Staff Finding: The proposed use will conform to district regulations.

DETERMINATION OF APPLICABLE LAW:

1. The UDO defines conditional uses as specific uses which are enumerated in each zoning district and which because of their nature are not allowed by right but may be allowed after the required review process. The City may specify certain conditions as necessary to make the use compatible with other uses in the same district. Conditional uses are issued for uses of land and uses designated "Conditional Uses-Major" are transferable from one (1) owner of land to another.

The UDO further defines Conditional Uses-Major as uses that are not allowed by right but require a recommendation by the Planning Commission and the approval of the City Council. Additionally, if the conditional use is transferred to a new owner, the new owner must submit a letter to the Economic Development Director agreeing to the current terms and conditions.....

2. Conditional Uses-Major requires a public hearing before the Planning Commission and approval by the City Council (Section 4.14 of the UDO).

RECOMMENDATION AND CONCLUSION:

Staff finds that the proposed use will be compatible and harmonious with the Agricultural District and recommends approval with no specific proposed conditions.

The Planning Commission may:

CITY OF GAUTIER PROCLAMATION

WHEREAS, each year, Mississippi's underground utility infrastructure is jeopardized by unintentional damage by those who fail to call to have underground lines located prior to digging. Undesired consequences such as service interruption, damage to the environment, personal injury and even death are the potential results; and

WHEREAS, Mississippi 811, Inc., promotes the national Call-Before-You-Dig number, 811, in an effort to reduce these damages. Designated by the FCC in 2005, 811 provides excavators and homeowners a simple number to reach their local one-call center to request utility line locations at the intended dig site; and

WHEREAS, through education of safe digging practices, excavators and homeowners can save time and money keeping our City safe and connected by making a simple call to 811 in advance of any digging project; waiting the required amount of time; respecting the marked lines by maintaining visual definition throughout the course of the excavation; and finally, digging with care around the marks; and

WHEREAS, all parties agree that safe digging is a shared responsibility. To know what's below, call 811 two working days before you dig.

NOW, THEREFORE, I, Mayor Phil Torjusen of the City of Gautier, Mississippi do hereby proclaim April 2018 as

SAFE DIGGING MONTH

In the City of Gautier, Mississippi and encourage excavators and homeowners throughout the City to always call 811 before digging. Safe Digging is No Accident.

In witness whereof, I have hereunto set my hand and caused the Great Seal of Gautier, Mississippi to be affixed.

Done in Gautier, Mississippi on the 3rd day of April 2018.

Phil Torjusen
Mayor of Gautier, Mississippi

Councilwoman Martin made the motion to adopt the foregoing resolution, as presented. Councilman George seconded the motion.

There came for consideration of the Mayor and Members of the Council of the City of Gautier, Mississippi, the following:

5. The Governing Body adopted a resolution on November 21, 2017 (the "**Intent Resolution**") declaring its intention to issue combined utility system revenue bonds of the City in the maximum principal amount of not to exceed \$10,000,000.

6. The Intent Resolution provided that if on or before 6:30 o'clock p.m. on January 2, 2018, there was filed with the Clerk a petition signed by not less than ten percent (10%) or Fifteen Hundred (1,500), whichever is less, of the qualified electors of the City objecting to and protesting against such issuance of said combined utility system revenue bonds, then and in that event such combined utility system revenue bonds should not be issued unless the questions of the issuance thereof be submitted to a special election ordered for the purpose of determining whether or not a majority of those voting in such election shall vote for or against issuance of said combined utility system revenue bonds.

7. 10. The Bonds are not private activity bonds as such term is defined in Section 141 of the Code.

11. The Code provides that non-compliance with the provisions thereof may cause interest on obligations to become taxable retroactive to the initial date of issuance, and provides that the tax-exempt status of interest on obligations such as the Bonds is contingent on a number of future actions by the City. It is necessary to make certain covenants pertaining to the exemption of the interest on the Bonds from federal income taxes since such exemption may depend, in part, upon continuing compliance by the City with certain requirements with the Code.

12. The Governing Body now finds and determines that it is necessary, advisable and in the public interest that the Bonds in the principal amount of \$4,000,000 of an authorized \$10,000,000 be issued as hereinafter provided.

(d) Notice of redemption identifying the numbers of Bonds or portions thereof to be redeemed shall be given to the Registered Owners thereof by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption. Failure to mail or receive any such notice, or any defect therein or in the mailing thereof, shall not affect the validity of any proceedings for the redemption of Bonds. Any notice mailed as provided herein shall be conclusively presumed to have been given, irrespective of whether received. If such written notice of redemption is made and if due provision for payment of the redemption price is made, all as provided above, the Bonds which are to be redeemed thereby automatically shall be deemed to have been redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the owner to receive the redemption price out of the funds provided for such payment. If at the time of mailing of any notice of redemption, there shall not be on deposit with the Paying Agent sufficient moneys to redeem all of the Bonds called for redemption, such notice shall state that it is subject to the deposit of moneys with the Paying Agent not later than on the redemption date and shall be of no effect unless such moneys are deposited.

of and interest on such Bonds from the funds held for that purpose. Defeasance Securities shall be considered sufficient under the Bond Resolution if said investments, with interest, mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal when due on such Bonds.

SECTION 3. (a) The Bonds shall initially be issued pursuant to a Book-Entry System administered by the Securities Depository with no physical distribution of Bond certificates to be made except as provided in this Section 3. Any provision of this Bond Resolution or the Bonds requiring physical delivery of the Bonds shall, with respect to any Bonds held under the Book-Entry System, be deemed to be satisfied by a notation on the Registration Records maintained by the Paying Agent that such Bonds are subject to the Book-Entry System.

The principal of and any premium on each Bond shall be payable to the Securities Depository Nominee or any other person appearing on the Registration Records as the Registered Holder of such Bond or its registered assigns or legal representative at the principal office of the Paying Agent. So long as the Book-Entry System is in effect, the Securities Depository will be recognized as the Holder of the Bonds for all purposes. Transfer of principal, interest and any premium payments or notices to DTC participants and Indirect Participants will be the responsibility of the Securities Depository and transfer of principal, interest and any premium payments or notices to Beneficial Owners will be the responsibility of the DTC participants and Indirect Participants. No other party will be responsible or liable for such transfers of payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the DTC participants or the Indirect Participants. While the Securities Depository Nominee or the Securities Depository, as the case may be, is the registered owner of the Bonds, notwithstanding any other provisions set forth herein, payments of principal of, redemption premium, if any, and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of such Holder, without notice to or the consent of the Beneficial Owners, the Paying Agent, with the consent of the City, and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set out herein. In such event, the Paying Agent shall make payments with respect to the Bonds in such manner as if set forth herein.

(c) The City may at any time elect with the prior written consent of the Underwriter (i) to provide for the replacement of any Securities Depository as the depository for the Bonds with another qualified Securities Depository, or (ii) to discontinue the maintenance of the Bonds under a Book-Entry System. In such event, and upon being notified by the City of such election, the Paying Agent shall give 30 days' prior notice of such election to the Securities Depository (or such fewer number of days as shall be acceptable to such Securities Depository).

(d) Upon the discontinuance of the maintenance of the Bonds under a Book-Entry System, the City will cause Bonds to be issued directly to the Beneficial Owners of Bonds, or their designees, as further described below. In such event, the Paying Agent shall make provisions to notify DTC participants and the Beneficial Owners of the Bonds, by mailing an appropriate notice to the Securities Depository, or by other means deemed appropriate by the Paying Agent in its discretion, that Bonds will be directly issued to the Beneficial Owners of Bonds as of a date set forth in such notice, which shall be a date at least ten (10) days after the date of mailing of such notice (or such fewer number of days as shall be acceptable to the Securities Depository).

(e) In the event that Bonds are to be issued to the Beneficial Owners of the Bonds, or their designees, the City shall, at its expense, promptly have prepared Bonds in certificate form registered in the names of the Beneficial Owners of Bonds shown on the records of the DTC participants provided to the Paying Agent, as of the date set forth in the notice described above. Bonds issued to the Beneficial Owners, or their designees, shall be in fully registered form substantially in the form set forth in Section 6 hereof.

(f) If any Securities Depository is replaced as the depository for the Bonds with another qualified Securities Depository, the City will issue to the replacement Securities Depository Bonds substantially in the form set forth herein, registered in the name of such replacement Securities Depository.

(g) Each Securities Depository and the DTC participants, the Indirect Participants and the Beneficial Owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Paying Agent shall have no liability for the failure of any Securities Depository to perform its obligation to any DTC participant, Indirect Participant or other nominee of any Beneficial Owner of any Bonds to perform any obligation that such DTC participant, Indirect Participant or other nominee may incur to any Beneficial Owner of the Bonds.

(h) Notwithstanding any other provision of this Bond Resolution, on or prior to the date of issuance of the Bonds, the City shall have executed and delivered to the initial Securities Depository the Letter of Representations governing various matters relating to the Securities Depository and its activities pertaining to the Bonds. The terms and provisions of the Letter of Representations are incorporated herein by reference and in the event there shall exist any inconsistency between the substantive provisions of the Letter of Representations and any provisions of this Bond Resolution, then, for as long as the initial Securities Depository shall serve with respect to the Bonds, the terms of the Letter of Representations shall govern.

(i) Notwithstanding any provision in this Bond Resolution to the contrary, at all times in which the Book-Entry System is in effect, any references to physical delivery of a Bond shall not be required.

SECTION 4. (a) When the Bonds shall have been validated, if applicable, and executed as herein provided, they shall be registered as an obligation of the City in the office of the Clerk in a record maintained for that purpose, and the Clerk shall cause to be imprinted upon the reverse side of,

or an attachment thereto, each of the Bonds, over his manual or facsimile signature and manual or facsimile seal, his certificate in substantially the form set out in Section 6 hereof.

(b) The Bonds shall be executed by the manual or facsimile signature of the Mayor and countersigned by the manual or facsimile signature of the Clerk, with the seal of the City imprinted or affixed thereto; provided, however, all signatures and seals appearing on the Bonds, other than the signatures of an authorized officer of the Paying Agent hereafter provided for, may be facsimile and shall have the same force and effect as if manually signed or impressed. In case any official of the City whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such official before the delivery or reissuance thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such official had remained in office until delivery or reissuance.

(c) The Bonds shall be delivered to the Purchaser upon payment of the purchase price therefor in accordance with the terms and conditions of their sale and award, together with a complete certified transcript of the proceedings had and done in the matter of the authorization, issuance, sale and validation, if applicable, of the Bonds, and the final, unqualified approving opinion of Bond Counsel, which opinion shall be imprinted on, or attached to, the reverse of each of the Bonds.

(d) Prior to or simultaneously with the delivery by the Paying Agent of any of the Bonds, the City shall file with the Paying Agent:

(i) a copy, certified by the Clerk, of the transcript of proceedings of the Governing Body in connection with the authorization, issuance, sale and validation of the Bonds; and

(ii) an authorization to the Paying Agent, signed by the Mayor or Clerk, to authenticate and deliver the Bonds to the Purchaser.

(e) The Paying Agent shall authenticate the Bonds and deliver them to the Purchaser upon payment of the purchase price of the Bonds to the City.

(f) Certificates, blank as to denominations, rate of interest, date of maturity and CUSIP number and sufficient in quantity in the judgment of the City to meet the reasonable transfer and reissuance needs on the Bonds, shall be printed and delivered to the Paying Agent in generally-accepted format, and held by the Paying Agent until needed for transfer or reissuance, whereupon the Paying Agent shall imprint the appropriate information as to denomination, rate of interest, date of maturity and CUSIP number prior to the registration, authentication and delivery thereof to the transferee. Subject to the approval of the Governing Body, the Paying Agent is hereby authorized to have printed from time to time as necessary additional certificates bearing the manual or facsimile seal of the City and manual or facsimile signatures of the person who were the officials of the Governing Body as of the date of original issue of the Bonds.

SECTION 5. (a) The City authorizes the Mayor and City Clerk to appoint the Paying and Transfer Agent for the Bonds after receiving the recommendation of the successful bidder subject to the following conditions. The Paying and Transfer Agent shall be a bank, trust company, or national banking

association located within the State having Federal Deposit Insurance Corporation insurance of its accounts, duly authorized to exercise corporate trust powers and subject to examination by and in good standing with the federal and state regulatory authorities under the jurisdiction of which it falls.

(b) So long as any of the Bonds shall remain outstanding, the City shall maintain with the Transfer Agent records for the registration and transfer of the Bonds. The Transfer Agent is hereby appointed registrar for the Bonds, in which capacity the Transfer Agent shall register in such records and permit to be transferred thereon, under such reasonable regulations as may be prescribed, any of the Bonds entitled to registration or transfer.

(c) The City shall pay or reimburse the Agent reasonable fees for the performance of the services normally rendered and the incurring of normal expenses reasonably and necessarily paid as are customarily paid to paying agents, transfer agents, and bond registrars, subject to agreement between the City and the Agent. Fees and reimbursements for extraordinary services and expenses, so long as not occasioned by the negligence, misconduct, or willful default of the Agent, shall be made by the City on a case-by case basis, subject, where not prevented by emergency or other exigent circumstances, to the prior written approval of the Governing Body.

(d) (i) An Agent may at any time resign and be discharged of its duties and obligations of either the function of the Paying Agent or Transfer Agent, or both, by giving at least sixty (60) days written notice to the City, and may be removed from either or both of said functions at any time by resolution of the Governing Body delivered to the Agent. The resolution shall specify the date on which such removal shall take effect and the name and address of the successor Agent, and shall be transmitted to the Agent being removed within a reasonable time prior to the effective date thereof. Provided, however, that no resignation or removal of an Agent shall become effective until a successor Agent has been appointed pursuant to this Bond Resolution.

(ii) Upon receiving notice of the resignation of an Agent, the City shall promptly appoint a successor Agent by resolution of the Governing Body. Any appointment of a successor Agent shall become effective upon acceptance of appointment by the successor Agent. If no successor Agent shall have been so appointed and have accepted appointment within thirty (30) days after the notice of resignation, the resigning Agent may petition any court of competent jurisdiction for the appointment of a successor Agent, which court may thereupon, after such notice as it may deem appropriate, appoint a successor Agent.

(iii) In the event of a change of Agents, the predecessor Agent shall cease to be custodian of any funds held pursuant to this Bond Resolution in connection with its role as such Agent, and the successor Agent shall become such custodian; provided, however, that before any such delivery is required to be made, all fees, advances, and expenses of the retiring or removed Agent shall be fully paid. Every predecessor Agent shall deliver to its successor Agent all records of account, registration records, lists of Registered Owners, and all other records, documents, and instruments relating to its duties as such Agent.

(iv) Any successor Agent appointed under the provisions hereof shall be a bank, trust company, or national banking association having Federal Deposit Insurance Corporation

insurance of its accounts, duly authorized to exercise corporate trust powers and subject to examination by and in good standing with the federal and state regulatory authorities under the jurisdiction of which it falls.

(v) Every successor Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor Agent and to the City an instrument in writing accepting such appointment hereunder, and thereupon such successor Agent, without any further act, shall become fully vested with all the rights, immunities and powers, and subject to all the duties and obligations, of its predecessor.

(vi) Should any transfer, assignment or instrument in writing be required by any successor Agent from the City to more fully and certainly vest in such successor Agent the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Agent, any such transfer, assignment and written instrument shall, on request, be executed, acknowledged and delivered by the City.

(vii) The City will provide any successor Agent with certified copies of all resolutions, orders and other proceedings adopted by the Governing Body relating to the Bonds.

(viii) All duties and obligations imposed hereby on an Agent or successor Agent shall terminate upon the accomplishment of all duties, obligations, and responsibilities imposed by law or required to be performed by this Bond Resolution.

(ix) Any corporation or association into which an Agent may be converted or merged, or with which it may be consolidated or to which it may sell or transfer its assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation, or transfer to which it is a party, shall be and become successor Agent hereunder and vested with all the powers, discretion, immunities, privileges, and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of either the City or the successor Agent, anything herein to the contrary notwithstanding, provided only that such successor Agent shall be satisfactory to the City and eligible under the provisions of Section 5(d)(iv) hereof.

SECTION 6. The Bonds shall be in substantially the following form, with such appropriate variations, omissions, and insertions as are permitted or required by this Bond Resolution:

The City of Gautier, Jackson County, State of Mississippi (the "**City**"), a body politic existing under the Constitution and laws of the State of Mississippi, acknowledges itself to owe and for value received, promises to pay in lawful money of the United States of America to the Registered Owner identified above, upon the presentation and surrender of this Bond, at the principal office of _____, _____, _____, or its successor, as paying agent (in such capacity, the "**Paying Agent**") for the Combined utility system Revenue Bonds, Series 2018, of the City (the "**Bonds**"), on the maturity date identified above, the principal amount identified above. Payment of the principal amount of this Bond shall be made to the Registered Owner hereof who shall appear in the registration records of the City maintained by _____, _____, _____, or its successor, as transfer agent for the Bonds (the "**Transfer Agent**"), as of the 15th day of the calendar month preceding the maturity date hereof.

The City further promises to pay interest on such principal amount from the date of this Bond or from the most recent interest payment date to which interest has been paid at the rate of interest per annum set forth above, on May 1 and November 1 of each year (each an ***“Interest Payment Date”***), commencing May 1, 2019, until said principal sum is paid, to the Registered Owner hereof who shall appear in the registration records of the City maintained by the Transfer Agent as of the 15th day of the calendar month preceding the applicable Interest Payment Date.

Payments of principal of and interest on this Bond shall be made by check or draft mailed on the Interest Payment Date to such Registered Owner at his address as it appears on such registration records. The Registered Owner hereof may change such address by written notice to the Transfer Agent by certified mail, return receipt requested, or such other method as may be subsequently prescribed by the Transfer Agent, such notice to be received by the Transfer Agent not later than the 15th day of the calendar month preceding the applicable principal or Interest Payment Date.

This Bond is one of a series of Bonds of like date of original issue, tenor and effect, except as to denomination, number, rate of interest and date of maturity, issued in the aggregate authorized principal amount of Four Million Dollars (\$4,000,000) to raise money for the purpose of providing funds for (i) the improvement, repair and extension of the combined utility system of the City, and (ii) paying the costs of issuance of the Bonds.

This Bond is issued under the authority of the Constitution and statutes of the State of Mississippi, particularly Section 21-27-23 and Sections 21-27-41 through 21-27-69 of the Mississippi Code of 1972, as amended and supplemented from time to time, and by the further authority of proceedings duly had by the Mayor and City Council of the City, including a resolution adopted on April 3, 2018 (the ***“Bond Resolution”***).

The Bonds maturing on May 1, 2029, and thereafter, are subject to redemption prior to their stated dates of maturity at par, plus accrued interest to the date of redemption, either in whole, or in part, on any date on or after May 1, 2028.

Notice of redemption identifying the numbers of Bonds or portions thereof to be redeemed shall be given to the Registered Owners thereof by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption. Failure to mail or receive any such notice, or any defect therein or in the mailing thereof, shall not affect the validity of any proceedings for the redemption of Bonds. Any notice mailed as provided herein shall be conclusively presumed to have been given, irrespective of whether received. If such written notice of redemption is made and if due provision for payment of the redemption price is made, all as provided above, the Bonds which are to be redeemed thereby automatically shall be deemed to have been redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the owner to receive the redemption price out of the funds provided for such payment. If at the time of mailing of any notice of redemption, there shall not be on deposit with the Paying Agent sufficient moneys to redeem all of the Bonds called for redemption, such notice shall state that it is subject to the deposit of moneys with the Paying Agent not later than on the redemption date and shall be of no effect unless such moneys are deposited.

The Bonds are registered as to both principal and interest. The Bonds are to be issued or reissued in the denomination of \$5,000 each, or integral multiples thereof up to the amount of a single maturity.

