a permanent residence);
- b.) Built on a single chassis;
- c.) 400 square feet or less when measured at the largest horizontal projection;
- d.) Has no attached deck, porch, or shed;
- e.) Has quick-disconnect sewage, water, and electrical connectors;
- f.) Designed to be self-propelled or permanently towable by a light duty truck, and;
- g.) Designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel, or seasonal use.

Regular Program means the second phase of the community's participation in the NFIP in which second layer coverage is available based upon risk premium rates only after FEMA has completed a risk study for the City of Gautier.

Regulatory floodway means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without cumulatively increasing the water surface elevation more than one foot.

Repair means the reconstruction or renewal of any part of an existing building for which the start of construction commenced on or after the effective date of a floodplain management regulation adopted by a City of Gautier and all such regulations effective at the time of permitting must be met.

Repetitive Loss means flood-related damages sustained by a structure on two separate occasions during a 10-year period for which the cost of repairs at the time of each such flood event, on the average, equals or exceeds 25 percent of the market value of the structure before the damage occurred.

Repetitive Loss Property is any insurable building for which two or more claims of more than \$1,000 were paid by the National Flood Insurance Program (NFIP) within any rolling 10-year period, since 1978. At least two of the claims must be more than ten days apart but, within ten years of each other. A RL property may or may not be currently insured by the NFIP.

Section 1316 means that section of the National Flood Insurance Act of 1968, as amended, which states that no new flood insurance coverage shall be provided for any property that FEMA finds has been declared by a duly constituted state or local zoning authority or other authorized public body to be in violation of state or local laws, regulations, or ordinances that are intended to discourage or otherwise restrict land development or occupancy in flood-prone areas.

Severe Repetitive Loss Structure means any insured property that has met at least one of the following paid flood loss criteria since 1978, regardless of ownership:

1. Four or more separate claim payments of more than \$5,000 each (including building and contents payments); or
2. Two or more separate claim payments (building payments only) where the total of the payments exceeds the current market value of the property.

In either case, two of the claim payments must have occurred within ten years of each other. Multiple losses at the same location within ten days of each other are counted as one loss, with the payment amounts added together.

Special flood hazard area (SFHA) is the land in the floodplain within a City of Gautier subject to a 1 percent or greater chance of flooding in any given year as shown on a FHBM or FIRM as Zones A, AE, AH, AO, AR, AR/AE, AR/AO, AR/AH, AR/A, A99, or VE.

Start of construction (for other than new construction or substantial improvements under the Coastal Barrier Resources Act P. L. 97-348), includes substantial improvement, and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, rehabilitation, addition placement or improvement was within 180 days of the permit date. The actual start means the first placement of permanent construction of a building on a site, such as the pouring of slabs or footings, the installation of piles, the construction of columns, or any work beyond the stage of excavation or the placement of a manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading and filling; nor does it include the installation of streets and/or walkways; nor does it include excavation for a basement, footings, piers or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or not part of the main building. For substantial improvement, the actual start of construction means the first alteration of any wall, ceiling, floor, or other structural part of a building, whether or not that alteration affects the external dimensions of the building.

Structure (for floodplain management purposes), means a walled and roofed building, including a gas or liquid storage tank that is principally above ground, as well as a manufactured home.

Structure (for insurance purposes), means a building with two or more outside rigid walls and a fully secured roof, that is affixed to a permanent site; a manufactured home built on a permanent chassis, transported to it site in one or more sections, and affixed to a permanent foundation; or a travel trailer without wheels, built on a chassis and affixed to a permanent foundation, that is regulated under the City of Gautier's floodplain management and building ordinances or laws. The term does not include a recreational vehicle or a park trailer or other similar vehicle, except as described in the last part of this definition, or a gas, or a liquid storage tank.

Subrogation means an action brought by FEMA when flood damages have occurred, a flood insurance claim has been paid, and all or part of the damage can be attributed to acts or omissions by a City of Gautier or other third party.

Substantial Damage means damage of any origin sustained by a structure whereby the cost of restoring the structure to before damaged condition would equal or exceed 50 percent of the market value of the structure before

the damage occurred. Substantial damage also means flood-related damages sustained by a structure on two separate occasions during a 10-year period for which the cost of repairs at the time of each flood event, on the average, equals or exceeds 25 percent of the market value of the structure before the damage occurred

Substantial Improvement means any combination of reconstruction, rehabilitation, addition or other improvement of a structure taking place during a 10 year period in which the cumulative percentage of improvement equals or exceeds 50 percent of the market value of the structure before the “start of construction” of the improvement. This term includes structures which have incurred repetitive loss or substantial damage, regardless of the actual repair work performed.

The term does not apply to:

- a.) Any project for improvement of a building required to correct existing violations of state or local existing health, sanitary, or safety code specifications which have been identified by the local code enforcement official and which are minimum necessary to assure safe living conditions, provided that said code deficiencies were not caused by neglect or lack of maintenance on the part of the current or previous owners or;
- b.) Any alteration of a “historic structure” provided that the alteration will not preclude the structure’s continued designation as a “historic structure.”

Substantially improved existing manufactured home parks or subdivisions means manufactured home parks or subdivisions where the repair, reconstruction, rehabilitation or improvement of the streets, utilities and pads equals or exceeds 50 percent of the value of the streets, utilities and pads before the repair, reconstruction or improvement commenced.

Suspension means the removal, with or without probation, of a participating Community from the NFIP because the Community failed to adopt and enforce the compliant floodplain management regulations required for participation in the NFIP.

VE Zone see “Coastal High Hazard Area”

Variance is a grant of relief by the City of Gautier from the terms of floodplain management regulations.

Violation means the failure of a structure or other development to be fully compliant with the City of Gautier’s floodplain management regulations. A structure or other development without the elevation certificate, other certifications, or other evidence of compliance required in the City of Gautier’s floodplain management regulations is presumed to be in violation until such time as that documentation is provided.

Watercourse means any flowing body of water including a river, creek, stream, or a branch.