This Bond may be transferred or exchanged by the Registered Owner hereof in person or by his attorney duly authorized in writing at the principal office of the Paying Agent, but only in the manner, subject to the limitations in the Bond Resolution, and upon surrender and cancellation of this Bond. Upon such transfer or exchange, a new Bond or Bonds of like aggregate principal amount in authorized denominations of the same maturity will be issued.

The City and the Paying Agent may deem and treat the Registered Owner hereof as the absolute owner for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

The principal of and interest on the Bonds shall be payable solely from the Net Revenues derived from the operation of the combined utility system of the City (the “**System**”), subject to the parity lien of the City’s \$9,185,000 Combined Utility System Revenue Refunding Bonds, Series 2012, dated May 31, 2012, and the City’s \$3,500,000 Promissory Note (Gautier, Mississippi Combined Utility System Revenue Project), dated August 13, 2013, securing the \$3,500,000 Mississippi Development Bank Special Obligation Bonds, Series 2013 (Gautier, Mississippi Combined Utility System Revenue Project), dated August 13, 2013. The Bonds do not constitute an indebtedness of the City within the meaning of any constitutional or statutory restriction, limitation or provision, and the taxing power of the City is not pledged to the payment hereof, either as to principal or interest. System Revenues shall be deposited in the Revenue Fund and then transferred to the 2018 Bond Fund for the payment of principal and interest on the Bonds.

The City covenants and agrees that it will perform all duties required by law and by the Bond Resolution; that it will apply the proceeds of this Bond to the purposes above set forth; that, as long as this Bond is outstanding, it will operate and maintain the System; that it will fix and maintain rates and make and collect charges for the services of the System, without regard to the user thereof, sufficient to provide for the operation and maintenance of the System in good repair and working order, to provide for the payment of the principal of and interest on this Bond and the 2018 Bonds as all shall mature and accrue, and to provide for a debt service reserve fund, a depreciation fund and a contingent fund, all as set forth in the Bond Resolution; and that such an amount of the Net Revenues of the System remaining after paying the expense of operating and maintaining the System as will maintain a 2018 Bond Fund on this Bond and the 2018 Bonds, as the same shall mature and accrue, is hereby irrevocably pledged to said purpose.

IT IS HEREBY CERTIFIED, RECITED AND REPRESENTED that all conditions, acts and things required by law to exist, to have happened and to have been performed precedent to and in the issuance of this Bond, in order to make the same a legal and binding limited obligation of the City, according to the terms hereof, do exist, have happened and have been performed in regular and due time, form and manner as required by law.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Bond Resolution until the certificate of registration and authentication hereon shall have been signed by the Transfer Agent.

Terms capitalized herein shall have the same meaning as in the Bond Resolution, unless otherwise expressly provided herein.

IN WITNESS WHEREOF, the City has caused this Bond to be executed in its name by the manual or facsimile signature of the Mayor of the City, countersigned by the manual or facsimile signature of the Clerk of the City, under the manual or facsimile seal of the City, which said manual or facsimile signatures and seal said officials adopt as and for their own proper signatures and seal.

SECTION 7. In case any Bond shall become mutilated or be stolen, destroyed, or lost, the City shall, if not then prohibited by law, cause to be authenticated and delivered a new Bond of like date, number, maturity, and tenor in exchange and substitution for and upon cancellation of such mutilated Bond, or in lieu of and in substitution for such Bond stolen, destroyed, or lost, upon the Registered Owner's paying the reasonable expenses and charges of the City in connection therewith, and in case of a Bond stolen, destroyed, or lost, his filing with the City or Paying Agent evidence satisfactory to them that such Bond was stolen, destroyed or lost, and of his ownership thereof, and furnishing the City or Paying Agent with such security or indemnity as may be required by law or by them to save each of them harmless from all risks, however remote. The provision of this Section 7 shall not apply if the Book-Entry System is in effect.

SECTION 8. Only such of the Bonds as shall have endorsed thereon a certificate of registration and authentication in substantially the form hereinabove set forth, duly executed by the Paying Agent, shall be entitled to the rights, benefits, and security of this Bond Resolution. No such Bond shall be valid or obligatory for any purpose unless and until such certificate of registration and authentication shall have been duly executed by the Paying Agent, which executed certificate shall be conclusive evidence of registration, authentication, and delivery under this Bond Resolution. The Paying Agent's certificate of registration and authentication on any such Bond shall be deemed to have been duly executed if signed by an authorized officer of the Paying Agent, but it shall not be necessary that the same officer sign said certificate on all of the Bonds that may be issued hereunder at any one time.

SECTION 9. (a) In the event the Purchaser shall fail to designate the names, addresses, and social security or tax identification numbers of the Registered Owners of the Bonds within thirty (30) days of the date of sale, or at such other later date as may be designated by the City, one Bond registered in the name of the Purchaser may be issued in the full amount of each maturity. Ownership of the Bonds shall be in the Purchaser until the initial Registered Owner has made timely payment and, upon request of the Purchaser within a reasonable time of the initial delivery of the Bonds, the Paying Agent shall re-register any such Bond upon its records in the name of the Registered Owner to be designated by the Purchaser in the event timely payment has not been made by the initial Registered Owner.

(b) Except as hereinabove provided, the Person in whose name any of the Bonds shall be registered in the records of the City maintained by the Paying Agent may be deemed the absolute owner thereof for all purposes, and payment of or on account of the principal of or interest on any of the Bonds shall be made only to or upon the order of the Registered Owner thereof, or his legal representative, but such registration may be changed as hereinafter provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon any of the Bonds to the extent of the sum or sums so paid.

SECTION 10. (a) The Bonds shall be transferable only in the records of the City, upon surrender thereof at the office of the Transfer Agent, together with a written instrument of transfer satisfactory to the Transfer Agent duly executed by the Registered Owner or his or its attorney duly authorized in writing. Upon the transfer of any of the Bonds, the City, acting through its Transfer Agent, shall issue in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and maturity and rate of interest as the surrendered Bond or Bonds.

(b) In all cases in which the privilege of transferring any of the Bonds is exercised, the Transfer Agent shall authenticate and deliver said Bonds in accordance with the provisions of this Bond Resolution.

SECTION 11. (a) Payment of principal on the Bonds shall be made, upon presentation and surrender thereof at the principal office of the Paying Agent, to the Record Date Registered Owner thereof whose name shall appear in the registration records of the City maintained by the Transfer Agent as of the Record Date.

(b) Payment of each installment of interest on the Bonds shall be made to the Record Date Registered Owner thereof whose name shall appear in the registration records of the City maintained by the Transfer Agent as of the Record Date. Interest shall be payable in the aforesaid manner irrespective of any transfer or exchange of such Bond subsequent to the Record Date and prior to the due date of the interest.

(c) Principal of and interest on the Bonds shall be paid by check or draft mailed on the Interest Payment Date to Registered Owners at the addresses appearing in the registration records of the Transfer Agent. Any such address may be changed by written notice from the Registered Owner to the Transfer Agent by certified mail, return receipt requested, or such other method as may be acceptable to by the Transfer Agent, such notice to be received by the Transfer Agent not later than the Record Date preceding the applicable principal or interest payment date to be effective as of such date.

SECTION 12. The principal of and interest on the Bonds shall be payable solely from a pledge of Net Revenues, subject to the parity lien of the 2012 Bonds and the 2013 Note. The Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional or statutory restriction, limitation or provision, and the taxing power of the City is not pledged to the payment of the Bonds, either as to principal or interest.

SECTION 13. From and after the issuance and delivery of the Bonds, the System shall be operated on a Fiscal Year basis, commencing on the first day of October, and ending on the last day of September in the following year; provided, however, that the Fiscal Year may be changed upon written notice to the Registered Owners.

SECTION 14. All Revenues shall be set aside as collected and shall be deposited into the Revenue Fund utilized in connection with the 2012 Bonds and bonds issued on parity with the 2012 Bonds, including the 2013 Note and the Bonds. Moneys in said fund shall not be subject to lien or attachment by any creditor of the City and shall be set aside for, allocated to and deposited by the Clerk to the extent available in the following order of preference in the following separate and special funds, created pursuant to the 2012 Bond Resolution, 2013 Loan Agreement, and this Bond Resolution, as applicable, without further direction of or action by the Governing Body or other authority of the City:

(a) On the first business day of each month, commencing in the first month after delivery of the Bonds, there shall be deposited into the Operation and Maintenance Fund created an amount which will provide for the payment of the Current Expenses to be paid during such calendar month, and, in the event that the aggregate amounts deposited into such fund pursuant to this subsection (a) during the

preceding months shall have been insufficient to pay all such expenses, an amount sufficient to repay such deficiencies.

(b) To the City such amount necessary to reimburse the general fund of the City for debt service due on the SRF Loans deducted by the Mississippi Department of Revenue from the sales tax rebate to the City.

(c) On the first business day of each month, commencing in the first month after the delivery of the Bonds, there shall be deposited into (i) the 2012 Debt Service Fund an amount which, together with equal subsequent monthly deposits on the first business day of each successive month, will provide a sum equal to the amount necessary to pay interest and principal due and payable through the date on which the next installment of principal on the 2012 Bonds is due; (ii) there shall be deposited into the 2013 Debt Service Fund for the 2013 Note an amount which, together with equal subsequent monthly deposits on the first business day of each successive month, will provide a sum equal to the amount necessary to pay interest and principal due and payable through the date on which the next installment of principal on the 2013 Note is due; and (iii) the 2018 Bond Fund an amount which, together with equal subsequent monthly deposits on the first business day of each successive month, will provide a sum equal to the amount necessary to pay interest and principal due and payable through the date on which the next installment of principal on the Bonds is due.

(d) Provided, that in addition to the moneys required to be paid into the 2018 Bond Fund, the Debt Service Reserve Fund shall be established in order to meet any deficiency in the 2018 Bond Fund in future years. The Debt Service Reserve Fund shall initially be funded by the City with cash reserves, Bond proceeds, a reserve fund surety bond, or any combination of the foregoing immediately upon delivery of the Bonds in an amount to equal the Debt Service Reserve Fund Requirement at which amount said Debt Service Reserve Fund shall thereafter be maintained; said Debt Service Reserve Account shall be used only to pay maturing principal and accruing interest, or both, and only whenever and to the extent that funds otherwise available in the Series 2018 Bond Fund are insufficient for that purpose. In the event the Debt Service Reserve Fund is not funded at Debt Service Reserve Fund Requirement, the Clerk shall on the first business day of each month, commencing in the first month after , continually through the sixtieth (60th) month after the delivery of the Bonds, deposit one sixtieth (1/60th) of the amount representing the Debt Service Reserve Fund Requirement, until the balance in the Debt Service Reserve Fund meets the Debt Service Reserve Fund Requirement, at which amount the Debt Service Reserve Fund shall thereafter be maintained by such future payments as may be necessary to maintain said balance. Notwithstanding any other provision contained herein, upon the determination of any deficiency in the total amount on deposit in the Debt Service Reserve Fund the full amount of such deficiency shall be fully funded within one (1) year of such determination. The Debt Service Reserve Fund shall be used only to pay maturing principal and accruing interest, or both, and only whenever and to the extent that funds otherwise available in the 2018 Bond Fund are insufficient for that purpose. No funds paid into the Debt Service Reserve Fund shall be used to prepay the principal unless such prepayment is for the entire balance of the principal amount of the Bonds. If the amount on deposit in the Debt Service Reserve Fund as valued on the last day of any Bond Year is more than the Debt Service Reserve Fund Requirement, the amount of such excess shall be transferred to the 2018 Bond Fund.

(e) There is hereby created the Series 2018 Contingent Fund, which is supplemental to the contingency funds for the 2012 Bonds and the 2013 Notes. The Series 2018 Contingent Fund may initially be funded by the City with cash reserves immediately upon delivery of the Bonds in the amount of Five Thousand Dollars (\$5,000), at which amount said fund shall thereafter be maintained by such future payments as may be necessary for that purpose. The Series 2018 Contingent Fund shall be used for the purpose of paying the cost of unforeseen contingencies arising in the operation and maintenance of the System, including the construction of reasonable and proper improvements, betterments, and extensions thereto upon written certification by the Consulting Engineers to the Governing Body certifying the necessity for such expenditure and concurring in the necessity for such expenditure from the Series 2018 Contingent Fund; provided, however, that in the event the funds otherwise established by this Bond Resolution for the payment of the principal of and interest on the Bonds should be insufficient for said purpose, then and in that event, to the extent of any such insufficiency, the amount necessary to pay accruing interest and to provide for the payment of the principal as set forth in paragraph (c) of this section shall be drawn from the Series 2018 Contingent Fund together with funds otherwise available, to pay such accruing interest and to provide for the payment of principal as set forth in paragraph (c) of this section. The annual deposits into the Contingent Fund shall equal the aggregate amount of required Contingent Fund deposits for each respective Series of Bonds.

(f) There is hereby created the 2018 Depreciation Fund, which is supplemental to the contingency funds for the 2012 Bonds and the 2013 Notes. The 2018 Depreciation Fund shall initially be funded by the City with cash reserves immediately upon delivery of the Bonds in the amount of Five Thousand Dollars (\$5,000), at which amount said fund shall thereafter be maintained by such future payments as may be necessary for that purpose. The 2018 Depreciation Fund shall be used for the purpose of paying the cost of replacing such parts of the System as may need replacement in order to keep the System operating in an economical and efficient manner upon written certification by the Consulting Engineers to the Governing Body certifying the necessity for such expenditure and concurring in the necessity for such expenditure from the 2018 Depreciation Fund; provided, however, that in the event the funds otherwise established by this Bond Resolution for the payment of the principal of and interest on the Bonds should be insufficient for said purpose, then and in that event, to the extent of any such insufficiency, the amount necessary to pay accruing interest and to provide for the payment of the principal as set forth in paragraph (c) of this section shall be drawn from the 2018 Depreciation Fund together with funds otherwise available, to pay such accruing interest and to provide for the payment of principal as set forth in paragraph (c) of this section. The annual deposits into the Depreciation Fund shall equal the aggregate Depreciation Funds deposit for each respective series of Bonds.

SECTION 15. If Revenues shall be insufficient at any time to make the payments or deposits from the Revenues required by Section 14 hereof, the deficiency shall be made good by additional payments to be made out of the first available Revenues received during any succeeding month or months.

SECTION 16. All sums in the funds referred to in Section 14 hereof shall be kept on deposit in bank accounts separate from all other bank accounts of the City in a bank or banks having Federal Deposit Insurance Corporation insurance of its accounts and at all times shall be continuously secured as provided by the laws of the State of Mississippi for other funds of the City, or, in the discretion of the Governing Body, may be invested as directed in the 2012 Bond Resolution and this Bond Resolution, as

applicable, in investments authorized under the laws of the State of Mississippi as may now be or hereafter become applicable. Such investments shall mature or be redeemable prior to the time the funds so invested will be needed for expenditure. Any interest or other income received from investments shall accrue to and be deposited in the fund which generated such income or to which such income is attributable and applied toward the purposes set forth in such fund.

SECTION 17. (a) A portion of the principal proceeds derived from the sale of the Bonds shall be deposited in the 2018 Construction Fund hereby created by this Bond Resolution and shall be applied solely and only for the purpose for which the Bonds are herein directed to be issued for the Cost of the Construction Project. (c) If the Net Revenues in any Fiscal Year as shown by the City's audit are less than the total amount set forth in subsection (b) of this Section, then it shall, as promptly as possible, request the Consulting Engineers to make recommendations as to a revision of such rates, fees, and charges or methods of operating the System which will result in producing the required amount in the following Fiscal Year. Upon receipt of such recommendations the City shall, subject to applicable requirements imposed by law, immediately revise such rates, fees, and charges and take such other actions respecting the methods of operation of the System as shall in its discretion be deemed necessary. Failure to implement the recommendation of the Consulting Engineer or if coverage is less than one hundred twenty percent (120%) of the maximum Principal and Interest Requirements and the payment required to be made to the credit of the Debt Service Reserve Fund shall be a breach of the City's covenants herein.

SECTION 22. (a) From and after the issuance of the Bonds, no additional bonds shall be issued or obligations incurred by the City which are payable in whole or in part from or chargeable to Net Revenues (except obligations incurred in the operation and maintenance of the System), unless such additional bonds or obligations are in all respects junior and subordinate to the Bonds.

(b) The City shall have the right to issue one or more additional bond series to be secured by a parity lien on and ratably payable from Net Revenues and any other security pledged to the Bonds, provided in each instance that:

(i) the Net Revenues available for payments of principal and interest on the Bonds for a period of 12 consecutive months during the 18 months preceding the month in which such additional parity bonds are issued must be certified by an accountant to have been at least equal to 120% of the highest annual debt service payments in any succeeding Bond Year with respect to the Bonds, any other outstanding bonds, including the 2012 Bonds and the 2013 Note, and the bonds proposed to be issued; or in lieu of the foregoing formula, if a new schedule of rates, fees, and charges for the services, facilities and commodities of the System shall have been adopted, then the Net Revenues available for debt service payments (taking into account such new rates) must be certified by an accountant to have been at least equal to 120% of the highest annual debt service payments in any succeeding Bond Year with respect to the Bonds, any other outstanding bonds, including the 2012 Bonds and the 2013 Note, and the bonds proposed to be issued during the period set forth above;

- (ii) the pledge of and lien on the Net Revenues and amounts on deposit from time to time in the 2018 Bond Fund shall be extended for the benefit of the Registered Owners of the additional bonds; and
 - (iii) the resolution under which the proposed bonds are being issued shall provide for the funding of the increase in the Debt Service Reserve Fund resulting from the issuance of such additional bonds from the proceeds of such additional bonds.
- (c) The City hereby covenants and agrees that in the event additional series of parity bonds are issued, it shall:
 - (i) Adjust the deposits into the 2018 Bond Fund in the following manner: On the first business day of each month, commencing in the first month after the delivery of the additional bonds, there shall be deposited into the 2018 Bond Fund an amount which, after taking into account any amounts already on deposit and equal subsequent monthly deposits on the first business day of each successive month, will provide a sum equal to the amount necessary to pay interest and principal due and payable through the date on which the next installment of principal on the Bonds and the additional bonds is due.
 - (ii) Adjust the amount of the Debt Service Reserve Fund to a sum equal to the lesser of the following: (1) the Debt Service Reserve Fund Requirement as calculated for the Bonds, and such additional parity bonds; and (2) the maximum amount which, if deposited therein, in the opinion of nationally recognized bond counsel, would not adversely affect the tax-exempt status of interest on the Bonds and such additional bonds. The additional funds required to provide the lesser of (1) or (2) as set forth in the immediate preceding sentence shall be funded from the proceeds of the additional parity bonds.
- (d) The City shall have the right to call, subject to the call provisions of the respective bond series, any or all outstanding bonds which may be called at par prior to calling any bonds that are callable at a premium. If it is provided in any subsequently issued series of bonds secured by a parity lien on Net Revenues that excess moneys in the 2012 Debt Service Fund and the 2018 Bond Fund shall be used to redeem bonds in advance of scheduled maturity or if the City, at its option, undertakes to redeem outstanding bonds in advance of scheduled maturity, it is agreed and understood that:
 - (i) calls of or prepayment on bonds will apply to each series of bonds on an equal pro rata basis (reflecting the proportion of the original amount of each series of bonds outstanding at the time of such call); and
 - (ii) calls of bonds for each bond series will be in accordance with the call provisions of the respective bond series.
- (e) The City may issue bonds junior and subordinate to the Bonds at any time, provided that the issuance of such bonds does not violate any covenant of the City concerning any of its then outstanding bonds.

SECTION 23. (a) The provisions of this Bond Resolution shall constitute a contract between the City and the Registered Owners from time to time of the Bonds, and after the issuance of the Bonds no changes, additions or alterations of any kind shall be made hereto in any manner except upon consent of the Registered Owners of at least sixty-five percent (65%) in principal amount of the Bonds then outstanding, such consent to be evidenced by an instrument or instruments signed by such Registered Owners and duly acknowledged in the manner of a deed for the conveyance of real estate in the State of Mississippi. Such instruments shall contain or be accompanied by proofs of ownership of specified numbers and principal amounts of the Bonds, shall be filed in the office of the Clerk and shall be a public record.

(b) Any and all modifications or alterations made in the manner hereinabove provided shall not become effective until the required consents shall have been filed with the Clerk.

(iii) failure by the City to perform or observe any other covenant, agreement or condition on its part contained in this Bond Resolution or in the Bonds, and the continuance thereof for a period of sixty (60) days after written notice thereof to the City by the Registered Owners of not less than ten percent (10%) in principal amount of the then outstanding Bonds; or

(iv) an Act of Bankruptcy occurs.

(c) If there be any default in the payment of the principal of and interest on the Bonds, any court having jurisdiction in the proper action may, upon petition of the Registered Owners of a majority in principal amount of the Bonds then outstanding, appoint a receiver to administer and operate the System with power to fix rates and collect charges sufficient to provide for the payment of the Bonds and to pay the expense of operating and maintaining the System in conformity with the provisions of the Act and of this Bond Resolution.

SECTION 26. At least five (5) days prior to the due date thereof, the Clerk of the City shall remit to the Paying Agent the sum or sums then becoming due as interest, or principal and interest, on the Bonds, plus the sum then due as the charges of the Paying Agent for its services and responsibility under the terms of this Bond Resolution, which charges shall be expenses of operation and shall be charged to and payable from the Operation and Maintenance Fund referred to in Section 14 of this Bond Resolution.

SECTION 29. The City hereby covenants that it will not make any use of the proceeds of the Bonds or do or suffer any other action that would cause: (i) the Bonds to be "arbitrage bonds" as such term is defined in Section 148(a) of the Internal Revenue Code of 1986, as amended (the "**Code**"), and the Regulations promulgated thereunder; (ii) the interest on the Bonds to be included in the gross income of the Registered Owners thereof for federal income taxation purposes; or (iii) the interest on the Bonds to be treated as an item of tax preference under Section 57(a)(5) of the Code.

It is requested that each bid be accompanied by a statement of the net interest cost (computed to six decimal places), but such statement will not be considered a part of the bid. All bids shall remain firm for three (3) hours after the time specified for the opening of bids, and an award of the Bonds, or rejection of bids, will be made by the Governing Body within said period of time.

RIGHT OF REJECTION, CANCELLATION: The Governing Body reserves the right to reject any or all bids submitted, as well as to waive any irregularity or informality in any bid. The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the Governing Body shall return to said bidder its good faith deposit. The Governing Body shall have the right, at its option, to cancel its agreement to sell the Bonds if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the Governing Body shall retain the successful bidder's good faith deposit as liquidated damages as hereinabove provided.

PAYING AGENT, TRANSFER AGENT, AND REGISTRAR: The successful bidder may designate a bank or trust company with a main office or branch located in the State of Mississippi to serve as paying agent (the "**Paying Agent**") for the Bonds within forty-eight (48) hours of the date of sale of the Bonds, subject to the approval of the Governing Body. The Governing Body's approval of the Paying Agent shall be contingent on a determination as to the willingness and ability of the Paying Agent to perform the duties of registrar and transfer agent and on the satisfactory negotiation of service fees. The Paying Agent shall be subject to change by order of the Governing Body under the conditions and in the manner provided in the Bond Resolution under which the Bonds are issued. Both principal of and interest on the Bonds will be payable by check or draft mailed to registered owners of the Bonds as of

the 15th day of the month preceding the maturity date for such principal or interest payment at the addresses appearing in the registration records of the City maintained by the Paying Agent. The Bonds will be transferable only upon the records of the Paying Agent, and the payment of principal at maturity shall be conditioned on the proper presentation and surrender of the Bonds to the Paying Agent.

DELIVERY: The successful bidder must designate within fifteen (15) days of the date of sale, or at such other later date as may be designated by the Governing Body, the names and addresses of the Registered Owners of the Bonds and the denominations in which the Bonds of each maturity are to be issued. If the successful bidder fails to submit such information within the required time, one Bond may be issued for each maturity in the full amount maturing on that date registered in the name of the successful bidder. The Bonds will be delivered at a place to be designated by the purchaser and without cost to the purchaser, and payment therefor shall be made in immediately available funds.

CUSIP NUMBER: It is anticipated that CUSIP identification numbers will be printed on the Bonds unless specifically declined by the purchaser, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the City; the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

SECTION 265(b)(3) DESIGNATION: The City will designate the Bonds as qualified tax-exempt obligations within the meaning and for the purposes of Section 265(b)(3) of the Code.

LEGAL OPINION; CLOSING DOCUMENTS: The Bonds are offered subject to the unqualified approval of the legality thereof by Butler Snow LLP, Ridgeland, Mississippi, Bond Counsel. In the opinion of Butler Snow LLP, interest on the Bonds is exempt from federal and Mississippi income taxes under existing laws, regulations, rulings, and judicial decisions with such exceptions as shall be required by the Internal Revenue Code of 1986. The City will pay for all legal fees and will pay for the printing and validation of the Bonds. The City will not be responsible for the payment of the winning bidder's legal or administrative fees with respect to the Bonds.

A copy of the City's Preliminary Official Statement may be obtained by contacting the office of the Clerk, City Hall, 3330 Hwy 90, Gautier, Mississippi 39553. The Preliminary Official Statement has been "deemed final" by the City for purpose of SEC Rule 15c2-12(b)(1) but is subject to revision, amendment, and completion in a final Official Statement.

CONTINUING DISCLOSURE: The City has covenanted in its Bond Resolution that under Rule 15c2-12, as amended, of the Securities and Exchange Commission (the “**Rule**”), the City will deliver or cause to be delivered (i) annually, within twelve months after the end of each fiscal year of the City ending on or after September 30, 2018, to the Municipal Securities Rulemaking Board updated quantitative financial information and operating data with respect to the City as set forth in the Continuing Disclosure Certificate, the form of which is included in the Official Statement, and (ii) notice of certain events, if any, relating to the Bonds and the City, as set forth in Rule, and as set forth in the Continuing Disclosure Certificate. Anyone requesting information under the continuing disclosure requirements of the Rule should contact the City Clerk, City Hall City Hall, 3330 Hwy 90, Gautier, Mississippi 39553 Telephone Number: (228) 497-8000.

CUSIPs: It is anticipated that CUSIP identification numbers will be secured and printed on the Bonds, but neither the failure to secure or print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with its agreement to purchase the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the City; provided, however, that the CUSIP Global Services charge for the assignment of said numbers shall be paid for by the successful bidder.

ISSUE PRICE: The successful bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at the closing for the Bonds an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, in a form reasonably required by the City and Bond Counsel.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “**competitive sale**” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “**competitive sale requirements**”) because:

- (a) the City shall disseminate this Notice of Bond Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (b) all bidders shall have an equal opportunity to bid;
- (c) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (d) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Bond Sale.

Any bid submitted pursuant to this Notice of Bond Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the competitive sale requirements are not satisfied, the City shall so advise the winning bidder. The City shall treat the first price at which 10% of a maturity of the Bonds (the “**10% test**”) is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the City if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. The City will not require bidders to comply with the “hold-the-offering-price rule” and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% test in order to establish the issue price of the Bonds.

If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the City the prices at which the unsold Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the closing of the Bonds has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Bond Sale. Further, for purposes of this Notice of Bond Sale:

(a) **“public”** means any person other than an underwriter or a related party,

(b) **“underwriter”** means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(c) a purchaser of any of the Bonds is a **“related party”** to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(d) **“sale date”** means the date that the Bonds are awarded by the City to the winning bidder.

The successful bidder will be given at least seven (7) business days advanced notice of the proposed date of delivery of the Bonds when that date has been tentatively determined. It is expected that the Bonds will be delivered in New York, New York and payment therefor shall be made in federal or other immediately available funds.

The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds to be delivered by the City in accordance with the preceding paragraph are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the City shall return to said bidder its good faith deposit without interest. The City shall have the right, at its option, to cancel its agreement to sell the Bonds if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the City shall retain the successful bidder’s good faith deposit as liquidated damages.

FURTHER INFORMATION: Further information with respect to the Bonds may be obtained from Butler Snow LLP, Bond Counsel.

NEW ISSUE-BOOK ENTRY**NON-RATED**

In the opinion of Butler Snow LLP, Ridgeland, Mississippi, as Bond Counsel, assuming continuing compliance by the City with the tax covenants and representations described herein, under existing law, interest on the Bonds is excludable from federal gross income pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not a specific item of tax preference under Section 57 of the Code for the purposes of calculating alternative minimum tax; however, such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations. Bond Counsel is of the further opinion that interest on the Bonds is exempt from Mississippi State income taxation under existing laws. See "TAX EXEMPTION" herein.

Purpose and Authorization

The Bonds are being issued to provide funds for the Project. The Bonds will be issued pursuant to the provisions of the Act and the Bond Resolution.

Form of the Bonds

The Bonds shall be dated _____, 2018, shall be delivered in the denomination of Five Thousand Dollars (\$5,000) each, or integral multiples thereof up to the amount of a single maturity, shall be numbered from one (1) upward in the order of issuance, shall be issued in fully registered form, and shall bear interest from the date thereof at the rate or rates specified herein on May 1 and November 1 of each year (each an ***“Interest Payment Date”***), commencing May 1, 2019.

Redemption Provisions

Bonds maturing on May 1, 2029 and thereafter, are subject to redemption prior to their stated dates of maturity, at par, plus accrued interest to the date of redemption, either in whole, or in part, on any date on or after May 1, 2028.

Notice of redemption identifying the numbers of Bonds or portions thereof to be redeemed shall be given to the Registered Owners thereof by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption. Failure to mail or receive any such notice, or any defect therein or in the mailing thereof, shall not affect the validity of any proceedings for the redemption of Bonds. Any notice mailed as provided in the Bond Resolution shall be conclusively presumed to have been given, irrespective of whether received. If such written notice of redemption is made and if due provision for payment of the redemption price is made, all as provided above, the Bonds which are to be redeemed thereby automatically shall be deemed to have been redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the owner to receive the redemption price out of the funds provided for such payment. If at the time of mailing of any notice of redemption, there shall not be on deposit with the Paying Agent sufficient moneys to redeem all of the Bonds called for redemption, such notice shall state that it is subject to the deposit of moneys with the Paying Agent not later than on the redemption date and shall be of no effect unless such moneys are deposited.

2018 Bond Fund

In the Bond Resolution, the City establishes the 2018 Bond Fund for the Bonds, said fund to be maintained at a qualified depository of the City. Money deposited in the 2018 Bond Fund shall be used solely for the purpose of paying the interest on and principal of the Bonds when and as due. Accrued interest, if applicable, through the date of delivery of the Bonds shall be deposited in the 2018 Bond Fund.

Ownership of the Bonds

In the event the Purchaser shall fail to designate the names, addresses and social security or tax identification numbers of the Registered Owners of the Bonds within thirty (30) days of the date of sale, or at such other later date as may be designated by the City, one (1) Bond registered in the name of the Purchaser may be issued in the full amount for each maturity. Ownership of the Bonds shall be in the Purchaser until the initial Registered Owner has made timely payment and, upon request of the Purchaser, within a reasonable time of the initial delivery of the Bonds, the Paying Agent shall re-register

any such Bond upon its records in the name of the Registered Owner to be designated by the Purchaser in the event timely payment has not been made by the initial Registered Owner.

Except as provided in the Bond Resolution, the Person in whose name any Bond shall be registered in the records of the City maintained by the Paying Agent may be deemed the absolute owner thereof for all purposes, and payment of or on account of the principal of or interest on any Bond shall be made only to or upon the order of the Registered Owner thereof, or his, her or its legal representative, but such registration may be changed as provided in the Bond Resolution. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Registration, Transfer and Exchange of the Bonds

So long as any of the Bonds shall remain outstanding, the City shall maintain with the Paying Agent records for the registration and transfer of the Bonds. The Paying Agent is appointed registrar for the Bonds by the Bond Resolution, in which capacity the Paying Agent shall register in such records and permit to be transferred thereon, under such reasonable regulations as may be prescribed, any Bond entitled to registration or transfer.

Each Bond shall be transferable only in the records of the City upon surrender thereof at the office of the Paying Agent, together with a written instrument of transfer satisfactory to the Paying Agent duly executed by the Registered Owner or his attorney duly authorized in writing. Upon the transfer of any Bond, the City, acting through its Paying Agent, shall issue in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and maturity and rate of interest as the surrendered Bond or Bonds.

In all cases in which the privilege of transferring Bonds is exercised, the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of the Bond Resolution.

For so long as a book-entry only system is used for determining beneficial ownership of the Bonds, such interest shall be payable to DTC or its nominee. Disbursement of such payments to the DTC participants is the responsibility of DTC and disbursement of such payments to the beneficial owners of the Bonds is the responsibility of the DTC participants or the Indirect Participants (see, “**Book-Entry Only System**” herein).

Book-Entry Only System

The Depository Trust Company (“***DTC***”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by the authorized representative of DTC. One fully-registered Bond certificate will be issued for the Bonds in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the

New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“**DTCC**”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“**Beneficial Owner**”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect

Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal payments, and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from the City or Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal payments, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City, or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participates.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the City or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

So long as Cede & Co. is the registered holder of the Bonds as nominee of DTC, references herein to the Holders, holders, or Registered Owners of the Bonds mean Cede & Co. and not the Beneficial Owners of the Bonds.

THE CITY AND THE PAYING AGENT CANNOT AND DO NOT GIVE ANY ASSURANCES THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (I) PAYMENTS OF PRINCIPAL OF OR INTEREST AND PREMIUM, IF ANY, ON THE BONDS; (II) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN BONDS; OR (III) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNERS OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC OR DIRECT OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE CITY NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (3) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF OR INTEREST OR PREMIUM, IF ANY, ON THE BONDS; (4) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE BOND RESOLUTION TO BE GIVEN TO BONDHOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.

Bond Resolution a Contract

In consideration of the purchase and acceptance of any and all of the Bonds by the Registered Owners thereof, the Bond Resolution shall constitute a contract between the City and the Registered Owners from time to time of the Bonds. The pledge made in the Bond Resolution and the covenants and

agreements set forth in the Bond Resolution to be performed on behalf of the City for the benefit of the Registered Owners shall be for the equal benefit, protection and security of the Registered Owners of any and all of the Bonds, all of which, regardless of the time or times of their authentication and delivery or maturity, shall be of equal rank without preference, priority or distinction.

SECURITY FOR THE BONDS

The Bonds will be special obligations of the City payable solely from and secured by a lien on the Net Revenues as collected and received by the City from the operation and ownership of the System. The Bond Resolution defines Net Revenues to mean all System Revenues remaining after payment of Current Expenses and SRF Loans subject to the parity lien of the debt service on the City's 2012 Bonds and the 2013 Note.

The Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional or statutory restriction, limitation, or provision, and the taxing power of the City is not pledged to the payment of the Bonds, either as to principal or interest.

Establishment of Rates

Rates for water and sewer services are established by the Governing Body. The City's current rate schedule was adopted by the Governing Body on October 1, 2010. Newly adopted rates become effective as to each user one month after they have been adopted by the Governing Body provided however, that such newly adopted rates may become effective immediately upon the unanimous approval of the Governing Body based on a finding of good cause and a statement in the adopting ordinance of the reason why it is necessary that the new rate become effective immediately.

Customers Served By City

The following table shows the number of customers served by the City from 2013 to 2017:

FY Ending September 30	Customers
2017	7,346 (Metered Accounts)
2016	7,326 (Metered Accounts)
2015	7,209 (Metered Accounts)
2014	7,300 (Metered Accounts)

Revenues Available for Debt Service

The following schedules, based on projections and information supplied by the City set forth the actual and projected Net Revenues of the System for the period of Fiscal Years 2010 to 2018. Rates for the System are based on a rate schedule adopted by the Governing Body in September 19, 1996, October 1, 2008 and October 1, 2010. Historical calculations for the combined utility system of the City were based on actual data in the City's annual audits (Fiscal Years 2010-2016), unaudited financial data for Fiscal Year 2017 and budgeted financial data for Fiscal Year 2018. Fiscal Years 2017-2018 projections for the System as combined are based on projected growth of 1% per year in revenues plus rate increases and 3% per year in expenses. Historical debt service coverage for the System for Fiscal Years 2010-2017 ranges from a low of

1.23% in Fiscal Year 2016 to a high of 2.33% in Fiscal Year 2014. The following schedules should be reviewed based on the following assumptions:

1. Water rates adopted by the Governing Body in October 1, 2010 are currently in place for the System;
2. Sewer rates adopted by the Governing Body in October 1, 2010 are currently in place for the System;
3. Water and sewer usage is projected to remain constant;
4. Revenue projections of 1% growth, as applicable, and expense projections of 3% growth; and
5. Debt service based on the following:

Rate Covenant

The City has covenanted in the Bond Resolution that so long as any of the Bonds remain outstanding and unpaid, it will fix and maintain rates and make and collect charges for the use and service of the System which will at all times provide Net Revenues sufficient: (i) to pay the Current Expenses of the System, and (ii) to provide one hundred twenty per cent (120%) of the amount of the maximum Principal and Interest Requirements and the payments required to be made to the credit of the Debt Service Reserve Fund for the current Bond Year on account of the Bonds then outstanding.

If the Net Revenues in any Fiscal Year as shown by the City's audit are less than the total amount set forth in subsection (b) of this Section, then it shall, as promptly as possible, request the Consulting Engineers to make recommendations as to a revision of such rates, fees, and charges or methods of operating the System which will result in producing the required amount in the following Fiscal Year. Upon receipt of such recommendations the City shall, subject to applicable requirements imposed by law, immediately revise such rates, fees, and charges and take such other actions respecting the methods of operation of the System as shall in its discretion be deemed necessary. Failure to implement the recommendation of the Consulting Engineer or if coverage is less than one hundred twenty percent (120%) of the maximum Principal and Interest Requirements and the payment required to be made to the credit of the Debt Service Reserve Fund shall be a breach of the City's covenants herein.

SRF Loans

The SRF Loans are loans from the State to the City which were made by the City to finance improvements to the System. The total amount of SRF Loans currently outstanding is approximately \$4,186,134.27. Although the SRF Loans have a lien on the Revenues of the System, they are paid from monies collected by the Mississippi Department of Revenue by diverting sales tax collections prior to remittance of the sales tax to the City. The City can subsequently reimburse itself from the Revenues of the System.

Funds

The 2012 Bond Resolution provided for the creation and establishment of the Revenue Fund to be utilized in connection with the 2012 Bonds and bonds issued on parity therewith, including the 2012 Bonds and the 2013 Note. Upon full payment of the 2012 Bonds either by refunding/redemption or by maturity, the Revenue Fund continued and will continue to be utilized in connection with the 2013 Note and bonds issued on parity therewith, including the Bonds.

The 2013 Loan Agreement provided for the creation and establishment of the 2013 Debt Service Fund to be held by the City for the 2013 Note Bonds and bonds issued on parity therewith, including the Bonds.

The Bond Resolution provides for the creation and establishment of the following funds to be held by the City for the Bonds and bonds issued on parity therewith:

2018 Bond Fund

Debt Service Reserve Fund

The moneys in the foregoing funds shall be held separate and apart from all other funds of the City and shall be applied in the manner provided in the Bond Resolution, and, pending such application, shall be subject to a lien and charge in favor and for the security of Registered Owners of the Bonds and the parity lien of the 2012 Bonds and 2013 Note until paid out or transferred as provided in the Bond Resolution. Any surplus Revenues remaining after all deposits and transfers required by the Bond Resolution shall be used solely for purposes pertaining to the System.