Water surface elevation means the height, in relation to the National Geodetic Vertical Datum (NGVD) of 1929, the North American Vertical Datum (NAVD) of 1988, (or other datum, where specified) of floods of various magnitudes and frequencies in the floodplains of coastal or riverine areas.

Wet floodproofing means a method of construction which allows water to enter a structure in such a way that will minimize damage to the structure and its contents. Wet floodproofing is appropriate for functionally dependent use and uses that facilitate open space use by variance only, structures utilized for parking or limited storage, or when all other techniques are not technically feasible. Wet floodproofing shall not be utilized as a method to satisfy the requirements of this ordinance for bringing substantially damaged or improved structures into compliance. Wet floodproofing is not allowed in lieu of complying with the lowest floor elevation requirements for new residential buildings.

X Zones (shaded) are areas of 0.2 percent chance flood that are outside of the SFHA subject to the one percent chance flood with average depths of less than one foot, or with contributing drainage area less than one square mile and areas protected by certified levees from the base flood.

X Zones (unshaded) are areas determined to be outside the 0.2 percent chance floodplain.

Zone means a geographical area shown on a Flood Hazard Boundary Map or a Flood Insurance Rate Map that reflects the severity or type of flooding in the area.

ARTICLE 3. GENERAL PROVISIONS.

SECTION A. LANDS TO WHICH THIS ORDINANCE APPLIES.

This ordinance shall apply to all areas of special flood hazard (SFHA) areas within the jurisdiction of City of Gautier.

SECTION B. BASIS FOR ESTABLISHING THE AREAS OF SPECIAL FLOOD HAZARD.

The areas of special flood hazard identified by the Federal Emergency Management Agency in the current scientific and engineering report entitled "The Flood Insurance Study (FIS) for Jackson County, Mississippi and Incorporated Areas", dated 12/21/2017 with accompanying Flood Insurance Rate Maps (FIRM)

28059C0304G	3/16/2009	28059C0307G	3/16/2009
28059C0308	3/16/2009	28059C0309G	3/16/2009
28059C0312G	3/16/2009	28059C0313G	3/16/2009
28059C0314G	3/16/2009	28059C0316G	3/16/2009
28059C0317G	3/16/2009	28059C0318G	3/16/2009
28059C0319G	3/16/2009	28059C0330G	3/16/2009
28059C0336G	3/16/2009	28059C0338G	3/16/2009
28059C0405G	3/16/2009	28059C0406G,	3/16/2009
28059C0407G	3/16/2009	28059C0426G	3/16/2009
28059C0303H	12/21/2017	28059C0304H	12/21/2017

and other supporting data are adopted by reference and declared to be part of this ordinance. The Flood Insurance Study and maps are on file at the Gautier Municipal Building, 3330 Highway 90, Gautier, Mississippi.

SECTION C. ESTABLISHMENT OF FLOODPLAIN DEVELOPMENT PERMIT.

A development permit shall be required in conformance with the provision of this ordinance prior to the commencement of any development activities in identified areas of special flood hazard within the City of Gautier.

SECTION D. COMPLIANCE.

No structure or land shall hereafter be located, extended, converted or structurally altered without full compliance with the terms of this ordinance and other applicable regulations.

SECTION E. ABROGATION AND GREATER RESTRICTIONS.

This ordinance is not intended to repeal, abrogate, or impair any existing easements, covenants, or deed restrictions. However, where this ordinance and another conflict or overlap, whichever imposes the more stringent restrictions shall prevail.

SECTION F. INTERPRETATION.

In the interpretation and application of this ordinance all provisions shall be:

- (1) Considered as minimum requirements;

- (2) Liberally construed in favor of the governing body, and;
- (3) Deemed neither to limit nor repeal any other powers granted under state statutes.

SECTION G. WARNING AND DISCLAIMER OF LIABILITY.

The degree of flood protection required by this ordinance is considered reasonable for regulatory purposes and is based on scientific and engineering consideration. Larger floods can and will occur on rare occasions. Flood heights may be increased by man-made or natural causes. This ordinance does not imply that land outside the areas of special flood hazard or uses permitted within such areas will be free from flooding or flood damages. This ordinance shall not create liability on the part of the city or by any officer or employee of the City of Gautier or by any officer or employee thereof for any flood damages that result from reliance on this ordinance or any administrative decision lawfully made hereunder.

SECTION H. ENFORCEMENT, PENALTIES, AND VIOLATIONS.

Civil penalties. Violation of the provisions of this ordinance or failure to comply with any of its requirements, including violation of conditions and safeguards established in connection with grants of variance or special exceptions, shall constitute a misdemeanor. Any person who violates this ordinance or fails to comply with any of its requirements shall, upon conviction thereof, be fined not more than \$1,000 or imprisoned for not more than 90 days, or both, and in addition, shall pay all costs and expenses involved in the case. Each day such violation continues shall be considered a separate offense. Nothing herein contained shall prevent the Floodplain Administrator from taking such other lawful actions as are necessary to prevent or remedy any violation.

ARTICLE 4. ADMINISTRATION.

SECTION A. DESIGNATION OF FLOOD DAMAGE PREVENTION ORDINANCE ADMINISTRATOR.

The City of Gautier hereby appoints the Building Official to administer and implement the provisions of this ordinance and is herein referred to as the Floodplain Administrator and/or the administrator.

SECTION B. PERMIT PROCEDURES.

Application for a Development Permit shall be made to the Floodplain Administrator on forms furnished by him or her prior to any development activities, and may include, but not be limited to, the following: plans in duplicate drawn to scale showing the nature, location, dimensions, and elevations of the area in question; existing or proposed structures, earthen fill, storage of materials or equipment, drainage facilities, and the location of the foregoing. Specifically, the following information is required:

- (1) Application Stage.
 - a.) Elevation in relation to mean sea level of the proposed lowest floor (including basement) of all buildings, which will be submitted on a FEMA Elevation Certificate by a state of Mississippi registered engineer or surveyor;
 - b.) Elevation in relation to mean sea level to which any non-residential building in an A Zone will be floodproofed;
 - c.) Certificate from a state of Mississippi registered professional engineer or architect that the non-residential flood-proofed building will meet the floodproofing criteria in Article 4, Section B (2), Article 5, Section B (2);

- d.) Description of the extent to which any watercourse will be altered or relocated as result of proposed development.

(2) Finished Construction:

Upon completion of construction, a FEMA elevation certificate which depicts all finished construction elevations is required to be submitted to the Floodplain Administrator. If the project includes a floodproofing measure, a FEMA floodproofing certificate is required to be submitted by the permit holder to the Floodplain Administrator. Along with the floodproofing certificate an operation and maintenance plan must be provided.

SECTION C. POWERS, DUTIES, AND RESPONSIBILITIES OF THE FLOODPLAIN ADMINISTRATOR.

The Floodplain Administrator and his or her designated staff is hereby authorized and directed to enforce the provisions of this ordinance. The Administrator is further authorized to render interpretations of this ordinance, which are consistent with its spirit and purpose.

(1) Right of Entry

- a.) Whenever necessary to make an inspection to enforce any of the provisions of this ordinance, or whenever the Administrator has reasonable cause to believe that there exists in any building or upon any premises any condition or ordinance violation which makes such building, structure or premises unsafe, dangerous or hazardous, the Administrator may enter such building, structure or premises at all reasonable times to inspect the same or perform any duty imposed upon the Administrator by this ordinance.
- b.) If such building or premises are occupied, the Administrator shall first present proper credentials and request entry. If such building, structure, or premises are unoccupied, he shall first make a reasonable effort to locate the owner or other persons having charge or control of such building or premises.
- c.) If entry is refused, the Administrator shall have recourse to every remedy provided by law to secure entry.
- d.) When the Administrator shall have first obtained a proper inspection warrant or other remedy provided by law to secure entry, no owner or occupant or any other persons having charge, care or control of any building, structure, or premises shall fail or neglect, after proper request is made as herein provided, to promptly permit entry therein by the Administrator for the purpose of inspection and examination pursuant to this ordinance.

(2) Stop Work Orders

- a.) Upon notice from the Administrator, work on any building, structure or premises that is being performed contrary to the provisions of this ordinance shall immediately cease. Such notice shall be in writing and shall be given to the owner of the property, or to his or her agent, or to the person doing the work, and shall state the conditions under which work may be resumed.

(3) Revocation of Permits

- a.) The Administrator may revoke a permit or approval, issued under the provisions of this ordinance, in case there has been any false statement or misrepresentation as to the material fact in the application or plans on which the permit or approval was based.

- b.) The Administrator may revoke a permit upon determination that the construction, erection, alteration, repair, moving, demolition, installation, or replacement of the structure for which the permit was issued is in violation of, or not in conformity with, the provisions of this ordinance.

Duties of the administrator shall include, but not be limited to:

- (1) Review all development permits to assure that the permit requirements of this ordinance have been satisfied.
- (2) Review proposed development to assure that all necessary permits have been received from those governmental agencies from which approval is required by Federal or State law, including section 404 of the Federal Water Pollution Control Act Amendments of 1972, 33 U.S.C. 1334. Additionally, require the permittee to obtain and submit copies of any required federal or state permits and maintain them on file with the development permit.
- (3) Perform a minimum of three inspections to ensure that all applicable ordinance and floodplain development requirements have been satisfied. The first inspection upon the establishment of the Base Flood Elevation reference mark at the development site; the second upon the establishment of the structure's footprint prior to pouring the slab or the establishment of the lowest floor in an elevated foundation system; and the final inspection upon completion and submission of the required finished construction elevation certificate.
- (4) Verify any required setback distances.
- (5) Verify that all placement of fill or grading is according to certified plans. Assure that any fill being used as part of the structure's foundation system (not allowed in a CHHA) is both clean material and properly compacted and placed. A professional certification that any structure built on fill is reasonably safe from flooding can be requested of the builder/developer.
- (6) Verify adequate placement and size of any required flood vents in regard to the number of openings, their location, size, and height above ground level.
- (7) Ensure that a crawlspace has adequate vents or openings and that the interior grade is at or above the exterior grade.
- (8) Verify that the structure's utilities, duct work, and HVAC systems are to or above the base flood elevation.
- (9) Notify adjacent communities, the NFIP State Coordinator, and other federal and/or state agencies with statutory or regulatory authority prior to any alteration or relocation of a watercourse.
- (10) Assure that maintenance is provided within the altered or relocated portion of said watercourse so that the flood-carrying capacity is maintained.
- (11) Verify and record the actual elevation (in relation to mean sea level) of the lowest floor (including basement) of all new construction and substantially improved buildings, in accordance with Article 4, Section B (2). Information must be recorded on the FEMA Elevation Certificate.
- (12) Verify and record the actual elevation (in relation to mean sea level) to which the new construction and substantially improved buildings has been floodproofed, in accordance with Article 4, Section B (2). Information must be recorded on the FEMA Floodproofing Certificate for Non-Residential Structures and review the operations and maintenance plan.
- (13) Review certified plans and specifications for compliance.
- (14) Make the necessary interpretation where interpretation is needed as to the exact location of boundaries of the areas of special flood hazard (for example, where there appears to be a conflict between a mapped

boundary and actual field conditions). The person contesting the location of the boundary shall be given a reasonable opportunity to appeal the interpretation as provided in this Article.

- (15) Obtain, review and reasonably utilize any base flood elevation and floodway data available from a federal, state or other source when base flood elevation data or floodway data have not been provided in accordance with Article 3, Section B, in order to administer the provisions of Article 5.
- (16) Provide information, testimony, or other evidence, as needed during variance request hearings.
- (17) Conduct the following actions when damage occurs to a building or buildings:
 - a.) Determine whether damaged structures are located within the Special Flood Hazard Area;
 - b.) Conduct damage assessments for those damaged structures located in the SFHA, and;
 - c.) Make a reasonable attempt to notify owner(s) of damaged structure(s) of the requirement to obtain a building permit / floodplain development permit prior to repair, rehabilitation, or reconstruction.
- (18) Perform such other inspections as may be required to insure compliance with the other provisions of this ordinance.
- (19) Required to keep all development permit records in perpetuity.