Revenues of the System and Application Thereof

All Revenues shall be set aside as collected and shall be deposited into the Revenue Fund utilized in connection with the 2012 Bonds and bonds issued on parity with the 2012 Bonds, including the 2013 Note and the Bonds. Moneys in said fund shall not be subject to lien or attachment by any creditor of the City and shall be set aside for, allocated to and deposited by the Clerk to the extent available in the following order of preference in the following separate and special funds, created pursuant to the 2012 Bond Resolution, 2013 Loan Agreement, and this Bond Resolution, as applicable, without further direction of or action by the Governing Body or other authority of the City:

(a) On the first business day of each month, commencing in the first month after delivery of the Bonds, there shall be deposited into the Operation and Maintenance Fund created an amount which will provide for the payment of the Current Expenses to be paid during such calendar month, and, in the event that the aggregate amounts deposited into such fund pursuant to this subsection (a) during the preceding months shall have been insufficient to pay all such expenses, an amount sufficient to repay such deficiencies.

(b) To the City such amount necessary to reimburse the general fund of the City for debt service due on the SRF Loans deducted by the Mississippi Department of Revenue from the sales tax rebate to the City.

(c) On the first business day of each month, commencing in the first month after the delivery of the Bonds, there shall be deposited into (i) the 2012 Debt Service Fund an amount which, together with equal subsequent monthly deposits on the first business day of each successive month, will provide a sum equal to the amount necessary to pay interest and principal due and payable through the date on which the next installment of principal on the 2012 Bonds is due; (ii) there shall be deposited into the 2013 Debt Service Fund for the 2013 Note an amount which, together with equal subsequent monthly deposits on the first business day of each successive month, will provide a sum equal to the amount necessary to pay interest and principal due and payable through the date on which the next installment of principal on the 2013 Note is due; and (iii) the 2018 Bond Fund an amount which, together with equal subsequent monthly deposits on the first business day of each successive month, will provide a sum equal to the amount necessary to pay interest and principal due and payable through the date on which the next installment of principal on the Bonds is due.

Provided, that in addition to the moneys required to be paid into the 2018 Bond Fund, the Debt Service Reserve Fund shall be established in order to meet any deficiency in the 2018 Bond Fund in future years. In order to fully fund the Debt Service Reserve Fund, the Clerk shall on the first business day of each month, commencing in the first month after the delivery of the Bonds, continually through the sixtieth (60th) month after the delivery of the Bonds, deposit one sixtieth (1/60th) of the amount representing the Debt Service Reserve Fund Requirement, until the balance in the Debt Service Reserve Fund meets the Debt Service Reserve Fund Requirement, at which amount the Debt Service Reserve Fund shall thereafter be maintained by such future payments as may be necessary to maintain said balance. Notwithstanding any other provision contained herein, upon the determination of any deficiency in the total amount on deposit in the Debt Service Reserve Fund the full amount of such deficiency shall be fully funded within one (1) year of such determination. The Debt Service Reserve Fund shall be used only to pay maturing principal and accruing interest, or both, and only whenever and to the extent that funds otherwise available in the 2018 Bond Fund are insufficient for that purpose. No funds paid into the Debt Service Reserve Fund shall be used to prepay the principal unless such prepayment is for the entire balance of the principal amount of the Bonds. If the amount on deposit in the Debt Service Reserve Fund as valued on the last day of any Bond Year is more than the Debt Service Reserve Fund Requirement, the amount of such excess shall be transferred to the 2018 Bond Fund.

Investment of Moneys on Deposit in the Funds

All sums in the Funds referred to in the Bond Resolution shall be kept on deposit in bank accounts separate from all other bank accounts of the City in a bank or banks having Federal Deposit Insurance Corporation insurance on its accounts and at all times shall be continuously secured as

provided by the laws of the State of Mississippi for other funds of the City, or, in the discretion of the Governing Body, may be invested as directed in the 2012 Bond Resolution and the Bond Resolution, as applicable, in investments authorized by laws of the State of Mississippi as may now be or hereafter become applicable. If any sums in the Funds are invested in bonds or other obligations, such bonds or other obligations shall mature or be redeemable prior to the time the funds so invested will be needed for expenditure. Any interest or other income received from investments shall accrue to and be deposited in the Fund which generated such income or to which such income is attributable and applied toward the purposes set forth in such fund.

System Insurance

As long as any of the Bonds shall remain outstanding and unpaid, the City shall carry and maintain all-risk insurance upon all the properties forming a part of the System which may be of an insurable nature, such insurance to be of the type and kind and for such amount or amounts as carried and maintained by other municipalities rendering services of a similar character in similar communities. The proceeds of all such insurance shall be used only for the maintenance and restoration of the System, or for the payment of the principal of and the interest on the 2012 Bonds, the 2013 Note, and the Bonds.

2018 Bond Fund

Amounts in the 2018 Bond Fund will be used to pay the principal and the redemption price (including premium, if any) of, and the interest on the Bonds.

2012 Operation and Maintenance Fund

Amounts held in the 2012 Operation and Maintenance Fund will be applied by the City to the payment of the Current Expenses as they accrue in accordance with the annual budget of the City for the System.

Debt Service Reserve Fund

The Debt Service Reserve Fund is to be held by the City and maintained to meet any deficiency in the 2018 Bond Fund. The Debt Service Reserve Fund will be funded with Revenues over a sixty (60) month period following the delivery of the Bonds and will be maintained at the required balance set forth in the Bond Resolution. The Debt Service Reserve Fund shall be used only to pay maturing principal and accruing interest, or both, and only whenever and to the extent that funds otherwise available in the 2018 Bond Fund are insufficient for that purpose. No funds paid into the Debt Service Reserve Fund shall be used to prepay the principal unless such prepayment is for the entire balance of the principal amount of the Bonds.

2018 Construction Fund

A certain portion of the proceeds received upon the sale of the Bonds shall be deposited in the 2018 Construction Fund. Amounts in the 2018 Construction Fund (including investment earnings) will be applied to pay the Cost of the Construction Project, including the costs of issuance, provided, however, investment earnings may be deposited to the 2018 Bond Fund to pay debt service on the Bonds during the construction period for the Construction Project. Any balance remaining in the 2018 Construction Fund after the Construction Project has been completed, and all related costs and expenses paid, shall be deposited into the 2018 Bond Fund and expended in accordance with State law.

Additional Bonds

The City has reserved the right to issue one or more series of additional bonds on parity with the Bonds ("**Additional Bonds**") for any lawful purpose, including refunding any previously issued series of bonds or any other bonds or obligations of the City issued in connection with the System or payable from Net Revenues, provided in each instance that:

(i) the Net Revenues available for payments of principal and interest on the Bonds for a period of 12 consecutive months during the 18 months preceding the month in which such additional parity bonds are issued must be certified by an accountant to have been at least equal to 120% of the highest annual debt service payments in any succeeding Bond Year with respect to the Bonds, any other outstanding bonds, including the 2012 Bonds and the 2013 Note, and the bonds proposed to be issued; or in lieu of the foregoing formula, if a new schedule of rates, fees and charges for the services, facilities and commodities of the System shall have been adopted, then the Net Revenues available for debt service payments (taking into account such new rates) must be certified by an accountant to have been at least equal to 120% of the highest annual debt service payments in any succeeding Bond Year with respect to the Bonds, any other outstanding bonds, including the 2012 Bonds and the 2013 Note, and the bonds proposed to be issued during the period set forth above; and

(ii) the pledge of and lien on the Net Revenues and amounts on deposit from time to time in the 2018 Bond Fund shall be extended for the benefit of the Registered Owners of the Additional Bonds; and

(iii) the resolution under which the proposed bonds are being issued shall provide for the funding of the increase in the Debt Service Reserve Fund resulting from the issuance of such Additional Bonds from the proceeds of such Additional Bonds.

The City may issue bonds junior and subordinate to the Bonds at any time, provided that the issuance of such bonds does not violate any covenant of the City concerning any of its then outstanding bonds

TAX EXEMPTION

General

The Internal Revenue Code of 1986, as amended (the “Code”), establishes certain requirements which must be met subsequent to delivery of the Bonds in order that the interest on the Bonds not be included in gross income of the registered owners for federal income tax purposes under Section 103 of the Code. The certificate as to non-arbitrage and other tax matters of the City, which will be delivered concurrently with the delivery of the Bonds, will contain provisions and procedures relating to compliance with such requirements of the Code. The City agrees, covenants and represents in the Bond Resolution that it will not make any use of the gross proceeds of the Bonds or any amount that may be treated as proceeds of the Bonds or do or take or omit to take any other action that would cause: (i) the Bonds to be “arbitrage bonds” as such term is defined in Section 148(a) of the Code and the regulations promulgated thereunder; (ii) the interest on the Bonds to be included in the gross income of the registered owners for federal income taxation purposes; or (iii) the interest on the Bonds to be treated as an item of tax preference under Section 57(a)(5) of the Code.

Except as expressly stated in the following two paragraphs of this section, Bond Counsel will express no opinion as to any federal or state consequences of the ownership of, receipt of interest on, or disposition of the Bonds.

In the opinion of Butler Snow LLP, Bond Counsel, under existing law, interest on the Bonds is not included in gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code and interest on the Bonds is not treated as a preference item in calculating the alternative minimum tax that may be imposed on individuals and corporations. Such interest, however, is includable in the “adjusted current earnings” of a corporation for purposes of computing the alternative minimum tax and the environmental tax imposed on corporations (see “**Certain Federal Tax Information** - **Alternative Minimum Tax**”). In rendering the foregoing opinion, Bond Counsel has assumed the compliance by the City with the tax covenants and representations in the Bond Resolution and the representations in the certificate as to non-arbitrage and other tax matters. These requirements relate to, *inter alia*, the use and investment of the gross proceeds of the Bonds, the use of any facility, equipment or improvement financed or refinanced directly or indirectly with the proceeds of the Bonds and rebate to the United States Treasury of specified arbitrage earnings, if any. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Bonds have resulted in a failure of the City to comply with its covenants. Failure of the City to comply with such covenants could result in the interest on the Bonds becoming subject to federal income tax from the date of issue. For federal tax information, see “**Certain Federal Tax Information**” herein.

Under existing law, Bond Counsel is of the opinion that, interest on the Bonds is exempt from all present taxes imposed by the State.

Certain Federal Tax Information

General. The following discussion of certain federal income tax matters is a summary of possible collateral tax consequences. It does not purport to deal with all aspects of federal taxation that may be relevant to particular Registered Owners. Further, the following discussion should not be construed as expressing an opinion of Bond Counsel as to any such matters, not specifically addressed in their opinion. **Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences in certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with “excess net passive income,” foreign corporations subject to the branch profits tax, life insurance companies and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry or have paid or incurred certain expenses allocable to the Bonds. Bond Counsel does not express any opinion regarding such collateral tax consequences. Prospective purchasers of the Bonds should consult their tax advisors regarding collateral federal income tax consequences.**

Alternative Minimum Tax. The Code imposes an alternative minimum tax with respect to individuals and corporations on alternative minimum taxable income. A twenty percent (20%) alternative corporate minimum tax is imposed on corporations (other than S corporations, regulated investment companies, real estate investment trusts or real estate mortgage investment conduits, as such terms are defined in the Code). Interest on the Bonds is not treated as a preference item in calculating alternative minimum taxable income. The Code provides, however, that a corporation’s alternative minimum taxable income is increased by seventy-five percent (75%) of the excess (if any) of (i) the “adjusted current earnings” of a corporation over (ii) its alternative minimum taxable income (determined without regard to this adjustment and the alternative tax net operating loss deduction). Interest on tax-exempt obligations, including the interest on the Bonds, would generally be included in computing a corporation’s “adjusted current earnings.” Accordingly, a portion of any interest on the Bonds received or accrued by a corporate Registered Owner will be included in computing such corporation’s alternative minimum taxable income for such year.

Financial Institutions. Section 265(b)(1) of the Code provides that commercial banks, thrift institutions and other financial institutions may not deduct the portion of their otherwise allowable interest expense allocable to tax exempt obligations acquired after August 7, 1986 (other than “qualified tax-exempt obligations” as defined in Section 265(b)(3) of the Code).

The City has designated the Bonds as “qualified tax-exempt obligations” pursuant to Section 265(b)(3) of the Code. Eighty percent (80%) of the interest expense deemed incurred by banks, thrift

institutions and other financial institutions to purchase or to carry “qualified tax-exempt obligations” is deductible.

Changes in Federal and State Tax Laws

From time to time, there are legislative proposals introduced and regulatory actions proposed or announced at the federal or state level that, if enacted, could alter or amend directly or indirectly relevant federal and state tax matters, including, without limitation, those mentioned hereinabove or could adversely affect the market value of the Bonds. It cannot be predicted whether or when or in what form any such legislative or regulatory proposal might be enacted or implemented or whether if enacted or implemented it would apply to tax exempt obligations issued prior to enactment or implementation. In addition, from time to time litigation is threatened or commenced which, if concluded in a particular manner, could adversely affect relevant tax matters or the market value of the Bonds. It cannot be predicted how any particular litigation or judicial action will be resolved or whether the Bonds or the market value thereof would be impacted thereby. Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending or proposed legislation, regulatory initiatives or litigation.

TAX TREATMENT OF ORIGINAL ISSUE DISCOUNT

The Bonds maturing on May 1 in the years 20____ through 20____ (the “**Discount Bonds**”) are being offered and sold to the public at an original issue discount (“**OID**”) from the amounts payable at maturity thereon. OID is the excess of the stated redemption price of a bond at maturity (the face amount) over the “issue price” of such bond. The issue price is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of bonds of the same maturity are sold pursuant to that initial offering. For federal income tax purposes, OID on bond will accrue over the term of the bond, and for the Discount Bonds, the amount of accretion will be based on a single rate of interest, compounded semiannually (the “**yield to maturity**”). The amount of OID that accrues to an owner of a Discount Bond during any accrual period generally equals (i) the issue price of such Discount Bond plus the amount of OID accrued in all prior accrual periods, multiplied by (ii) the yield to maturity of such Discount Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (iii) any interest payable on such Discount Bond during such accrual period. The amount of OID so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for federal income tax purposes, and will increase the owner’s tax basis in such Discount Bond.

Holders of Discount Bonds should consult their own tax advisors as to the treatment of OID and the tax consequences of the purchase of such Discount Bonds other than at the issue price during the initial public offering and as to the treatment of OID for state tax purposes.

TAX TREATMENT OF ORIGINAL ISSUE PREMIUM

The Bonds maturing on May 1 in the years 20__ through 20_____ (the “**Premium Bonds**”) have an issue price that is greater than the amount payable at maturity of such Premium Bonds. A purchaser of a Premium Bond must amortize any premium over such Premium Bond’s term using constant yield principles, based on the Premium Bond’s yield to maturity. As premium is amortized, the purchaser’s basis in such Premium Bond and the amount of tax-exempt interest received will be reduced by the amount of amortizable premium properly allocable to such purchaser. This will result in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes on sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser’s basis is reduced, no federal income tax deduction is allowed. Purchasers of any Premium Bond, whether at the time of initial issuance or subsequent thereto, should consult their tax advisors with respect to the determination and treatment of premium for federal income tax purposes, and with respect to state and local tax consequences of owning such Premium Bonds.

CONTINUING DISCLOSURE

The City has covenanted for the benefit of the owners of the Bonds to provide certain financial information and operating data relating to the Bonds within twelve months after the end of each fiscal year of the City ending in or after September 30, 2018 (the “**Annual Report**”), and to provide notices of the occurrence of certain enumerated events, in certain cases if deemed material under federal laws. The Annual Report and notices of material events will be filed by the City with (a) the Municipal Securities Rulemaking Board (the “**MSRB**”) through MSRB’s Electronic Municipal Market Assess system at <http://emma.msrb.org> (“**EMMA**”) in the electronic format then prescribed by the Securities and Exchange Commission (the “**SEC**”) pursuant to SEC Rule 15c2-12(b)(5) (the “**Rule**”), and with (b) any public or private repository or entity designated by the State as a State repository, if any, for the purposes of the Rule. This information will be made available free to securities brokers and the general public through EMMA. For the procedures for all filings and notices due to the MSRB, instructions will be provided on the following website for MSRB: <http://emma.msrb.org>. The specific nature of the information to be contained in the Annual Report or the notices of material events is summarized in **APPENDIX D** to this Official Statement. These covenants have been made in order to assist the Purchaser in complying with the Rule.

There have been instances in each of the past five years that the City has failed to file certain annual financial information and operating data as required by its prior continuing disclosure undertakings. The City filed certain information required under its continuing disclosure undertakings,

including notice of failure to file certain information required under its continuing disclosure undertakings for its prior debt subject to the Rule. Said failure to file and material event notices can be found on EMMA.

The City is current on all of its disclosure obligations with the exception of the filing of its Fiscal Year 2016–17 audit. The City filed a Notice of Failure to File its Fiscal Year 2016–17 audit on EMMA and will file the Fiscal Year 2016–17 audit on EMMA as soon as it is available. The City’s intention is to file the information required by its continuing disclosure undertakings in a complete and timely manner.

MISCELLANEOUS AND LEGAL INFORMATION

No Default on Securities

No securities of the City have been in default as to principal or interest payments or in any other material respect at any time in at least the last 25 years. No principal or interest on any obligation of the City is past due.

No Bond Proceeds for Current Operating Expenses

No proceeds from the sale of securities (except tax anticipation notes issued against revenues of a current fiscal year) have been used for current operating expenses at any time in at least the last ten years.

Pension Plan

The City has no pension plan or retirement plan for employees. The City employees are members of and contribute to the Mississippi Public Employees’ Retirement System (“**PERS**”), a cost-sharing, multiple-employer, defined benefit pension plan. PERS provides retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. The PERS Board of Trustees authority to determine contribution rates is established Section 25-11-1 *et seq.* of the Mississippi Code of 1972 and may be amended only by the State Legislature.

The Governmental Accounting Standards Board (“**GASB**”) approved two (2) new standards on June 25, 2012 that will substantially improve the accounting and financial reporting of public employee pensions by state and local governments, including the State. Statement No. 67, Financial Reporting for Pension Plans, revises existing guidance for the financial reports of most pension plans. Statement No. 68, Accounting and Financial Reporting for Pensions as amended by Statement No. 71, revises and establishes new financial reporting requirements for most governments that provide their employees with pension benefits.

The Provisions in Statement 67 are effective for financial statements for period beginning after June 15, 2013. The provisions in Statement 68 and Statement 71 are effective for fiscal years beginning after June 15, 2014. PERS is compliant with Statement 67 and is making plans to fully comply with Statements 68 and 71.

The PERS employer contribution rate was 9.75 percent in fiscal year 2005 with an increase in fiscal year 2006 to 10.75 percent. Beginning in fiscal year 2007, the employer contribution rate increased from 10.75 percent in .55 percent increments until the target rate of 11.85% was met in fiscal year 2008. Use of the phased-in employer contribution rate increase resulted in an annual contribution deficit for fiscal year 2007. The purposes of the phased-in approach was to moderate the impact to the State of a contribution rate increase. A slight increase in the employer contribution rate was implemented in fiscal year 2010, from 11.85 percent to 12.0 percent. In fiscal year 2010, the actuary's recommended employer contribution rate was to increase from 12.0 percent to a projected 13.56 percent for fiscal year 2011. In lieu of the employer contribution rate increase, the member contribution rate was increased from 7.25 to 9.0 percent for fiscal year 2011, which produced a decrease in employer normal cost. The reduction in normal cost, coupled with favorable investment experience, resulted in a revised recommended employer contribution rate decreased from 13.56 percent to 12.93 percent, which became effective January 1, 2012. The employer contribution rate increased in fiscal year 2013 to 14.26 percent and in fiscal year 2014, the Board implemented a revised funding policy aimed at stabilizing the employer contribution rate, which was set at 15.75 percent, and established a goal for the Plan to be 80.0 percent funded by 2042. At June 30, 2015, PERS employers' total pension liability was \$40.4 billion. The plan fiduciary net position was \$24.9 billion resulting in a net pension liability of \$15.5 billion. The plan fiduciary net position as a percentage of the total pension liability was 61/8 percent using measurements established by GASB Statement No. 67, Financial Reporting for Pension Plans. PERS latest publicly available financial report for 2017 is available on the PERS website located at www.pers.ms.gov.

At September 30, 2016, PERS members were required to contribute 9% of their annual covered salary, and the City is required to contribute at an actuarially determined rate. The rate at September 30, 2017 was 15.75% of annual covered payroll. The City's proportion of the PERS net pension liability was based on a projection of the City's long-term share of contribution to the pension plan relative to projected contributions of all participating entities, actuarially determined. At June 30, 2016, the City's proportion was .067%. For the year ended September 30, 2016, the City recognized PERS pension expense for governmental activities of \$1,363,867.

Legal Proceedings

There are no pending legal proceedings which might be expected to affect the City's ability to perform its obligations to the Registered Owners of the Bonds.

Validation

Prior to issuance, the Bonds will be validated before the Chancery Court of Jackson County as provided by Sections 31-13-1 to 31-13-11, Mississippi Code of 1972, as amended.

Approval of Legal Proceedings

All legal matters in connection with the authorization and issuance of the Bonds are subject to the final approval of the legality thereof by Bond Counsel. The form of the opinion of Bond Counsel is attached hereto as **APPENDIX E** and will be available in final form at the time of delivery of the Bonds. No representation is made to the Registered Owners of the Bonds that Bond Counsel has verified the accuracy, completeness or fairness of the statements in the Official Statement and Bond Counsel assumes no responsibility to the registered owners of the Bonds except for the matters set forth in such opinion.

Bankruptcy

The City is a “Municipality” as that term is defined in Title 11 of the United States Code (the “**Bankruptcy Code**”).² Section 109(c) of the Bankruptcy Code prescribes the conditions and circumstances under which a Municipality may file a petition for relief under the Bankruptcy Code. As a debtor, a Municipality may *only* file for relief pursuant to Chapter 9 of the Bankruptcy Code (“**Chapter 9**”). Pursuant to Section 303(a) of the Bankruptcy Code, no creditor or judgment holder of a Municipality may file a Chapter 9 petition on behalf of a Municipality.

Pursuant to Section 109(c)(2) of the Bankruptcy Code, before a municipality may file a petition under Chapter 9 of the Bankruptcy Code, a municipality must be specifically authorized by (a) state law or (b) a governmental officer or organization empowered to authorize such a filing. Accordingly, before a Municipality in the State may file for Chapter 9 protection, it must have specific authority granted to it. Currently, there is no State statute that prescribes, authorizes or otherwise contains authorization for any Municipality to file for Chapter 9 protection, or delegates such authority to a governmental officer or organization. As such, in order for a State Municipality, including the City, to file for Chapter 9 relief, the Municipality must obtain specific authority from the State Legislature.

The State Legislature is comprised of the Senate and the House of Representatives. The Senate is composed of 52 members, and the House of Representatives consists of 122 members. Each member of each chamber is elected to a four-year term. In the State, the Legislature convenes annually on the first Tuesday after the first Monday each January. Regular sessions of the State Legislature last 90 days

² Section 101(40) of the Bankruptcy Code provides that “[t]he term “municipality” means political subdivision or public agency or instrumentality of a state.” 11 U.S.C. § 101(40).

in all years of an administration except for the first session after a new governor has been elected, when a 125-day session is held.

In order to obtain specific authority from the State Legislature to file for relief pursuant to Chapter 9, a Municipality would have to request both houses during the annual session of the State Legislature to approve a bill authorizing the Municipality to file for relief pursuant to Chapter 9 and such bill would have to be signed into law by the Governor of the State. There is no appeal process or any other proceeding under current State law that the Municipality may pursue if such requested specific authority is not granted by the State Legislature.

Assessed valuations are based upon the following assessment ratios:

- (a) Real and personal property (excluding single-family owner-occupied residential real property and motor vehicles, respectively), fifteen percent (15%) of true value;
- (b) Single-family owner-occupied residential real property, ten percent (10%) of true value;
- (c) Motor vehicles and public utility property, thirty percent (30%) of true value.

The 1986 Session of the Mississippi Legislature adopted House Concurrent Resolution No. 41 (the "Resolution"), pursuant to which there was proposed an amendment to the Mississippi Constitution of 1890 (the "Amendment"). The Amendment provided, inter alia, that the assessment ratio of any one class of property shall not be more than three times the assessment ratio on any other class of property.

The Amendment set forth five classes of property and the assessment ratios which would be applicable thereto upon the adoption of the Amendment. The assessment ratios set forth in the Amendment are identical to those established by Section 27-35-4, Mississippi Code of 1972, as it existed prior to the Amendment, except that the assessment ratio for single-family, owner-occupied residential real property under the Amendment is set at ten percent (10%) of true value as opposed to fifteen percent (15%) of true value under previously existing law.

Procedure for Property Assessments

The Tax Assessor of Jackson County assesses all real and personal property subject to taxation in the County, including property in the City, except motor vehicles and property owned by public service corporations, both of which are required by law to be assessed by the Mississippi Department of Revenue.

Section 21-33-9, Mississippi Code of 1972, as amended, provides that the governing authorities of a municipality which is located within a county having completed a county-wide reappraisal approved by the Mississippi Department of Revenue and which has been furnished a true copy of that part of the county assessment roll containing the property located within a municipality as provided in Section 27-35-167, Mississippi Code of 1972, as amended, shall adopt such assessment rolls for its assessment purposes. The City is utilizing the assessment rolls of the County.

⁷ Decrease in real property assessed value due to the demolition of commercial property during the 2015 tax year, and subsequent adjustments to the tax rolls.

The City may not correct or revise such assessment rolls except for the purpose of conforming the municipal assessment roll to corrections or revisions made to the County assessment roll. All objections to the municipal assessment roll may be heard by the Board of Supervisors of the County at the time and in the manner that objections to the County assessment roll are heard. The Board of Supervisors shall notify, in writing, the Governing Body and the Tax Assessor of the City of any corrections or revisions made by it to the part of the County assessment roll adopted as the municipal assessment roll.

Procedure for Tax Collections

The Governing Body is required to levy a special tax upon all of the taxable property within the geographical limits of the City each year sufficient to provide for the payment of the principal of and interest on the City's general obligation bonds. If any taxpayer neglects or refuses to pay his taxes on the due date thereof, the unpaid taxes bear interest at the rate of one percent (1%) per month or fractional part thereof from the

delinquent date to the date of payment of such taxes. When enforcement officers take action to collect delinquent taxes, other fees, penalties and costs may accrue. Both real property and personal property are subject to public tax sale.

Section 21-33-63, Mississippi Code of 1972, as may be amended from time to time, and related statutes provide that after the fifteenth day of February and after the fifteenth day of August in each year, the tax collector for each municipality shall advertise all lands in such municipality on which all the taxes due and in arrears have not been paid, as well as all land liable for sale on the first Monday of April or the third Monday of September following, as the case may be.

Reappraisal of Property and Limitation on Ad Valorem Levies

Senate Bill No. 2672, General Laws of Mississippi, Regular Session 1980, codified in part as Sections 27-35-49 and 27-35-50, Mississippi Code of 1972 (the "Reappraisal Act"), provides that all real and personal property in the State shall be appraised at true value and assessed in proportion to true value. To insure that property taxes do not increase dramatically as the counties complete reappraisals, the Reappraisal Act provides for the limit on increase in tax revenues discussed below.

The statute limits ad valorem tax levies by the City subsequent to October 1, 1980, to a rate which will result in an increase in total receipts of not greater than ten percent (10%) over the previous year's receipts, excluding revenue from ad valorem taxes on any newly constructed properties, any existing properties added to the tax rolls or any properties previously exempt which were not assessed in the next preceding year. This limitation does not apply to levies for the payment of the principal of and the interest on general obligation bonds issued by the City or to certain other specified levies. The limitation may be increased only if the proposed increase is approved by a majority of those voting in an election held on such question.

On August 20, 1980, the Mississippi Supreme Court rendered its decision in State Tax Commission v. Fondren, 387 So.2d 712, affirming the decree of the Chancery Court of the First Judicial District of Hinds County, Mississippi, wherein the Mississippi Department of Revenue (formerly the State Tax Commission) was enjoined from accepting and approving assessment rolls from any county in the State for the tax year 1983 unless the Mississippi Department of Revenue equalized the assessment rolls of all of the counties. Due to the intervening passage of the Reappraisal Act, the Supreme Court reversed that part of the lower court's decree ordering the assessment of property at true value (although it must still be appraised at true value), holding instead that assessed value may be expressed as a percentage of true value. Pursuant to the Supreme Court modification of the Chancellor's decree, on November 15, 1980, the Mississippi Department of Revenue filed a master plan to assist counties in determining true value. On February 7, 1983, the Chancery Court granted an extension until July 1, 1984, of its previous deadline past which the Mississippi Department of Revenue could not accept and approve tax rolls from counties which had not yet reappraised. The City has completed reappraisal.

Homestead Exemption

The Mississippi Homestead Exemption Law of 1946 reduces the local tax burden on homes qualifying by law and substitutes revenues from other sources of taxation on the State level as a reimbursement to the local taxing units for such tax loss. Provisions of the homestead exemption law determine qualification, define ownership and limit the amount of property that may come within the exemption. The exemption is not applicable to taxes levied for the payment of the Bonds, except as hereinafter noted.

Those homeowners who qualify for the homestead exemption and who have reached the age of sixty-five (65) years on or before January 1 of the year for which the exemption is claimed, service-connected, totally disabled American veterans who were honorably discharged from military service and those qualified as disabled

under the federal Social Security Act are exempt from any and all ad valorem taxes on qualifying homesteads not in excess of \$7,500 of assessed value thereof.

The tax loss resulting to local taxing units from properly qualified homestead exemptions is reimbursed by the Mississippi Department of Revenue. Beginning with the 1984 supplemental ad valorem tax roll and for each roll thereafter, no taxing unit shall be reimbursed an amount in excess of one hundred six percent (106%) of the total net reimbursement made to such taxing unit in the next proceeding year.

Statutory Debt Limits

The City is subject to a general statutory debt limitation under which no municipality in the State may incur general obligation bonded indebtedness in an amount which will exceed fifteen percent (15%) of the

assessed value of the taxable property within such municipality according to the last completed assessment for taxation.

In computing general obligation bonded indebtedness for purposes of such fifteen percent (15%) limitation, there may be deducted all bonds or other evidences of indebtedness issued for school, water and sewerage systems, gas and light and power purposes and for the construction of special improvements primarily chargeable to the property benefited, or for the purpose of paying a municipality's proportion of any betterment program, a portion of which is primarily chargeable to the property benefited. However, in no case may a municipality contract any indebtedness payable in whole or in part from proceeds of ad valorem taxes which, when added to all of its outstanding general obligation indebtedness, both bonded and floating, exceeds twenty percent (20%) of the assessed value of the taxable property within such municipality.

In arriving at the limitations set forth above, bonds issued for school purposes, bonds payable exclusively from the revenues of any municipally-owned utility, general obligation industrial bonds issued under the provisions of Sections 57-1-1 to 57-1-51, Mississippi Code of 1972, as amended, and special assessment improvement bonds issued under the provisions of Sections 21-41-1 to 21-41-53, Mississippi Code of 1972, as amended, are not included. Also excluded from both limitations are contract obligations subject to annual appropriations.

INFORMATION ON THE SYSTEM

[THIS PAGE LEFT BLANK INTENTIONALLY]

APPENDIX B
INFORMATION ON THE COMBINED UTILITY SYSTEM
CITY OF GAUTIER, MISSISSIPPI
FISCAL YEAR 2017

General

The Gautier Utility District (the “District”) was originally created in 1973 under the provisions of Senate Bill 2251, Local and Private Laws of Mississippi, Regular Session, 1966, as a combined water and sewer utility and a fire protection district. The District’s service area was five miles west of the City of Pascagoula, Mississippi, the County seat, and 20 miles east of Biloxi, Mississippi.

On July 31, 2002, the City, through an annexation of the property within the District, assumed the operation and maintenance of the District and the System as well as the obligations of the District. The City’s service area is bounded on the east by the West Pascagoula River, to the northwest by the Mississippi Sandhill Crane National Wildlife Refuge and to the south by the Gulf of Mexico (the “Service Area”). Opportunity for growth exists to the west, south of the refuge, and to the north. Nearly all of the densely populated areas within the Service Area are being served. The City continues to make a concerted effort to enhance the revenue potential of the System by improved internal control and customer additions.

The Water System

The City currently provides water service to approximately 6,976 customers (computing commercial users on a residential customer equivalent basis). The Service Area’s water supply source consists of eight ground wells located throughout the Service Area with a combined pumping capacity of 4,410 gallons per minute, the largest well delivering 850 gallons per minute. Treatment of the groundwater is accomplished at the well heads. As the City has developed, it has always utilized water wells for its water source. Currently, the wells supplying the Service Area are all in the Pascagoula Formations (depth 600’ to 800’). The Service Area’s groundwater sources are of such quality so as to only require chlorination prior to entering the System. Water storage is comprised of four elevated tanks with a capacity of 1,000,000 gallons. The largest storage tank holds 500,000 gallons. At present, the Service Area has approximately 120 miles of water lines in service. The overall condition of the water system is fair to good. The average daily consumption is approximately 1.26 million gallons.

The Sewer System

The City’s sewer system is made up of approximately 13.5 miles of interceptors and 103 miles of collection lines. The City’s sewer system is connected via two pump stations and a force main to the facilities of the Jackson County Utility Authority (the “Authority”), that, through a contractual arrangement, provides treatment of the collected wastewater. The City is a member of the joint venture of the Authority, which was established by an act of the State Legislature to design and implement a water pollution abatement plan. The Authority is responsible for the operations and maintenance of the wastewater treatment plants for the cities of Gautier, Moss Point, Ocean Springs and Pascagoula. The Authority enters into subscription agreements with each of the governing bodies and districts to fund its operations.

Currently, the City’s average flow of wastewater to the Authority’s treatment system is 1,500,000 gallons per day. The Authority has a design capacity of 4,000,000 gallons per day.

The City’s monthly payment for wastewater treatment is established prior to the beginning of each fiscal year based on a formula used for projecting the City’s expected wastewater flows. Because the amount of

wastewater actually treated will differ from the amount estimated to be treated, the monthly fee paid to the Authority is further adjusted by the amount by which the City either overpaid or underpaid in the preceding year.

The City has taken various actions as a precaution to the possibility of volatile wastewater treatment costs in future fiscal years. The City has established a Rate Stabilization Fund. The amounts on hand in the Rate Stabilization Fund may be withdrawn by the City for the purpose of payment of any Current Expenses incurred including the payment of wastewater treatment costs.

Fire Protection

The fire protection facilities of the City include three fire stations. The three stations, are located within the corporate limits of the City, and are owned and operated by the City.

Mandatory Connections

On June 16, 1986, the Board of Supervisors of the County, having previously created the District on July 3, 1973, unanimously adopted a resolution requiring connection to the System of all dwellings and buildings in the Service Area of the District within reasonable proximity to the System. Refusal to connect to the System is a misdemeanor and subjects the offender to a fine not to exceed \$100 to be imposed by any court of competent jurisdiction, with each day that the subject dwelling or building is unconnected constituting a separate offense.

Utility Rate Schedule

The following table sets forth the utility rate schedule for water and sewer customers in the City:

¹ Following the City's annexation in 2002, the City has not billed their citizens/customers for fire protection or wastewater treatment. Fire protection is provided through the City's general fund budget and wastewater treatment is included in the sewer charges. Information as of March 2018.

In the event that the anticipated increase in revenues attributable to the increased customer base and rate schedule is insufficient to pay the capitalization and operating costs of the System in future years, the City is committed to increasing water and sewer rates to the extent necessary to meet any such shortfalls in revenue that may occur.

Management of the System

The System is a division of the City and is operated and maintained by the City. The System is governed by the Governing Body and is administered by the Department of Public Works. The daily operations of the System are performed by the division head and 35 employees. The City prepares financial statements for the System.

Establishment of Rates

Rates for water and sewer services are established by the Governing Body. The City's current rate schedule was adopted by the Governing Body on October 1, 2010. Newly adopted rates become effective as to each user one month after they have been adopted by the Governing Body provided however, that such newly adopted rates may become effective immediately upon the unanimous approval of the Governing Body based on a finding of good cause and a statement in the adopting ordinance of the reason why it is necessary that the new rate become effective immediately.

Revenues Available for Debt Service

The following schedules, based on projections and information supplied by the City set forth the actual and projected Net Revenues of the System for the period of Fiscal Years 2010 to 2018. Rates for the System are based on a rate schedule adopted by the Governing Body in September 19, 1996, October 1, 2008 and October 1, 2010. (See “THE COMBINED UTILITY SYSTEM – Utilities Rate Schedule,” herein). Historical calculations for the combined utility system of the City were based on actual data in the City’s annual audits (Fiscal Years 2010-2016), unaudited financial data for Fiscal Year 2017 and budgeted financial data for Fiscal Year 2018. Fiscal Years 2017-2018 projections for the System as combined are based on projected growth of 1% per year in revenues plus rate increases and 3% per year in expenses. Historical debt service coverage for the System for Fiscal Years 2010-2017 ranges from a low of 1.23% in Fiscal Year 2016 to a high of 2.33% in Fiscal Year 2014. The following schedules should be reviewed based on the following assumptions:

6. Water rates adopted by the Governing Body in October 1, 2010 are currently in place for the System;
7. Sewer rates adopted by the Governing Body in October 1, 2010 are currently in place for the System;
8. Water and sewer usage is projected to remain constant;
9. Revenue projections of 1% growth, as applicable, and expense projections of 3% growth; and
10. Debt service based on the following:

(d) The Issuer acknowledges that it is not required to provide a notice of a Listed Event with respect to credit enhancement when the credit enhancement is added after the primary offering of the Bonds, the Issuer does not apply for or participate in obtaining such credit enhancement, and such credit enhancement is not described in the Official Statement.

SECTION 6. Mandatory Electronic Filing with EMMA. All filings with the MSRB under this Disclosure Certificate shall be made by electronically transmitting such filings through the EMMA Dataport at <http://www.emma.msrb.org>, as provided by the amendments to the Rule adopted by the SEC in Securities Exchange Release No. 59062 on December 5, 2008.

SECTION 7. Amendment; Waiver.

(a) Notwithstanding any other provision of this Disclosure Certificate, this Disclosure Certificate may be amended, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(1) If the amendment or waiver relates to the provisions of Section 3(a), 3(b), 3(c), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the identity, nature, or status of the Issuer or the type of business conducted by the Issuer;

(2) This Disclosure Certificate, as so amended or taking into account such waiver, would, in the opinion of Securities Counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(3) The amendment or waiver does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Bondholders or Beneficial Owners.

(b) In the event of any amendment to, or waiver of a provision of, this Disclosure Certificate, the Issuer shall describe such amendment or waiver in the next Annual Report and shall include an explanation of the reason for such amendment or waiver. In particular, if the amendment results in a change to the annual financial information required to be included in the Annual Report pursuant to Section 4 of this Disclosure Certificate, the first Annual Report that contains the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of such change in the type of operating data or financial information being provided. Further, if the annual financial information required to be provided in the Annual Report can no longer be generated because the operations to which it related have been materially changed or discontinued, a statement to that effect shall be included in the first Annual Report that does not include such information.