ARTICLE 5. PROVISIONS FOR FLOOD HAZARD REDUCTION.

SECTION A. GENERAL STANDARDS FOR ALL ZONES.

In all areas of special flood hazard the following provisions are required:

- (1) New construction and substantial improvements shall be anchored to prevent flotation, collapse and lateral movement of the structure.
- (2) Manufactured homes shall be anchored to prevent flotation, collapse, and lateral movement. Methods of anchoring may include, but are not limited to, use of over-the-top or frame ties to ground anchors. Dry stacked blocks (stacked without the use of mortar or cement to bond them together) are not to be used as an anchor/elevation method. This standard shall be in addition to and consistent with applicable state requirements for resisting wind forces.
- (3) New construction and substantial improvements shall be constructed with materials and utility equipment resistant to flood damage.
- (4) New construction or substantial improvements shall be constructed by methods and practices that minimize flood damage.
- (5) Electrical, heating, ventilation, plumbing, air conditioning equipment and other service facilities shall be designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding, such facilities shall be located a minimum of two (2) feet above the Base Flood Elevation.
- (6) New and replacement water supply systems shall be designed to minimize or eliminate infiltration of flood waters into the system.
- (7) New and replacement sanitary sewage systems shall be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters.

- (8) On-site waste disposal systems shall be located and constructed to avoid impairment to them or contamination from them during flooding.
- (9) Any alteration, repair, reconstruction or improvements to a building that is in compliance with the provisions of this ordinance shall meet the requirements of “new construction” as contained in this ordinance.
- (10) Any alteration, repair, reconstruction or improvements to a building that is not in compliance with the provisions of this ordinance, shall be undertaken only if said non-conformity shall meet the requirements of “new construction” as contained in this ordinance.
- (11) All gas and liquid storage tanks (both above and below ground) shall be adequately anchored to prevent floatation, lateral movement resulting from hydrodynamic forces, and the effects of buoyancy.
- (12) When new construction and substantial improvements are located in multiple flood zones or in a flood zone with multiple base flood elevations, they shall meet the requirement for the more stringent flood zone and the highest base flood elevation.

SECTION B. SPECIFIC STANDARDS FOR RIVERINE ZONES.

In all areas of special flood hazard designated on the City of Gautier’s FIRM, where base flood elevation data have been provided (excluding CHHA and Coastal AE Zone), as set forth in Article 3, Section B, the following provisions, in addition to the standards of Article 5, Section A, are required:

- (1) Residential Construction. New construction and substantial improvement of any residential building (including manufactured home) shall have the lowest floor, including basement, elevated to two (2) feet above the base flood elevation. Should solid foundation perimeter walls be used to elevate a structure, flood openings sufficient to automatically equalize hydrostatic flood forces on exterior walls of enclosures that are subject to flooding, shall be provided in accordance with standards of Article 5, Section B (4).
- (2) Non-Residential Construction. New construction and substantial improvement of any commercial, industrial, or non-residential building (including manufactured building) shall have the lowest floor, including basement, elevated to two (2) feet above the base flood elevation. Buildings located in all A Zones may, together with attendant utility and sanitary facilities, be floodproofed in lieu of being elevated provided that all areas of the building below the base flood elevation + two (2) foot freeboard are water tight with walls substantially impermeable to the passage of water, and use structural components having the capability of resisting hydrostatic and hydrodynamic loads and the effect of buoyancy. Dry floodproofing is allowed only where flood velocities are less than or equal to five feet per second. A registered professional engineer or architect shall certify that the standards of this subsection are satisfied. A Flood Emergency Operation Plan and an Inspection and Maintenance Plan must be provided by the design professional for the building. Such certification shall be provided to the Floodplain Administrator.
- (3) In special flood hazard areas with base flood elevations (AE Zones) but without floodways, no encroachments, including fill material or structures, shall be permitted unless certification by a registered professional engineer is provided demonstrating that the cumulative effect of the proposed development, when combined with all other existing and anticipated development, will not increase the water surface elevation of the base flood more than one foot at any point within the City of Gautier. The engineering certification must be supported by technical data that conforms to standard hydraulic engineering principles.
- (4) Enclosures. New construction and substantial improvements that include fully enclosed areas formed by foundation and other exterior walls below the lowest floor shall be designed to preclude finished living space and designed to allow for the entry and exit of floodwaters to automatically equalize hydrostatic flood forces on exterior walls. Enclosed areas, including crawl spaces, shall be used solely for parking of vehicles, building access, and storage.

- a.) Designs for complying with this requirement must either be certified by a professional engineer or architect or meet or exceed the following criteria:
 - (i) Provide a minimum of two openings, on different sides of each enclosed area; if a structure has more than one enclosed area below the base flood elevation, each shall have openings on exterior walls;
 - (ii) The total net area of all openings shall be at least one square inch for each square foot of enclosed area, or the openings shall be designed and the construction documents shall include a statement that the design and installation will provide for equalization of hydrostatic flood forces on exterior walls by allowing for the automatic entry and exit of floodwaters;
 - (iii) The bottom of all openings shall be no higher than one foot above interior grade (which must be equal to in elevation or higher than the exterior grade);
 - (iv) Openings may be equipped with screens, louvers, valves or other coverings or devices provided they permit the automatic flow of floodwaters in both directions and automatically equalize hydrostatic flood loads on exterior walls, and;
 - b.) Access to the enclosed area shall be minimum necessary to allow for parking of vehicles (garage door) or limited storage of maintenance equipment used in connection with the premises (standard exterior door) or entry to the living area (stairway or elevator); and,
 - c.) The interior portion of such enclosed area shall not be finished or partitioned into separate rooms.
- (5) Detached storage buildings, sheds, or other like accessory improvements, shall solely be used for parking of vehicles and storage. Such storage space shall not be used for human habitation and shall be limited to storage of items that can withstand exposure to the elements and have low flood damage potential. The storage space shall be constructed of flood resistant or breakaway materials, and equipment and service utilities, such as electrical outlets, shall be limited to essential lighting and other incidental uses, and must be elevated or floodproofed. Flood openings in accordance with the standards of Article 5 Section B (4) shall also be required. These accessory structures shall be constructed and placed on the building site so as to offer the minimum resistance to the flow of floodwaters. Accessory improvements and other appurtenant structures shall be firmly anchored to prevent flotation, collapse and lateral movement that may result in damage to other structures. Development permit for such structures shall require the following information but not limited to: \$5,000.00 and 500 square feet.
- (6) Standards for Manufactured Homes and Recreational Vehicles.
- a.) All manufactured homes placed, or substantially improved, on individual lots or parcels, in existing manufactured home parks or subdivisions, in expansions to existing manufactured home parks or subdivisions, in new manufactured home parks or subdivisions or in substantially improved manufactured home parks or subdivisions, must meet all the requirements for new construction, including elevation and anchoring and the flood openings requirements of Article 5, Section B (4). Manufactured homes must be:
 - (i) Elevated on a permanent foundation to have its lowest floor elevated to two (2) feet above the base flood elevation, and;
 - (ii) Securely anchored to an adequately anchored foundation system to resist flotation, collapse, and lateral movement.
 - b.) All recreational vehicles placed on sites must either:
 - (i) Be on site for fewer than 180 consecutive days and;
 - (ii) Be fully licensed and ready for highway use, or

- (iii) Must meet all the requirements for new construction, including anchoring and elevation requirements of this Article 5, Section B (6) (a) or Article 5, Section B (6) (b) (i) above.

A recreational vehicle is ready for highway use if it is licensed and insured in accordance with the state of Mississippi motor vehicle regulations, is on its wheels or jacking system, is attached to the site only by quick disconnect type utilities and security devices and has no permanently attached additions.

- (7) Floodways. Located within areas of special flood hazard adopted by reference in Article 3, Section B, are areas designated as floodways. Since the floodway is an extremely hazardous area due to the velocity and depth of flood waters which carry debris, potential projectiles and has erosion potential, the following provisions shall apply:
 - a.) Prohibit encroachments, including fill, new construction, substantial improvements, and other developments unless certification (with supporting technical data) by a registered professional engineer is provided demonstrating that encroachments shall not result in any increase in flood levels during occurrence of the base flood discharge;
 - b.) If Article 5, Section B (7) (a) above is satisfied, all new construction and substantial improvements shall comply with all applicable flood damage prevention standards of Article 5.
 - c.) Prohibit the placement of manufactured homes (mobile homes), except in an existing manufactured homes (mobile homes) park or subdivision. A replacement manufactured home may be placed on a lot in an existing manufactured home park or subdivision provided the anchoring standards of Article 5, Section A (2), and the standards of Article 5, and the encroachment standards of this Article 5, Section B (6) (a), are met.

SECTION C. STANDARDS FOR STREAMS WITHOUT BASE FLOOD ELEVATIONS AND FLOODWAYS.

When base flood elevation data and floodway data are not available in accordance with Article 3, Section A, in Special Flood Hazard Areas without base flood elevation data, new construction and substantial improvements shall be elevated or floodproofed to elevations established by the City of Gautier. The following provisions in addition to the standards of Article 5 Section A and the enclosure standards of Article 5 Section B (4) shall apply:

- (1) Require that all new subdivision proposals and other proposed developments (including proposals for manufactured home parks and subdivisions) greater than five lots or five acres, whichever is lesser, include within such proposals base flood elevation data;
- (2) The Floodplain Administrator shall obtain, review, and reasonably utilize any base flood elevation and floodway data available from a federal, state, or other source, in order to administer the provisions of Article 5. When such data are available, standards of Article 5, Section B, shall apply. If data is not available from Article 5 Section C (1) or outside sources, then the following provisions shall apply.
- (3) No encroachments, including fill material or other development, shall be located within a distance of the stream bank equal to five times the width of the stream at the top of the bank or twenty feet each side from the top of the bank, whichever is greater, unless certification by a registered professional engineer is provided demonstrating that such encroachment shall not result in any increase in flood levels during the occurrence of the base flood discharge. The enclosure standards of Article 5, Section B (4) shall apply.
- (4) The Floodplain Administrator shall require that a single lot applicant develop the base flood elevation for the development site, utilizing accepted engineering practices and procedures. Upon review of the submitted data, the Administrator may accept or reject the proposed base flood elevation. When such data is accepted, standards of Article 5, Section B, shall apply. .

- (5) Notify, in riverine situations, adjacent communities and the State Coordinating Office prior to any alteration or relocation of a watercourse, and submit copies of such notifications to FEMA. Assure that the flood carrying capacity within the altered or relocated portion of any watercourse is maintained.
- (6) Require that all manufactured homes be placed or installed using methods and practices which minimize flood damage. Manufactured homes must be elevated and anchored to resist flotation, collapse, or lateral movement. Dry stacked blocks (stacked without the use of mortar or cement to bond them together) are not allowed within the Special Flood Hazard Area.

SECTION D. STANDARDS FOR SUBDIVISION PROPOSALS AND OTHER PROPOSED DEVELOPMENT.

- (1) All subdivision and other development proposals shall be consistent with the need to minimize flood damage;
- (2) All subdivision proposals and other development shall have public utilities and facilities such as sewer, gas, electrical and water systems located and constructed to minimize flood damage;
- (3) All subdivision proposals and other development shall have adequate drainage provided to reduce exposure to flood hazards, and;
- (4) Base flood elevation data shall be provided for all new subdivision proposals and other proposed development (including manufactured home parks and subdivisions), which is greater than five lots or five acres, whichever is the lesser.

SECTION E. STANDARDS FOR ACCESSORY BUILDINGS IN ALL VE ZONES

For all accessory buildings in the SFHA designated "VE" all requirements stated in Article 5, Section F will apply.