(c) If the amendment results in a change to the accounting principles to be followed in preparing financial statements as set forth in Section 4 of this Disclosure Certificate, the Annual Report for the Fiscal Year in which the change is made shall include a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of

such differences and the impact of the changes on the presentation of the financial information. To the extent reasonably feasible, the comparison shall also be quantitative. A notice of the change in accounting principles shall be filed by the Issuer with the MSRB.

SECTION 8. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or Notice of Material Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or Notice of Material Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or Notice of Material Event.

SECTION 9. Failure to Comply. In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate any Participating Underwriter or any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer to comply with its obligations under this Disclosure Certificate. Provided, with respect to matters relating to the adequacy of the information required by the Rule, only bondholders aggregating not less than twenty-five percent (25%) of the aggregate principal amount of the Bonds outstanding may exercise remedies with respect thereto. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Bond Resolution, and the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance. The Paying Agent shall not have any power or duty to enforce this Disclosure Certificate.

SECTION 12. Governing Law. This Disclosure Certificate shall be construed and interpreted in accordance with the laws of the State, and any suits and actions arising out of this Disclosure Certificate shall be instituted in a court of competent jurisdiction in the State. Notwithstanding the foregoing, to the extent this Disclosure Certificate addresses matters of federal securities laws, including the Rule, this Disclosure Certificate shall be construed and interpreted in accordance with such federal securities laws and official interpretations thereof.

FORM OF OPINION OF BOND COUNSEL

[FORM OF OPINION OF BOND COUNSEL]

Mayor and City Council
City of Gautier, Mississippi

RE: \$4,000,000 City of Gautier, Mississippi Combined Water and Sewer System Revenue
 Bonds, Series 2018

Dear Sirs:

We have acted as Bond Counsel ("**Bond Counsel**") for the City of Gautier, Mississippi (the "**City**"), in connection with the issuance of the City of Gautier Mississippi Combined Water and Sewer System Revenue Bonds, Series 2018, dated _____, 2018, in the total authorized aggregate principal amount of \$4,000,000 (the "**Bonds**").

The Bonds bear interest, mature and may be transferred and exchanged as set out in the Bonds and in the resolution adopted by the Mayor and City Council of the City on April 3, 2018 authorizing their issuance (the "**Bond Resolution**"). The Bonds are subject to redemption prior to maturity to the extent provided in the Bond Resolution. Capitalized terms contained and not defined herein shall have the same meaning as set forth in the Bond Resolution.

We have acted as Bond Counsel for the sole purpose of rendering an opinion with respect to the legality and validity of the Bonds under the laws of the State of Mississippi (the "**State**"), and with respect to the exemption of interest on the Bonds from federal and State income taxation. Regarding questions of fact material to our opinions, we have not investigated or verified original proceedings, records, data, or other material, but have relied solely upon the certified transcript of proceedings described in the following paragraph and on the authenticity, truthfulness, and completeness set forth in such documents, instruments, and certificates. We have not assumed any responsibility with respect to the financial condition or capabilities of the City or the disclosure thereof in connection with the sale of the Bonds.

In our capacity as Bond Counsel, we have participated in the preparation of and have examined a certified transcript of proceedings pertaining to the Bonds which contains copies of certain proceedings of the City, customary certificates of officers, agents and representatives of the City and other public officials and other matters relating to the authorization and issuance of the Bonds including a certification of the City prepared pursuant to Section 1.148-2(b)(2)(i) of the United States Treasury Regulations (the "**Non-Arbitrage Certificate**"). We have also examined Bond No. 1 of this issue.

Based on such examination, and subject to the following qualifications, it is our opinion, on the date hereof, that:

1. The transcript of proceedings evidences complete legal authority for the issuance of the Bonds in full compliance with the laws of the State presently in effect, and that the Bonds constitute valid and legally binding limited obligations of the City, payable from and secured by the Net Revenues of the combined water and sewer system of the City (the “**System**”) derived from the operation of the System, subject to the parity lien of the City’s \$9,185,000 Combined Utility System Revenue Refunding Bonds, Series 2012, dated May 31, 2012 and the City’s \$3,500,000 Promissory Note (Gautier, Mississippi Combined Utility System Revenue Project), dated August 13, 2013, securing the \$3,500,000 Mississippi Development Bank Special Obligation Bonds, Series 2013 (Gautier, Mississippi Combined Utility System Revenue Project), dated August 13, 2013.

2. Under existing law, regulations, and court decisions, as presently interpreted and construed, interest on the Bonds is exempt from all present income taxes imposed by the State.

3. Under existing law, regulations, and court decisions, as presently interpreted and construed, interest on the Bonds is excludable from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and interest on the Bonds is not treated as a specific item of tax preference under Section 57 of the Code in calculating the alternative minimum tax imposed by Section 55 of the Code. Such interest, however, is taken into account in determining “adjusted current earnings” of certain corporations for purposes of computing the alternative minimum tax.

The Mayor and City Council of the City, acting for and on behalf of the City, have covenanted in the Bond Resolution that the City will not make any use of the gross proceeds of the Bonds or amounts that may be treated as proceeds of the Bonds or do or take or omit to take any other action that would cause: (i) the Bonds to be “arbitrage bonds” as such term is defined in Section 148(a) of the Code and the Regulations promulgated thereunder; (ii) the interest on the Bonds to be includable in the gross income of the registered owners for federal income taxation purposes; or (iii) the interest on the Bonds to be treated as an item of tax preference under Section 57(a)(5) of the Code. Failure of the City to comply with such covenants could result in the interest on the Bonds being subject to federal income tax from the date of issue.

In rendering the foregoing opinion, Bond Counsel has assumed the continuing compliance by the City with the tax covenants and representations in the Bond Resolution and the representations in the Non-Arbitrage Certificate. These requirements relate to, *inter alia*, the use and investment of the gross proceeds of the Bonds, the use of any facility, equipment or improvement financed or refinanced directly or indirectly with the proceeds of the Bonds and rebate to the United States Treasury of specified arbitrage earnings, if any. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Bonds have resulted in a failure of the City to comply with its covenants. Failure of the City to comply with such covenants could result in the interest on the Bonds becoming subject to federal income tax from the date of issue.

Section 265(b)(1) of the Code provides that certain financial institutions may not deduct the portion of their otherwise allowable interest expense allocable to tax exempt obligations acquired after August 7, 1986 other than “qualified tax-exempt obligations” as defined in Section 265(b)(3)(B) of the

Code. In the Bond Resolution, the City has designated the Bonds as “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B) of the Code.

Owners of the Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes of any other collateral federal income tax consequences.

It is understood that the rights of the owners of the Bonds and the enforceability of the Bonds and the Bond Resolution may be subject to bankruptcy, insolvency, reorganization, moratorium, and other similar law affecting creditors’ rights heretofore or hereafter enacted to the extent constitutionally applicable, and that the enforcement thereof may be subject to the exercise of judicial discretion in appropriate cases.

In this opinion letter issued in our capacity as Bond Counsel, we are opining only upon those matters set forth herein, and we are not passing upon the accuracy, adequacy or completeness of the Official Statement or any other statements made in connection with any offer or sale of the Bonds or upon any federal or state tax consequences arising from the receipt or accrual of interest on or the ownership or disposition of the Bonds, except those specifically addressed herein.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certificates, resolutions, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We also have assumed the genuineness of the signatures appearing upon such public records, certifications, resolutions, documents and proceedings. In rendering this opinion we have relied upon the opinion of Robert David Ringer, Esquire, acting as counsel for the City, dated the date hereof, as to the due authorization and execution by and enforceability against the City as to the Bonds and the Bond Resolution.

This opinion letter is issued as of the date hereof and we assume no obligation to revise or supplement this opinion letter to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Very truly yours,

BUTLER SNOW LLP

PURPOSE: The Bonds are being issued to provide funds for the purpose of improving, repairing and extending the System of the City and paying the costs of issuance of the Bonds.

FORM OF BIDS: Bids should be addressed to the Mayor and City Council and should be plainly marked “Bid for Combined Utility System Revenue Bonds, Series 2018, of the City of Gautier, Mississippi,” and should be filed with the Clerk of the City on or prior to the date and hour hereinabove named. INTEREST RATE AND BID RESTRICTIONS: The Bonds shall not bear a greater overall maximum interest rate to maturity than thirteen percent (13%) per annum, nor shall the interest rate for any one maturity exceed thirteen percent (13%) per annum. No Bond shall bear more than one (1) rate of interest; each Bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all Bonds of the same maturity shall bear the same rate of interest from date to maturity; and the lowest interest rate specified shall not be less than seventy percent (70%) of the highest interest rate specified. Each interest rate specified in any bid must be a multiple of one-eighth of one percent (1/8 of 1%) or one-tenth of one percent (1/10 of 1%) and a zero rate of interest cannot be named.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a cashier’s check, certified check, or exchange, issued or certified by a bank located in the State of Mississippi, payable to the City of Gautier, Mississippi, in the amount of Eighty Thousand Dollars (\$80,000) as a guaranty that the bidder will carry

out its contract and purchase the Bonds if its bid be accepted. All checks of unsuccessful bidders will be returned immediately on award of the Bonds. If the successful bidder fails to purchase the Bonds pursuant to its bid and contract, then the amount of such good faith check shall be retained by the City as liquidated damages for such failure. No interest will be allowed on the amount of the good faith deposit.

AWARD OF BONDS: The award, if any, will be made to the bidder complying with the terms of sale and offering to purchase the Bonds at the lowest net interest cost to the City, which shall be determined by computing the aggregate interest on the Bonds over the life of the issue at the rate or rates of interest specified by the bidder, less premium offered, if any. It is requested that each bid be accompanied by a statement of the net interest cost (computed to six decimal places), but such statement will not be considered a part of the bid. All bids shall remain firm for three (3) hours after the time specified for the opening of bids, and an award of the Bonds, or rejection of bids, will be made by the Governing Body within said period of time.

RIGHT OF REJECTION, CANCELLATION: The Governing Body reserves the right to reject any or all bids submitted, as well as to waive any irregularity or informality in any bid. The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the Governing Body shall return to said bidder its good faith deposit. The Governing Body shall have the right, at its option, to cancel its agreement to sell the Bonds if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the Governing Body shall retain the successful bidder's good faith deposit as liquidated damages as hereinabove provided.

PAYING AGENT, TRANSFER AGENT, AND REGISTRAR: The successful bidder may designate a bank or trust company with a main office or branch located in the State of Mississippi to serve as paying agent (the "**Paying Agent**") for the Bonds within forty-eight (48) hours of the date of sale of the Bonds, subject to the approval of the Governing Body. The Governing Body's approval of the Paying Agent shall be contingent on a determination as to the willingness and ability of the Paying Agent to perform the duties of registrar and transfer agent and on the satisfactory negotiation of service fees. The Paying Agent shall be subject to change by order of the Governing Body under the conditions and in the manner provided in the Bond Resolution under which the Bonds are issued. Both principal of and interest on the Bonds will be payable by check or draft mailed to registered owners of the Bonds as of the 15th day of the month preceding the maturity date for such principal or interest payment at the addresses appearing in the registration records of the City maintained by the Paying Agent. The Bonds will be transferable only upon the records of the Paying Agent, and the payment of principal at maturity shall be conditioned on the proper presentation and surrender of the Bonds to the Paying Agent.

DELIVERY: The successful bidder must designate within fifteen (15) days of the date of sale, or at such other later date as may be designated by the Governing Body, the names and addresses of

the Registered Owners of the Bonds and the denominations in which the Bonds of each maturity are to be issued. If the successful bidder fails to submit such information within the required time, one Bond may be issued for each maturity in the full amount maturing on that date registered in the name of the successful bidder. The Bonds will be delivered at a place to be designated by the purchaser and without cost to the purchaser, and payment therefor shall be made in immediately available funds.

CUSIP NUMBER: It is anticipated that CUSIP identification numbers will be printed on the Bonds unless specifically declined by the purchaser, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the City; the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

SECTION 265(b)(3) DESIGNATION: The City will designate the Bonds as qualified tax-exempt obligations within the meaning and for the purposes of Section 265(b)(3) of the Code.

LEGAL OPINION; CLOSING DOCUMENTS: The Bonds are offered subject to the unqualified approval of the legality thereof by Butler Snow LLP, Ridgeland, Mississippi, Bond Counsel. In the opinion of Butler Snow LLP, interest on the Bonds is exempt from federal and Mississippi income taxes under existing laws, regulations, rulings, and judicial decisions with such exceptions as shall be required by the Internal Revenue Code of 1986. The City will pay for all legal fees and will pay for the printing and validation of the Bonds.

A copy of the City's Preliminary Official Statement may be obtained by contacting the office of the Clerk, City Hall, 3330 Hwy 90, Gautier, Mississippi 39553. The Preliminary Official Statement has been "deemed final" by the City for purpose of SEC Rule 15c2-12(b)(1) but is subject to revision, amendment, and completion in a final Official Statement.

CONTINUING DISCLOSURE: The City has covenanted in its Bond Resolution that under Rule 15c2-12, as amended, of the Securities and Exchange Commission (the "**Rule**"), the City will deliver or cause to be delivered (i) annually, within twelve months after the end of each fiscal year of the City ending on or after September 30, 2018, to the Municipal Securities Rulemaking Board updated quantitative financial information and operating data with respect to the City as set forth in the Continuing Disclosure Certificate, the form of which is included in the Official Statement, and (ii) notice of certain events, if any, relating to the Bonds and the City, as set forth in Rule, and as set forth in the Continuing Disclosure Certificate. Anyone requesting information under the continuing disclosure requirements of the Rule should contact the City Clerk, City Hall City Hall, 3330 Hwy 90, Gautier, Mississippi 39553 Telephone Number: (228) 497-8000.

CUSIPs: It is anticipated that CUSIP identification numbers will be secured and printed on the Bonds, but neither the failure to secure or print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with its agreement to purchase the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the City; provided, however, that the CUSIP Global Services charge for the assignment of said numbers shall be paid for by the successful bidder.

ISSUE PRICE: The successful bidder shall assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at the closing for the Bonds an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Bonds, together with the supporting pricing wires or equivalent communications, in a form reasonably required by the City and Bond Counsel.

The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “**competitive sale**” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “**competitive sale requirements**”) because:

- (a) the City shall disseminate this Notice of Bond Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (b) all bidders shall have an equal opportunity to bid;
- (c) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (d) the City anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Bond Sale.

Any bid submitted pursuant to this Notice of Bond Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

In the event that the competitive sale requirements are not satisfied, the City shall so advise the winning bidder. The City shall treat the first price at which 10% of a maturity of the Bonds (the “**10% test**”) is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the City if any maturity of the Bonds satisfies the 10% test as of the date and time of the award of the Bonds. The City will not require bidders to comply with the “hold-the-offering-price rule” and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the Bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the Bonds will be subject to the 10% test in order to establish the issue price of the Bonds.

If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Bonds, the winning bidder agrees to promptly report to the City the prices at which the unsold Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the closing of the Bonds has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold.

By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Bond Sale. Further, for purposes of this Notice of Bond Sale:

(a) **“public”** means any person other than an underwriter or a related party,

(b) **“underwriter”** means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),

(c) a purchaser of any of the Bonds is a **“related party”** to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the

other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(d) **“sale date”** means the date that the Bonds are awarded by the City to the winning bidder.

The successful bidder will be given at least seven (7) business days advanced notice of the proposed date of delivery of the Bonds when that date has been tentatively determined. It is expected that the Bonds will be delivered in New York, New York and payment therefor shall be made in federal or other immediately available funds.

The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds to be delivered by the City in accordance with the preceding paragraph are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the City shall return to said bidder its good faith deposit without interest. The City shall have the right, at its option, to cancel its agreement to sell the Bonds if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the City shall retain the successful bidder’s good faith deposit as liquidated damages.

FURTHER INFORMATION: Further information with respect to the Bonds may be obtained from Butler Snow LLP, Bond Counsel.

MAYOR

ATTEST:

CITY CLERK

Passed and Adopted by Mayor and Members of the Council of the City of Gautier, Mississippi, at the meeting of April 3, 2018.

**CITY OF GAUTIER
MEMORANDUM**

To: Gautier City Council
From: Paula Yancey, City Manager
Date: March 26, 2018
Subject: Paving List for County Paving Funds

REQUEST:

The City Manager is requesting the City Council to approve and submit the attached prioritized paving list to Jackson County Board of Supervisors for various resurfacing throughout the City. The top list is from existing paving money; while the second is from the County bond money.

BACKGROUND:

The County uses their sub-contractor to perform the work.

DISCUSSION:

The attached list is prioritized based on Council's submittals of roads within each ward and assessment of those roads by Cody Dickerson and myself using the council wish list as a guide. The approximate number of residents on each street was considered. Special attention was given to whether resurfacing would affect drainage or if drainage improvements were required prior to resurfacing. If it was determined that drainage would be impacted, the county paving contractor will need to pay special attention to the manner in which the new surface ties back into the existing drainage. Other drainage improvements will be scheduled and completed in house prior to paving, if necessary. All the roads we received from Council are contained on one of the two lists except some of Ward 2 (had a very large number of roads). Robinson will need to be on 2019 paving list as water and sewer improvements are needed.

RECOMMENDATION:

1. The City Manager recommends the City Council approve the attached prioritized paving list; or
2. not approve the prioritized paving list.

From: April Havens, Grants and Projects Director
Date: April 2, 2018
Subject: City Park Boat Launch Improvements Project — Change Order #3, Final Pay Application, and Close Out Documentation

REQUEST:

The Grants and Projects Administrator requests City Council authorization for Change Order #3 for the City Park Boat Launch Improvements Project, approval of the final pay application in the amount of \$28,955.69, and execution of close-out documentation.

BACKGROUND:

The Dingell-Johnson Sport Fish Restoration Program, authorized under the U.S. Fish and Wildlife Service, supports activities designed to restore, conserve, manage, or enhance sport fish populations; the public use and benefits from these resources; and activities that provide boat access to public waters. The Mississippi Department of Marine Resources applied to the U.S. Fish and Wildlife Service on behalf of the City of Gautier for this sport fish grant. The City was awarded \$190,310 in federal funds, which requires a 25 percent match of \$65,300. Tidelands agreed to cover the local match.

This project includes removing and replacing the two existing deteriorated boat launches, removing and replacing the existing deteriorated boat dock decking, removing and replacing the deteriorated wooden bulkhead, adding an accessible kayak and canoe launch, and installing an accessible route to the dock area.

DISCUSSION:

This project is now complete. This change order reflects deducts totaling \$117.17 for unused materials and demolition. The original contract amount of \$271,170.13 will be reduced to \$271,052.96.

RECOMMENDATION:

The Grants & Projects Administrator requests authorization for Change Order #3 for the City Park Boat Launch Improvements Project, approval of the final pay application in the amount of \$28,955.69, and execution of close-out documentation as presented.

City Council may:

1. Authorize Change Order #3, approve the final pay application in the amount of \$28,955.69, and authorize execution of close-out documentation; or
2. Not Authorize Change Order #3, approve the final pay application in the amount of \$28,955.69, and authorize execution of close-out documentation as presented.

MEMORANDUM**

To: Paula Yancey, City Manager
From: Jason Pugh, Human Resources Director
Date: 03/21/2018
Subject: Annual Renewal of Contract with Singing River Services for the Life Care Plus Program

REQUEST:

The Human Resources Department requests City Council approval to renew the Life Care Plus contract between Singing River Services and the City of Gautier for the contract period of April 15, 2018 thru April 15, 2019.

BACKGROUND:

The Life Care Plus Program is part of the city's Employee Assistance Program and has been a wellness benefit for employees since it was first approved in 2004. The City of Gautier has adopted a policy to provide these services to our employees as part of our benefit package and renews this contract annually.

DISCUSSION:

The Life Care Plus Program essentially provides our employees with short term counseling for a variety of life issues that effect work performance. The program is also designed to assist city management in handling and resolving employee performance and disciplinary problems

RECOMMENDATION:

The contract renewal cost is \$3,000 and is a budgeted expense for FY 2018. It is recommended that the Gautier City Council approve the contract renewal as budgeted.

NOW THEREFORE, in consideration of the mutual covenants contained herein and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

I. PROVIDER'S OBLIGATION:

The PROVIDER will use its best efforts to provide the following services ("EAP Services") from April 15, 2018 to April 15, 2019 (the "Contract Period") for beneficiaries.

A. General Program Development Services:

1. Emergency Crisis Services: The Provider agrees to provide an "emergency help line" telephone consultation service operated twenty-four (24) hours per day and seven (7) days per week. Normal EAP counseling hours are 8:00 a.m. – 5:00 p.m., Monday through Friday.
2. Arranging for Services: The Provider agrees to provide EAP counselor for face-to-face confidential emergency consultation with the Beneficiary within twenty-four (24) hours over the weekdays or forty-eight (48) hours over the weekend, if requested by the Beneficiary; the Provider agrees that Beneficiaries can reach an EAP counselor by making a phone call to Singing River Services from 8:00 a.m. to 5:00 p.m. Monday through Friday for an appointment. Telephone referrals will be made in severe crisis to the emergency room and support groups, etc., so that the recovery process can commence.
3. Extent of Services and Exclusions: Each beneficiary may have access to all mental health services available through the contractor at no out-of-pocket expense and at no charge to the Subscriber's insurance program subject to the following limitations:
 - a. Services normally provided by the Provider are covered. Service needs that are not normally provided at any of the Singing River Services facilities are not covered (i.e., hospitalization).
 - b. A legal DUI assessment fee of \$100.00 will be charged to the Beneficiary arrested for DUI offense and who seeks counseling by referral to Singing River Services.
 - c. Receipt of funds pursuant to this agreement does not preclude the provider from charging other third parties covering beneficiaries for services. This includes Medicaid and insurance covering primarily other family members and special grant funds. In such

event, funds received pursuant to this agreement will be used to pay co-payments, if any.

- d. Room and board will be provided at The Stevens Center only. A Deductible of \$250.00 will be charged to the beneficiary participating in the Stevens Center Residential treatment. The balance is covered by this contract.
 - e. A deductible of \$100.00 will be charged to the beneficiary participating in the Phoenix Intensive Outpatient Alcohol and Drug Program. The balance will be covered by the contract.
 - f. Clinical visits are not to exceed six (6) visits per client.
4. Liaison Services: Provider agrees to provide an EAP coordinator to serve as a Liaison between the Subscriber and the Provider, to plan and help implement wellness and prevention programming, to encourage employee participation of the EAP, and to gain the recognition of problems which may later impede their work performance.

B. Problem Assessment, Case Management, and Referral Services:

1. The EAP coordinator (or a member of Provider's Staff) agrees to refer Subscriber's employees and/or their dependents to an appropriate competent professional treatment program with Singing River Services at no cost or, if necessary, to an outside resource at the expense of the beneficiary for services not covered by this agreement. Such referrals and general assessments shall include the beneficiaries' problem list, social summary, assessment of mental status, tentative diagnosis, and recommended treatment.
2. The Provider agrees to supply the Subscriber's supervisors with a Supervisory guide for making referrals to the EAP. The EAP counselor will assist the employee in formulating an assistance plan, will identify appropriate therapeutic resources, and will document employee progress therein.
3. The Provider agrees to arrange, as appropriate and as needed, ongoing consultation with Subscriber regarding special handling or re-integration of employees after treatment.
4. The Provider will suggest that any employee seeking counseling regarding

job or employer dissatisfaction to contact the Subscriber's Human Resources Director or designee. However, the EAP counselor will counsel with any employee regarding the employee's attitudes or feelings as relates to job satisfaction.

5. The Provider, at its discretion, may discontinue treatment services for beneficiaries who seek such referrals on a continuous basis for the same problems without utilizing recommended solutions or who violate program rules.

C. Reporting Services:

1. The Provider agrees to furnish to any Subscriber's supervisor, who so requests, a periodic participation report for beneficiaries who have sought EAP counseling or treatment upon referral from said supervisor; said beneficiary must give written consent for such reporting to be shared with the supervisor.
2. Quarterly reports regarding employee usage will be submitted to _____.

II. SUBSCRIBER'S OBLIGATIONS:

The Subscriber will cooperate fully with the Provider so as to allow the Provider to Discharge its obligations and provide the services described herein. Additionally, the Subscriber agrees:

A. Commitments:

1. To issue a policy directive announcing the availability of EAP services to its employees and shall allow on-the-job time for training sessions for supervisors as well as orientation programs for non-supervisory employees which sessions will be made available by the Provider. The Subscriber will assist in disseminating promotional and educational materials designed to encourage utilization.
2. To pay the Provider \$3000.00 per year, in consideration of the Life Care Plus services performed by the Provider for the duration of the contract period. The agreement shall be extended automatically under the same terms unless either party shall notify the other party in writing at least thirty (30) days prior to the end of the initial term or any renewal terms that alterations or termination is desired. Fee rates remain the same until the anniversary date and may be renegotiated before continuance of EAP and counseling services and initiation of a new contract.

3. To submit to the Provider on fifth (5th) day of the first month an initial list of employees qualifying for EAP services and updating said list monthly. Payment will be made at the execution of the contract.

B. Miscellaneous:

1. Licensure: The Provider represents and warrants that it is duly licensed and certified to provide covered services in Mississippi, where covered services to beneficiaries are rendered and shall maintain such standing while an agreement is in effect.
2. Professional Liability Insurance Coverage: The Provider, at its sole cost and expense, shall provide and maintain such policies of general liability and professional liability insurance, other insurance as shall be necessary to insure the Provider and its personnel and agents against any claims for damages arising by reason of personal injuries or death occasions, directly or indirectly in connection with the performance of any service provided hereunder.
3. Confidentiality of Records: Both the Subscriber and Provider agree that mental health and substance abuse records of beneficiaries shall be treated as confidential so as to comply with all federal and state laws and regulations regarding the confidentiality of patient records. Provider reserves the right to use the information without disclosing the identity of the beneficiaries for reporting purposes.
4. Termination for Cause: The Agreement may be terminated for cause under the following conditions:
 - a. Upon default by the Subscriber in payment of compensation in accordance with the Agreement. The Provider may terminate the Agreement thirty (30) days after the Provider has given written notice to the Subscriber of such default.
 - b. Upon material breach of the Agreement by either party, the non-breaching party may terminate the Agreement after thirty (30) days written notice to the breaching party, specifying the facts and circumstances of the breach.
 - c. If any legal action or other proceeding is brought for the enforcement of the Agreement, or because of an alleged dispute, breach, default, or misrepresentation in connection with any provisions of the Agreement, recovery shall be limited to any and all damages available under Mississippi law to the extent proven in a Court of law.

5. Hold Harmless: The Provider shall hold harmless and indemnify the Subscriber from any claims, losses, damages, judgements, liabilities, costs expenses or obligations, including but not limited to attorney fees and expenses arising out of or resulting from the Provider's gross negligence or willful misconduct in its provisions of mental health and substance abuse services to beneficiaries.
6. Nothing in this agreement shall limit the responsibility of either party to fully comply with medical confidentiality requirements under any applicable state or federal law, including but not limited to HIPAA.

IN WITNESS WHEREOF, the parties have entered in to this agreement on the _____ day of _____, 2018.

TERMS AND CONDITIONS

The following terms and conditions regarding the provision of service are derived from the complete agreements which govern your relationship with Cable One and are provided solely for your convenience. The terms of the agreements for Internet service and Phone service are not identical and differ in significant ways. An understanding of the rights and obligations of the parties can only be achieved through a full review of the agreements that apply to the Service(s) for which you are contracting. The following is designed to give you a brief and necessarily incomplete overview of some of the terms which in Cable One's judgment are critical elements of which each customer should be fully aware. Except where it is clear that one agreement or the other is being exclusively addressed, the following terms are those in common with both agreements.

Rights and Obligations. The parties' rights and obligations will be defined by the agreements. Representations of terms and conditions by any other source including employees and agents of Cable One shall not be binding on Cable One. In the event that Customer uses a purchase order form to order Service(s), Customer acknowledges that to the extent that the terms of the purchase order are inconsistent with the terms and conditions of the agreements, the terms of the agreements will prevail.

Availability. The Service(s) may not be available in all locations due to engineering issues and regulatory and technical restrictions. In the event Cable One determines that Service is not available to Customer's location, this Agreement shall be void, and Customer shall be entitled to a refund of all prepaid charges in accordance with Cable One's refund policies. In addition, taxing and regulatory authorities may require differences in the way the Service(s) are offered in different locations.

Compliance with Law. Customer's use of the Service(s) shall comply with the terms of the agreements, Cable One's Acceptable Use Policy where relevant, and all applicable laws and regulations. Customer agrees not to resell or redistribute in any way the Service(s), or any portion thereof, or make any use of the Service(s) other than for Customer's legitimate business purposes, unless otherwise agreed in writing by Cable One.

In addition to the general requirement that use of the Internet service be in compliance with law and Cable One's policies, for additional guidance, the commercial Internet agreement provides a list of specific actions which are prohibited.

Cable One will monitor usage amounts, including unbilled usage, to detect fraudulent activity. If usage rises significantly above Cable One's tolerance limits for Customer's type of business, Cable One will investigate and among other things may require Customer to prepay or sign up for direct pay.

Charges. Customer agrees to pay Cable One for its subscription to and use of the Service(s) and for any

applicable charges for installation, disconnection and reconnection, and all local, state and federal fees, taxes, administrative fees, surcharges and/or assessments imposed on the Service(s) either by government or Cable One. Any payment not made when due may be subject to a late charge, which charge and method of imposition shall comply with applicable law.

Questions regarding a bill must be provided to Cable One within sixty (60) days of receipt of the billing statement in question. Failure to timely notify Cable One of a dispute shall constitute acceptance of the bill. Undisputed portions of the billing statement must be paid before the next billing statement is issued to avoid an administrative fee for late payment. All payments for services must be made directly by Customer to Cable One.

Installation and Maintenance of Equipment. Customer, at no cost to Cable One, shall secure throughout the term of service from building owners, managers, government authorities or any other parties any agreements necessary to allow Cable One to install, deliver, operate and maintain the Cable One-owned equipment and Service(s). Cable One-owned equipment provided to Customer hereunder shall be maintained by Cable One in good operating condition. Such maintenance obligation is contingent upon Customer notifying Cable One, **in a timely manner**, when repair or maintenance is necessary. Cable One will have no obligation to install, support, maintain, repair or replace any equipment that is not Cable One Equipment. Cable One shall retain ownership of all Cable One equipment provided hereunder. Customer shall not, directly or indirectly, sell, mortgage, pledge, or otherwise dispose or encumber any Cable One-owned equipment provided to Customer, nor shall it change the location of, tamper with, damage, mishandle or alter in any manner such equipment.

Emergency 9-1-1 Services. Customer expressly acknowledges that the Phone Service has a limited power source and that, under certain circumstances, including if the electrical power and/or Cable One's cable network or facilities are not operating, the Phone Service, including the ability to access emergency 9-1-1 services, will not be available. Customer expressly acknowledges that the address associated with Customer's Phone Service is the location where service will be provided and will be designated as the Registered Location for the Phone Service and for 9-1-1 locating purposes. Any transfer of Phone Service to a new location is prohibited without Cable One authorization and may result in the inability of the 9-1-1 service to locate Customer in an emergency.

Copyrighted Materials and the Digital Millennium Copyright Act. To the extent permissible under Mississippi law, Cable One bears no responsibility for, and Customer agrees to assume all risks regarding, the alteration, falsification, misrepresentation, reproduction, or distribution of copyrighted materials without the proper permission of the

copyright owner. If Cable One receives notice under the Digital Millennium Copyright Act, 17 U.S.C. § 512, that Customer has allegedly infringed the intellectual property rights of a third party, under the Act Cable One will have the right to take down or disable access to the allegedly infringing material. In appropriate circumstances, Cable One will terminate the accounts of a Customer who repeatedly infringes the intellectual property rights of third parties. Cable One also will take such other action as appropriate under the circumstances to preserve its rights. Similar action will be taken on Customer's behalf if Customer believes that another Cable One customer has violated its copyrights.

CHANNEL, SERVICE, PRICE, AND OTHER CHANGES

Subject to applicable law, Cable One has the right to change at any time our channels, programming, services, and equipment, with or without notice and with or without adjustments or refunds to prices or charges. Such changes may include, but are not limited to, rearranging, deleting, adding to, or otherwise changing programming, features, offerings, content, functionality, hours of availability, customer equipment requirements, speed, and upstream and downstream rate limitations. We may also change our policies, prices, and charges with or without notice. Any notice may be provided through your monthly bill, annual notice, newspaper ad, our website, or email or other communication. Continuing to receive services after the change constitutes acceptance of the change. NOTE: Cable One video services are not included in our term length discounts. As market conditions change, Cable One reserves the right to adjust package prices.

Music Performance Rights. Commercial cable TV subscribers should be aware that they may be subject to music performance license fees imposed by BMI, ASCAP and/or SESAC. Cable One is not responsible for a subscriber's liability for such fees and it is suggested that subscribers seek the advice of counsel.

Termination. Either party may terminate the agreement(s) if the other party fails to perform any of its obligations, does not cure such breach within thirty (30) days after written notice, or if the other party becomes insolvent or bankrupt.

Privacy. Personally identifiable information that may be collected, used or disclosed in accordance with applicable laws is described in the Privacy Notice located in the Legal Section of Cable One's website at www.cableone.net.

Based on its provision of Phone services, Cable One develops information about the quantity, technical configuration, type, destination, amount of Phone Services Customer uses, and other information found on Customer's bill, all of which are summarily identified as Customer Proprietary Network Information ("CPNI"). Under federal law, Customer has a right, and Cable One has a duty, to protect the confidentiality of CPNI. We will not use CPNI to market telecommunications services to you that are outside of the type of service to which you currently subscribe without your prior consent, and we do not share CPNI with affiliates or third parties for their use in marketing their services to you. If we plan to market telecommunications services outside of the type of services to which you already subscribe, we will notify you at that time and provide you with the opportunity to opt-out of the use of your CPNI for such campaign.

- (g) interfere with computer networking, cable or telecommunications services to or from any Internet user, host or network, including but not limited to denial of service attacks, overloading a service, improper seizure and abuse of operator privileges ("hacking") or attempting to "crash" a host; or
- (h) falsely assume the identity of any other individual or entity, including, without limitation an employee or agent of Cable One, for any purpose, including, without limitation, accessing or attempting to access any account for which Subscriber is not an authorized user.
- (i) resell or share any portion of this Data Service to a third party.

In addition to our termination rights set out elsewhere in this Agreement and otherwise available at law, Cable One may suspend service or terminate this Agreement if Subscriber engages in one or more of the above prohibited activities.

SECTION 5: CONTENT ACCESSED AND PURCHASES MADE THROUGH CABLE ONE

Subscriber acknowledges and agrees that there is some content accessible through the Data Service and the Internet that may be offensive, or that may not be in compliance with applicable law. For example, it is possible to obtain access to content that is pornographic, obscene, or otherwise inappropriate or offensive, particularly for children. Cable One does not assume any responsibility for or exercise any control over the content accessible through the Data Service.

Subscriber accesses and uses all content obtained through the Data Service at Subscriber's own risk. In addition, Cable One shall not be responsible for any of Subscriber's purchases or charges on the Internet.

SECTION 6: COPYRIGHTED MATERIALS

To the extent permissible under Mississippi law, Cable One bears no responsibility for, and Subscriber agrees to assume all risks regarding, the alteration, falsification, misrepresentation, reproduction, or distribution of copyrighted materials without the proper permission of the copyright owner. If Cable One receives notice under the Digital Millennium Copyright Act, 17 U.S.C. § 512, that Subscriber has allegedly infringed the intellectual property rights of a third party, under the Act Cable One will have the right to take down or disable access to the allegedly infringing material. In appropriate circumstances, Cable One will terminate the accounts of subscribers who repeatedly infringe the intellectual property rights of third parties. Cable One also will take such other action as appropriate under the circumstances to preserve its rights.

SECTION 7: SUBSCRIBER'S RESPONSIBILITY FOR SECURITY

Cable One uses resources that are shared with many other subscribers. Moreover, Cable One provides access to the Internet, a public network, which is used by millions of other users. Information (personal and otherwise) transmitted over such public network necessarily may be subject to interception, eavesdropping or misappropriation by unauthorized parties. Subscriber shall be solely responsible for taking the necessary precautions to protect itself and its equipment, files and data against any risks inherent in the use of this shared resource. While Cable One also permits Subscriber to change its SSID and password for its wireless service and also to engage in port forwarding, Subscriber acknowledges that such manipulation injects an additional possibility of outside party intrusion.

SECTION 8: RIGHT TO MONITOR AND DISCLOSE CONTENT

Cable One has no obligation to monitor content provided through the Data Service. However, Subscriber agrees that Cable One has the right to monitor content electronically from time to time and to disclose any information as necessary to: (a) conform to the edicts of the law or comply with legal process served on Cable One, (b) protect and defend the rights or property of Cable One, its Data Service or the users of the Data Service, whether or not required to do so by law, or (c) protect the personal safety of users of Cable One's Data Service or the public. We reserve the right to either refuse to post or to remove any information or materials, in whole or in part, that we decide are unacceptable, undesirable, or in violation of this Agreement.

SECTION 9: SUBSCRIBER PASSWORDS

Subscriber is responsible for all use of Subscriber's account(s) and for maintaining the confidentiality of passwords. Subscriber shall immediately notify Cable One about: (i) any loss or theft of Subscriber's password, or (ii) any unauthorized use of Subscriber's password or of the Service. If any unauthorized person obtains access to the Service as a result of any act or omission by Subscriber, Subscriber shall use best efforts to ascertain the source and manner of the unauthorized acquisition. Subscriber shall additionally cooperate and assist in any investigation relating to any such unauthorized access.

SECTION 10: SUBSCRIBER PRIVACY

Cable One is committed to protecting the privacy of Subscriber's personal information. Cable One's privacy policy regarding the collection, use and disclosure of personal information is posted on Cable One's website (www.cableone.net). Subscriber acknowledges that he or she has read and accepted the terms and conditions of such statement.

SECTION 11: ASSIGNMENT

Subscriber shall not assign its rights or delegate its duties under this Agreement without the prior written consent of Cable One, which consent shall not be unreasonably withheld. Any assignment of this Agreement by Subscriber without Cable One's written consent shall be void and shall, at the Cable One's option, constitute a breach hereof by Subscriber. In the event Subscriber is a business entity and ceases to do business at the Premises, Subscriber shall return to Cable One all Cable One-owned equipment installed at the Premises; such cessation shall not, however, reduce Subscriber's payment obligations hereunder unless Cable One otherwise agrees in writing. This Agreement shall be fully assignable by Cable One. Subject to the foregoing, this Agreement shall be binding upon and shall inure to benefit of the parties and their respective successors, representatives and assigns.

SECTION 12: TERMINATION BY CABLE ONE

If Subscriber fails to perform any of its obligations hereunder, does not cure such breach within thirty (30) days after written notice thereof from Cable One, or if Subscriber becomes insolvent or bankrupt, Cable One, in addition to all other rights it may have under law or its Agreement, shall have the right (i) to cease providing services to Subscriber, and (ii) immediately to enter the Premises and take possession of all Cable One-owned equipment without liability to Subscriber therefore and without relieving Subscriber of its obligations under this Agreement. Subscriber shall reimburse Cable One for all costs and expenses, including reasonable attorney's fees and court costs, incurred in connection with Cable One's exercise of its rights under this Agreement.