SECTION F. COASTAL HIGH HAZARD AREAS

1. Located within areas of special flood hazard areas established in Article 3, Section B (maps) are Coastal High Hazard Areas, designated as VE Zones. These areas have special flood hazards associated with high velocity waters from wave action due to hurricanes, tsunamis, or other seismic sources. The following provisions, in addition to the standards of Article 5, Sections A, B, C, and D, except for B (7), shall also apply:
2. All new construction and substantial improvements in VE Zones shall be elevated on Pilings or columns so that:
3.
 - a. The bottom of the lowest horizontal structural member of the lowest floor, excluding the pilings or columns, is elevated to two (2) feet above the base flood elevation, or one foot above the centerline of the street, whichever is greater, and;
 - b. The pile or column foundation and structure attached there to is anchored to resist flotation, collapse and lateral movement due to the effects of wind and water loads acting simultaneously on all building components. Water loading values used shall be those associated with the base flood. Wind loading values used shall be those requirements by state or local building codes.
4. A registered professional engineer or architect shall develop or review the structural design, specifications and plans for the construction and shall certify that the design and methods of construction to be used are in accordance with accepted standards of practice for meeting the provisions of Article 5, Section F (1).

5. Obtain the elevation, in relation to mean sea level, of the bottom of the lowest structural member of the lowest floor, excluding pilings and columns, of all new and substantially improved structures in VE Zones. The Floodplain Administrator shall maintain a record of all such information.
6. All new construction shall be located landward of the reach of mean high tide.
7. All new construction and substantial improvements in VE Zones shall have the space below the lowest floor either free of obstruction or constructed with non-supporting breakaway walls, open wood latticework, or insect screening intended to collapse under wind and water loads without causing collapse, displacement, or other structural damage to the elevated portion of the building or supporting foundation system. For the purpose of this section, a breakaway wall shall have a design safe loading resistance of not less than 10 and no more than 20 pounds per square foot. Breakaway wall enclosures shall not exceed 299 square feet. Use of breakaway walls which exceed a design safe loading resistance of 20 pounds per square foot, either by design or when so required by local codes, may be permitted only if a registered professional engineer or architect certifies that the designs proposed meet the following conditions:
 - a. Breakaway wall collapse shall result from water load less than that which would occur during the base flood, and;
 - b. The elevated portion of the building and supporting foundation system shall not be subject to collapse, displacement, or other structural damage due to the effects of wind and water loads acting simultaneously on all building components, structural and nonstructural. Water loading values used shall be those associated with the base flood. Wind loading values used shall be those requirements by state or local building codes. The lowest horizontal structural member should be oriented perpendicular to the expected wave crest.
8. If breakaway walls are utilized, such enclosed space shall be useable solely for storage, parking of vehicles, or building access. Such space shall not be used for human habitation and finished or partitioned into separate rooms.
9. Enclosures below elevated buildings shall be useable solely for storage, parking of vehicles, or building access. Such space will not be used for human habitation and not finished or partitioned into separate rooms.
10. Prohibit the use of fill for structural support of buildings. Under the buildings or structures, no fill may be used except for minor site grading for drainage purposes. Nonstructural fill may be used on coastal building sites for minor landscaping and site grading for drainage purposes as long as the fill does not interfere with the free passage of floodwaters and debris underneath the building or cause changes in flow direction during coastal storms such that will cause additional damage to buildings on the site or to any adjacent buildings. Certification by a professional engineer or architect shall be submitted along with design calculations demonstrating that no adverse impacts will result.
11. Prohibit man-made alteration of sand dunes that would increase potential flood damage.
12. All manufactured homes to be placed or substantially improved within VE Zones on the City of Gautier's FIRM on site:
 - a. Outside of a manufactured home park or subdivision,
 - b. In a new manufactured home park or subdivision,
 - c. In an expansion to an existing manufactured home park or subdivision, or
 - d. In an existing manufactured home park or subdivision on which a manufactured home has incurred "substantial damage" as the result of a flood;
 - e. Shall meet the standards of this Article 5, Section F and that manufactured homes placed or substantially improved on other sites in an existing manufactured home park or subdivision with VE Zones on the FIRM meet the requirements of Article 5, Section B(6).

13. All new structures shall be located on the lot so as to minimize exposure to coastal hazards and shoreline erosion, Structures shall be located outside the Coastal High Hazard Area, to the greatest extent possible.
14. Recreational vehicles placed on sites within VE Zones on the City of Gautier's FIRM either;
 - a. Be permitted before being placed on site and be on site for fewer than 180 consecutive days and shall leave the site and obtain a new permit before returning to the same site, and;
 - b. Be fully licensed and ready for highway use, on its wheels or jacking system, is attached to the site only by quick disconnect type utilities and security devices, and has no permanently attached additions, or;
 - c. Meet the requirements of Article 5, Section F (1) through (10).

SECTION G. CRITICAL FACILITIES.

Construction of new and substantially improved critical facilities shall be located outside the limits of the special flood hazard area (one percent chance floodplain). Construction of new critical facilities shall be permissible within the SFHA only if no feasible alternative site is available and access to the facilities remains available during a 0.2 percent chance flood. Critical facilities constructed within the SFHA shall have the lowest floor elevated three feet six inches (3'6") above the base flood elevation at the site (or to the 0.2 percent chance flood elevation whichever is greater). Floodproofing and sealing measures must be implemented to ensure that toxic substances will not be displaced by or released into floodwaters. Multiple access routes, elevated to or above the 0.2 percent flood elevation, shall be provided to all critical facilities to the maximum extent possible. Critical facilities must not only be protected to or above the 0.2 percent chance flood, but must remain operable during such an event. The City of Gautier's flood response plan must list facilities considered critical in a flood, since loss of access can cause a critical situation. Other facilities in low risk flood zones that may also be needed to support flood response efforts must be included on the critical facility list. The use of any structure shall not be changed to a critical facility, where such a change in use will render the new critical facility out of conformance with this section. The list of the operators of the critical facilities affected by flooding must be updated at least annually, as part of the City of Gautier critical facility planning procedures.

ARTICLE 6. VARIANCE PROCEDURES.

SECTION A. DESIGNATION OF VARIANCE AND APPEALS BOARD.

The Mayor and City Council of the City of Gautier shall hear and decide appeals and requests for variances from requirements of this ordinance and is herein referred to as the board.

SECTION B. DUTIES OF VARIANCE AND APPEALS BOARD.

The board shall hear and decide appeals when it is alleged an error in any requirement, decision, or determination is made by the Floodplain Administrator in the enforcement or administration of this ordinance. Any person aggrieved by the decision of the board may appeal such decision to the City Council of the City of Gautier as provided in Mississippi Code Annotated, § 11-51-75 (1972).

SECTION C. VARIANCE PROCEDURES.

In passing upon such applications, the board shall consider all technical evaluations, relevant factors, and standards specified in other sections of this ordinance, and:

- (1) Upon consideration of factors listed below, and the purpose of this ordinance, the board may attach such conditions to the granting of variances as it deems necessary to further the purposes of this ordinance.
- (2) The evaluation must be based on the characteristics unique to that property and not be shared by adjacent parcels. The characteristics must pertain to the land itself, not to the structure, its inhabitants, or its owners;
- (3) Variances shall not be granted for multiple lots, phases of subdivisions, or entire subdivisions;

- (4) The danger that materials may be swept onto other lands to the injury of others;
- (5) The danger of life and property due to flooding or erosion damage;
- (6) The susceptibility of the proposed facility and its contents to flood damage and the effect of such damage on the individual owner and the City of Gautier;
- (7) The importance of the services provided by the proposed facility to the City of Gautier;
- (8) The necessity of the facility to be at a waterfront location, where applicable;
- (9) The availability of alternative locations for the proposed use which are not subject to flooding or erosion damage;
- (10) The compatibility of the proposed use with existing and anticipated development;
- (11) The relationship of the proposed use to the comprehensive plan and floodplain management program for that area;
- (12) The safety of access to the property in times of flood for ordinary and emergency vehicles;
- (13) The expected heights, velocity, duration, rate of rise, and sediment transport of the floodwaters and the effects of wave action, if applicable, expected at the site, and;
- (14) The costs of providing governmental services during and after flood conditions, including maintenance and repair of public utilities and facilities such as sewer, gas, electrical, and water systems, and streets and bridges and culverts.
- (15) Variances shall not be issued within any designated floodway if any increase in flood levels during the base flood discharge would result.

SECTION D. CONDITIONS FOR VARIANCES.

- (1) Variances shall only be issued when there is:
 - a.) A showing of good and sufficient cause;
 - b.) A determination that failure to grant the variance would result in exceptional hardship, and;
 - c.) A determination that the granting of a variance will not result in increased flood heights, additional threats to public expense, create nuisance, cause fraud on or victimization of the public, or conflict with existing local laws or ordinances.
- (2) The provisions of this ordinance are minimum standards for flood loss reduction; therefore any deviation from the standards must be weighed carefully. Variances shall only be issued upon a determination that the variance is the minimum necessary deviation from the requirements of this ordinance, considering the flood hazard, to afford relief. In the instance of a Historic Structure, a determination that the variance is the minimum necessary so as not to destroy the historic character and design of the building. (See Article 6, Section F.)
- (3) Any applicant to whom a variance is granted shall be given written notice specifying the difference between the base flood elevation and the elevation to which the lowest floor is to be built and stating that the cost of flood insurance will be commensurate with the increased risk resulting from the reduced lowest floor elevation.
- (4) The Floodplain Administrator shall maintain the records of all appeal actions and report any variances to the Federal Emergency Management Agency and Mississippi Emergency Management Agency upon request. (See Article 6 Section E.)

- (5) Upon consideration of the factors listed above and the purposes of this ordinance, the board may attach such conditions to the granting of variances as it deems necessary to further the purposes of this ordinance.
- (6) Variances shall not be issued “after the fact.”

SECTION E. VARIANCE NOTIFICATION.

Any applicant to whom a variance is granted shall be given written notice over the signature of a City of Gautier official that:

- (1) The issuance of a variance to construct a structure below the base flood elevation will result in increased premium rates for flood insurance up to amounts as high as \$25 for \$100 of insurance coverage, and;
- (2) List the specific variance granted with the minimum requirement that was changed with the approved variance. List the article, section and subsection for which the variance was issued to.
- (3) Such construction below the base flood level increases risks to life and property. A copy of the notice shall be recorded by the Floodplain Administrator in the Office of the Chancery Clerk and shall be recorded in a manner so that it appears in the chain of title of the affected parcel of land.
- (4) The Floodplain Administrator will maintain a record of all variance actions, including justification for their issuance, and report such variances to the Federal Emergency Management Agency and the Mississippi Emergency Management Agency upon request.

SECTION F. HISTORIC STRUCTURES.

Variances may be issued for the repair or rehabilitation of “historic structures” only upon a determination that the proposed repair or rehabilitation will not preclude the structure’s continued designation as a “historic structure” and the variance is the minimum to preserve the historic character and design of the structure.

SECTION G. SPECIAL CONDITIONS.

Upon consideration of the factors listed in Article 6, and the purposes of this ordinance, the Mayor and City Council may attach such conditions to the granting of variances, as it deems necessary to further the purposes of this ordinance.

SECTION H. FLOODWAY.

Variances shall not be issued within any designated regulatory floodway if any increase in flood levels during the base flood discharge would result.

ARTICLE 7. SEVERABILITY.

If any section, clause, sentence, or phrase of the Ordinance is held to be invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way effect the validity of the remaining portions of this Ordinance.

This ordinance having first been reduced to writing was adopted at a public meeting of the Mayor and City Council of the City of Gautier, on November 21, 2017, wherein the vote was as follows and shall take effect **12/21/17**

Councilman Vaughan made the motion to approve the recommendations set by city staff and approved by the Gautier Planning Commission. Motion seconded by **Councilman George** and the following votes were recorded:

Councilman George - Ayes

Councilman Jackson - Ayes

Councilman Vaughan - Ayes

Councilman Anderson - Ayes

Councilman Colledge - Ayes

Councilwoman Martin - Absent

Mayor Torjusen - Ayes

Mayor

Phil Torjusen

ATTESTED BY:

City Clerk

Cindy Russell

There came for consideration of the Mayor and Members of the Council of the City of Gautier, Mississippi, the following:

ORDER NUMBER 241-2017

WHEREAS, Miss. Code Ann. 21-3513 requires a budget report to be presented to the governing authority at the regular meeting each month.

IT IS HEREBY ORDERED by the Mayor and Members of the Council of the City of Gautier, Mississippi, that the Finance Report for September 2017 are hereby received.

IT IS FURTHER ORDERED that the City Manager or City Clerk is authorized to execute any and all documents necessary.

Motion was made by **Councilman Vaughan** seconded by **Councilman George** and the following vote was recorded:

AYES: **Phil Torjusen**
 Cameron George
 Richard Jackson
 Casey Vaughan
 Rusty Anderson
 Adam Colledge

NAYS: **None**

ABSENT: **Mary Martin**

MAYOR

ATTEST:

CITY CLERK

Passed and Adopted by Mayor and Members of the Council of the City of Gautier, Mississippi, at the meeting of November 21, 2017.

There came for consideration of the Mayor and Members of the Council of the City of Gautier, Mississippi, the following:

RESOLUTION NUMBER 051-2017

WHEREAS, the Parks and Recreation Department has expressed the desire to have a fireworks show within the Gautier city limits presented by Artisan Pyrotechnics, Inc. on Saturday, December 2, 2017 for the benefit of the public; and

WHEREAS, pursuant to an agreement between the Gautier Mullet & Music Festival and Artisan Pyrotechnics, Inc., the fireworks show shall be provided at no charge to the City; and

WHEREAS, the Mayor and Council of the City of Gautier are of the opinion that a fireworks show would be a proper celebration for the Lights & Lagniappe on the Bayou Event; and

WHEREAS, the Fire Marshall recommends approval of the fireworks show within the Gautier City Limits; and

WHEREAS, the Mayor and Members of the Council of the City of Gautier, Mississippi, find the fireworks show is in the best interests of the City;

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and Members of the Council of the City of Gautier, Mississippi, as follows, to-wit:

The Parks and Recreation Department is hereby authorized to have a fireworks show on Saturday, December 2, 2017 at the Lights & Lagniappe on the Bayou for the benefit of the public at large, and at no cost to the City.

BE IT FURTHER RESOLVED that the City Manager or City Clerk is authorized to execute any and all documents.

Motion was made by **Councilman Vaughan**, seconded by **Councilman George** and the following vote was recorded:

AYES: **Phil Torjusen**

MAYOR

ATTEST:

CITY CLERK

Passed and Adopted by Mayor and Members of the Council of the City of Gautier, Mississippi, at the meeting of November 21, 2017.

**CITY OF GAUTIER
MEMORANDUM**

To: Paula Yancey, City Manager
From: Chassity Bilbo, Recreation Director
Date: November 21, 2017
Subject: Authorization for Fireworks Show at the Lights and Lagniappe on the Bayou

REQUEST:

Authorization is requested by the Parks and Recreation Department to have a fireworks show at the Lights & Lagniappe on the Bayou Event on Saturday, December 2, 2017 by Artisan Pyrotechnics, Inc. within the Gautier City Limits.

BACKGROUND:

The Annual Gautier Mullet and Music Fest Fireworks Show was canceled October 21st due to inclement weather. The Gautier Mullet & Music Festival and Artisan Pyrotechnics, Inc., entered into an agreement for a fireworks show at no charge to the City during the Lights and Lagniappe on the Bayou.

DISCUSSION:

The City of Gautier will have a fireworks show at no cost to the City. Artisan Pyrotechnics, Inc. has submitted the required plot plan to the Gautier Fire Marshall and has submitted a Certificate of Liability Insurance listing the City of Gautier as the certificate holder on its policy.

RECOMMENDATION:

City Staff recommends that City Council authorize the fireworks show requested by the Parks and Recreation Department as presented by Artisan Pyrotechnics, Inc. within the City Limits on Saturday, December 2, 2017.

City Council may:

- 1) Approve the fireworks show presented by Artisan Pyrotechnics, Inc. within the City Limits on Saturday, December 2, 2017; or
- 2) Not approve fireworks show on December 2, 2017.

54-USER OF EXPLOSIVES

Purchasing Certification Statement

The licensee or permittee named above shall use a copy of this license or permit to assist a transfer of explosives to verify the identity and the licensed status of the licensee or permittee as provided by 27 CFR Part 555. The signature on each copy must be an original signature. A faxed, scanned or e-mailed copy of the license or permit with a signature intended to be an original signature is acceptable. The signature must be that of the Federal Explosives Licensee (FEL) or a responsible person of the FEL. I certify that this is a true copy of a license or permit issued to the licensee or permittee named above to engage in the business or operations specified above under "Type of License or Permit."

Change of Address (27 CFR 555.54(a)(1)). Licensees or permittees may during the term of their current license or permit remove their business or operations to a new location at which they intend regularly to carry on such business or operations. The licensee or permittee is required to give notification of the new location of the business or operations not less than 10 days prior to such removal with the Chief, Federal Explosives Licensing Center. The license or permit will be valid for the remainder of the term of the original license or permit. (The Chief, FELC, shall, if the licensee or permittee is not qualified, refer the request for amended license or permit to the Director of Industry Operations for denial in accordance with § 555.54.)

Right of Succession (27 CFR 555.59). (a) Certain persons other than the licensee or permittee may secure the right to carry on the same explosive materials business or operations at the same address shown on, and for the remainder of the term of, a current license or permit. Such persons are: (1) The surviving spouse or child, or executor, administrator, or other legal representative of a deceased licensee or permittee; and (2) A receiver or trustee in bankruptcy, or an assignee for benefit of creditors. (b) In order to secure the right provided by this section, the person or persons continuing the business or operations shall furnish the license or permit for that business or operations for endorsement of such succession to the Chief, FELC, within 30 days from the date on which the successor begins to carry on the business or operations.