Cable One may, in its sole discretion, immediately terminate this Agreement in the event that it is unable to provide service due to any law, rule, regulation, Force Majeure event, or judgment of any court or government agency. In the event Cable One is declared to be a common carrier by a law, rule, regulation, or judgment of any court or government agency, Cable One may terminate this Agreement.

SECTION 13: TERMINATION BY SUBSCRIBER

If Cable One fails to perform any of its obligations hereunder, does not cure such breach within thirty (30) days after written notice thereof from Subscriber, or if Cable One becomes insolvent or bankrupt, Subscriber, in addition to all other rights it may have under law or its Agreement, shall have the right to terminate this Agreement without penalty and will only be responsible for any fees it incurs prior to cessation of service. If Subscriber exercises its termination right, Cable One shall remove all Cable One-owned equipment without cost or fee to Subscriber.

SECTION 14: DATA SERVICE AND EQUIPMENT ARE PROVIDED “AS IS”

- (a) CABLE ONE’S DATA SERVICE AND EQUIPMENT ARE PROVIDED “AS IS”, “AS AVAILABLE” WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND. CABLE ONE DOES NOT WARRANT THAT SUBSCRIBER’S USE OF THE DATA SERVICE WILL BE UNINTERRUPTED OR ERROR-FREE, BUG-FREE OR VIRUS-FREE. IN ADDITION, CABLE ONE DOES NOT WARRANT THAT ANY DATA OR FILES SENT BY OR TO SUBSCRIBER WILL BE TRANSMITTED IN A SECURE OR UNCORRUPTED FORM OR WITHIN A REASONABLE PERIOD OF TIME. IN THE EVENT THAT SUBSCRIBER’S BUSINESS REQUIRES CONTINUOUS AND UNINTERRUPTED SERVICE, SUBSCRIBER MAY WISH TO OBTAIN A SECONDARY SERVICE FROM AN ALTERNATE PROVIDER. ALL REPRESENTATIONS, WARRANTIES AND CONDITIONS OF ANY KIND, EXPRESS OR IMPLIED ARE, TO THE EXTENT PERMITTED BY APPLICABLE LAW, HEREBY EXCLUDED.

SECTION 15: PUBLIC RECORDS

Cable One acknowledges that the Subscriber is a public entity, and as such, is subject to state and federal laws regarding disclosure of public documents. Prior to disclosure, Subscriber will notify Cable One immediately regarding any record request seeking Cable One documents.

SECTION 18: MISCELLANEOUS:

- a. This Agreement is governed by the laws of the State of Mississippi. Subscriber and Cable One hereby consent to the exclusive jurisdiction and venue of courts in Jackson County, MS in all disputes arising out of or relating to this Agreement and/or use of the Data Service and/or Cable One-owned equipment.
- b. This Agreement constitutes the entire Agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, conversations, representations, promises of warranties (express or implied) whether verbal or written. No modification of this Agreement shall be valid unless made in writing and signed by both parties.
- c. The waiver of a breach of any provision of this Agreement shall not be construed as waiver of any subsequent breach of the same or a different provision of this Agreement.
- d. If any clause or provision of this Agreement is held to be illegal, invalid or unenforceable under present or future laws effective during the term hereof, then, and in the event, it is the intention of the parties hereto that the remainder of this Agreement shall not be affected thereby.

As indicated by the signature below, party agrees to and accept the terms of this Agreement as of the day and year stated above.

TERMS AND CONDITIONS

The following terms and conditions regarding the provision of service are derived from the complete agreements which govern your relationship with Cable One and are provided solely for your convenience. The terms of the agreements for Internet service and Phone service are not identical and differ in significant ways. An understanding of the rights and obligations of the parties can only be achieved through a full review of the agreements that apply to the Service(s) for which you are contracting. The following is designed to give you a brief and necessarily incomplete overview of some of the terms which in Cable One's judgment are critical elements of which each customer should be fully aware. Except where it is clear that one agreement or the other is being exclusively addressed, the following terms are those in common with both agreements.

Rights and Obligations. The parties' rights and obligations will be defined by the agreements. Representations of terms and conditions by any other source including employees and agents of Cable One shall not be binding on Cable One. In the event that Customer uses a purchase order form to order Service(s), Customer acknowledges that to the extent that the terms of the purchase order are inconsistent with the terms and conditions of the agreements, the terms of the agreements will prevail.

Availability. The Service(s) may not be available in all locations due to engineering issues and regulatory and technical restrictions. In the event Cable One determines that Service is not available to Customer's location, this Agreement shall be void, and Customer shall be entitled to a refund of all prepaid charges in accordance with Cable One's refund policies. In addition, taxing and regulatory authorities may require differences in the way the Service(s) are offered in different locations.

Compliance with Law. Customer's use of the Service(s) shall comply with the terms of the agreements, Cable One's Acceptable Use Policy where relevant, and all applicable laws and regulations. Customer agrees not to resell or redistribute in any way the Service(s), or any portion thereof, or make any use of the Service(s) other than for Customer's legitimate business purposes, unless otherwise agreed in writing by Cable One.

In addition to the general requirement that use of the Internet service be in compliance with law and Cable One's policies, for additional guidance, the commercial Internet agreement provides a list of specific actions which are prohibited.

Cable One will monitor usage amounts, including unbilled usage, to detect fraudulent activity. If usage rises significantly above Cable One's tolerance limits for Customer's type of business, Cable One will investigate and among other things may require Customer to prepay or sign up for direct pay.

Charges. Customer agrees to pay Cable One for its subscription to and use of the Service(s) and for any

applicable charges for installation, disconnection and reconnection, and all local, state and federal fees, taxes, administrative fees, surcharges and/or assessments imposed on the Service(s) either by government or Cable One. Any payment not made when due may be subject to a late charge, which charge and method of imposition shall comply with applicable law.

Questions regarding a bill must be provided to Cable One within sixty (60) days of receipt of the billing statement in question. Failure to timely notify Cable One of a dispute shall constitute acceptance of the bill. Undisputed portions of the billing statement must be paid before the next billing statement is issued to avoid an administrative fee for late payment. All payments for services must be made directly by Customer to Cable One.

Installation and Maintenance of Equipment. Customer, at no cost to Cable One, shall secure throughout the term of service from building owners, managers, government authorities or any other parties any agreements necessary to allow Cable One to install, deliver, operate and maintain the Cable One-owned equipment and Service(s). Cable One-owned equipment provided to Customer hereunder shall be maintained by Cable One in good operating condition. Such maintenance obligation is contingent upon Customer notifying Cable One, **in a timely manner**, when repair or maintenance is necessary. Cable One will have no obligation to install, support, maintain, repair or replace any equipment that is not Cable One Equipment. Cable One shall retain ownership of all Cable One equipment provided hereunder. Customer shall not, directly or indirectly, sell, mortgage, pledge, or otherwise dispose or encumber any Cable One-owned equipment provided to Customer, nor shall it change the location of, tamper with, damage, mishandle or alter in any manner such equipment.

Emergency 9-1-1 Services. Customer expressly acknowledges that the Phone Service has a limited power source and that, under certain circumstances, including if the electrical power and/or Cable One's cable network or facilities are not operating, the Phone Service, including the ability to access emergency 9-1-1 services, will not be available. Customer expressly acknowledges that the address associated with Customer's Phone Service is the location where service will be provided and will be designated as the Registered Location for the Phone Service and for 9-1-1 locating purposes. Any transfer of Phone Service to a new location is prohibited without Cable One authorization and may result in the inability of the 9-1-1 service to locate Customer in an emergency.

Copyrighted Materials and the Digital Millennium Copyright Act. To the extent permissible under Mississippi law, Cable One bears no responsibility for, and Customer agrees to assume all risks regarding, the alteration, falsification, misrepresentation, reproduction, or distribution of copyrighted materials without the proper permission of the

copyright owner. If Cable One receives notice under the Digital Millennium Copyright Act, 17 U.S.C. § 512, that Customer has allegedly infringed the intellectual property rights of a third party, under the Act Cable One will have the right to take down or disable access to the allegedly infringing material. In appropriate circumstances, Cable One will terminate the accounts of a Customer who repeatedly infringes the intellectual property rights of third parties. Cable One also will take such other action as appropriate under the circumstances to preserve its rights. Similar action will be taken on Customer's behalf if Customer believes that another Cable One customer has violated its copyrights.

CHANNEL, SERVICE, PRICE, AND OTHER CHANGES

Subject to applicable law, Cable One has the right to change at any time our channels, programming, services, and equipment, with or without notice and with or without adjustments or refunds to prices or charges. Such changes may include, but are not limited to, rearranging, deleting, adding to, or otherwise changing programming, features, offerings, content, functionality, hours of availability, customer equipment requirements, speed, and upstream and downstream rate limitations. We may also change our policies, prices, and charges with or without notice. Any notice may be provided through your monthly bill, annual notice, newspaper ad, our website, or email or other communication. Continuing to receive services after the change constitutes acceptance of the change. NOTE: Cable One video services are not included in our term length discounts. As market conditions change, Cable One reserves the right to adjust package prices.

Music Performance Rights. Commercial cable TV subscribers should be aware that they may be subject to music performance license fees imposed by BMI, ASCAP and/or SESAC. Cable One is not responsible for a subscriber's liability for such fees and it is suggested that subscribers seek the advice of counsel.

Termination. Either party may terminate the agreement(s) if the other party fails to perform any of its obligations, does not cure such breach within thirty (30) days after written notice, or if the other party becomes insolvent or bankrupt.

Privacy. Personally identifiable information that may be collected, used or disclosed in accordance with applicable laws is described in the Privacy Notice located in the Legal Section of Cable One's website at www.cableone.net.

Based on its provision of Phone services, Cable One develops information about the quantity, technical configuration, type, destination, amount of Phone Services Customer uses, and other information found on Customer's bill, all of which are summarily identified as Customer Proprietary Network Information ("CPNI"). Under federal law, Customer has a right, and Cable One has a duty, to protect the confidentiality of CPNI. We will not use CPNI to market telecommunications services to you that are outside of the type of service to which you currently subscribe without your prior consent, and we do not share CPNI with affiliates or third parties for their use in marketing their services to you. If we plan to market telecommunications services outside of the type of services to which you already subscribe, we will notify you at that time and provide you with the opportunity to opt-out of the use of your CPNI for such campaign.

Cable One will relocate the Cable One-owned equipment for Subscriber within Subscriber's Premises or, in accordance with Section 4, to another Premises; Subscriber acknowledges that it may incur additional charges for such relocation. Subscriber shall, upon the expiration or earlier termination of this Agreement, promptly return to Cable One all of such equipment in good condition (or pay the full replacement value therefore). If services are no longer provided to the Subscriber's Premises, Subscriber shall provide Cable One with reasonable access to such Premises for purpose of removing any Cable One-owned equipment. Cable One shall have no obligation to install, operate or maintain subscriber provided facilities or equipment.

SECTION 4: USE OF DATA SERVICE AND EQUIPMENT

- (e) alter, modify or tamper with the equipment or any feature of the Data Service, including, without limitation, attempt to disassemble, decompile, create derivative works of, reverse engineer, modify, sublicense, distribute or use the equipment for any purpose other than as expressly permitted;
- (f) restrict, inhibit or otherwise interfere with the ability of any other person to use or enjoy the Data Service or the Internet generally or create an unusually large burden on Cable One's network, including, without limitation: posting or transmitting any information or software that contains a virus, lock, key, bomb, worm, Trojan horse or other harmful or debilitating feature, distributing mass or unsolicited messages, chain letters, surveys, third party advertising or promotional materials, commercial solicitations (*i.e.*, spam) or mass chat room or bulletin board posts, or otherwise generating levels of traffic sufficient to impede others' ability to send or retrieve information;
- (g) interfere with computer networking, cable or telecommunications services to or from any Internet user, host or network, including but not limited to denial of service attacks, overloading a service, improper seizure and abuse of operator privileges ("hacking") or attempting to "crash" a host; or
- (h) falsely assume the identity of any other individual or entity, including, without limitation an employee or agent of Cable One, for any purpose, including, without limitation, accessing or attempting to access any account for which Subscriber is not an authorized user.
- (i) resell or share any portion of this Data Service to a third party.

In addition to our termination rights set out elsewhere in this Agreement and otherwise available at law, Cable One may suspend service or terminate this Agreement if Subscriber engages in one or more of the above prohibited activities.

SECTION 5: CONTENT ACCESSED AND PURCHASES MADE THROUGH CABLE ONE

Subscriber acknowledges and agrees that there is some content accessible through the Data Service and the Internet that may be offensive, or that may not be in compliance with applicable law. TERMS AND CONDITIONS

The following terms and conditions regarding the provision of service are derived from the complete agreements which govern your relationship with Cable One and are provided solely for your convenience. The terms of the agreements for Internet service and Phone service are not identical and differ in significant ways. An understanding of the rights and obligations of the parties can only be achieved through a full review of the agreements that apply to the Service(s) for which you are contracting. The following is designed to give you a brief and necessarily incomplete overview of some of the terms which in Cable One's judgment are critical elements of which each customer should be fully aware. Except where it is clear that one agreement or the other is being exclusively addressed, the following terms are those in common with both agreements.

Rights and Obligations. The parties' rights and obligations will be defined by the agreements. Representations of terms and conditions by any other source including employees and agents of Cable One shall not be binding on Cable One. In the event that Customer uses a purchase order form to order Service(s), Customer acknowledges that to the extent that the terms of the purchase order are inconsistent with the terms and conditions of the agreements, the terms of the agreements will prevail.

Availability. The Service(s) may not be available in all locations due to engineering issues and regulatory and technical restrictions. In the event Cable One determines that Service is not available to Customer's location, this Agreement shall be void, and Customer shall be entitled to a refund of all prepaid charges in accordance with Cable One's refund policies. In addition, taxing and regulatory authorities may require differences in the way the Service(s) are offered in different locations.

Compliance with Law. Customer's use of the Service(s) shall comply with the terms of the agreements, Cable One's Acceptable Use Policy where relevant, and all applicable laws and regulations. Customer agrees not to resell or redistribute in any way the Service(s), or any portion thereof, or make any use of the Service(s) other than for Customer's legitimate business purposes, unless otherwise agreed in writing by Cable One.

In addition to the general requirement that use of the Internet service be in compliance with law and Cable One's policies, for additional guidance, the commercial Internet agreement provides a list of specific actions which are prohibited.

Cable One will monitor usage amounts, including unbilled usage, to detect fraudulent activity. If usage rises significantly above Cable One's tolerance limits for Customer's type of business, Cable One will investigate and among other things may require Customer to prepay or sign up for direct pay.

Charges. Customer agrees to pay Cable One for its subscription to and use of the Service(s) and for any

applicable charges for installation, disconnection and reconnection, and all local, state and federal fees, taxes, administrative fees, surcharges and/or assessments imposed on the Service(s) either by government or Cable One. Any payment not made when due may be subject to a late charge, which charge and method of imposition shall comply with applicable law.

Questions regarding a bill must be provided to Cable One within sixty (60) days of receipt of the billing statement in question. Failure to timely notify Cable One of a dispute shall constitute acceptance of the bill. Undisputed portions of the billing statement must be paid before the next billing statement is issued to avoid an administrative fee for late payment. All payments for services must be made directly by Customer to Cable One.

Installation and Maintenance of Equipment. Customer, at no cost to Cable One, shall secure throughout the term of service from building owners, managers, government authorities or any other parties any agreements necessary to allow Cable One to install, deliver, operate and maintain the Cable One-owned equipment and Service(s). Cable One-owned equipment provided to Customer hereunder shall be maintained by Cable One in good operating condition. Such maintenance obligation is contingent upon Customer notifying Cable One, **in a timely manner**, when repair or maintenance is necessary. Cable One will have no obligation to install, support, maintain, repair or replace any equipment that is not Cable One Equipment. Cable One shall retain ownership of all Cable One equipment provided hereunder. Customer shall not, directly or indirectly, sell, mortgage, pledge, or otherwise dispose or encumber any Cable One-owned equipment provided to Customer, nor shall it change the location of, tamper with, damage, mishandle or alter in any manner such equipment.

Emergency 9-1-1 Services. Customer expressly acknowledges that the Phone Service has a limited power source and that, under certain circumstances, including if the electrical power and/or Cable One's cable network or facilities are not operating, the Phone Service, including the ability to access emergency 9-1-1 services, will not be available. Customer expressly acknowledges that the address associated with Customer's Phone Service is the location where service will be provided and will be designated as the Registered Location for the Phone Service and for 9-1-1 locating purposes. Any transfer of Phone Service to a new location is prohibited without Cable One authorization and may result in the inability of the 9-1-1 service to locate Customer in an emergency.

Copyrighted Materials and the Digital Millennium Copyright Act. To the extent permissible under Mississippi law, Cable One bears no responsibility for, and Customer agrees to assume all risks regarding, the alteration, falsification, misrepresentation, reproduction, or distribution of copyrighted materials without the proper permission of the

copyright owner. If Cable One receives notice under the Digital Millennium Copyright Act, 17 U.S.C. § 512, that Customer has allegedly infringed the intellectual property rights of a third party, under the Act Cable One will have the right to take down or disable access to the allegedly infringing material. In appropriate circumstances, Cable One will terminate the accounts of a Customer who repeatedly infringes the intellectual property rights of third parties. Cable One also will take such other action as appropriate under the circumstances to preserve its rights. Similar action will be taken on Customer's behalf if Customer believes that another Cable One customer has violated its copyrights.

CHANNEL, SERVICE, PRICE, AND OTHER CHANGES

Subject to applicable law, Cable One has the right to change at any time our channels, programming, services, and equipment, with or without notice and with or without adjustments or refunds to prices or charges. Such changes may include, but are not limited to, rearranging, deleting, adding to, or otherwise changing programming, features, offerings, content, functionality, hours of availability, customer equipment requirements, speed, and upstream and downstream rate limitations. We may also change our policies, prices, and charges with or without notice. Any notice may be provided through your monthly bill, annual notice, newspaper ad, our website, or email or other communication. Continuing to receive services after the change constitutes acceptance of the change. NOTE: Cable One video services are not included in our term length discounts. As market conditions change, Cable One reserves the right to adjust package prices.

Music Performance Rights. Commercial cable TV subscribers should be aware that they may be subject to music performance license fees imposed by BMI, ASCAP and/or SESAC. Cable One is not responsible for a subscriber's liability for such fees and it is suggested that subscribers seek the advice of counsel.

Termination. Either party may terminate the agreement(s) if the other party fails to perform any of its obligations, does not cure such breach within thirty (30) days after written notice, or if the other party becomes insolvent or bankrupt.

Privacy. Personally identifiable information that may be collected, used or disclosed in accordance with applicable laws is described in the Privacy Notice located in the Legal Section of Cable One's website at www.cableone.net.

Based on its provision of Phone services, Cable One develops information about the quantity, technical configuration, type, destination, amount of Phone Services Customer uses, and other information found on Customer's bill, all of which are summarily identified as Customer Proprietary Network Information ("CPNI"). Under federal law, Customer has a right, and Cable One has a duty, to protect the confidentiality of CPNI. We will not use CPNI to market telecommunications services to you that are outside of the type of service to which you currently subscribe without your prior consent, and we do not share CPNI with affiliates or third parties for their use in marketing their services to you. If we plan to market telecommunications services outside of the type of services to which you already subscribe, we will notify you at that time and provide you with the opportunity to opt-out of the use of your CPNI for such campaign.

Subscriber also shall not relocate Cable One-owned equipment within its Premises. In addition, if Subscriber decides to move Premises, Subscriber shall notify Cable One of its move. Cable One will relocate the Cable One-owned equipment for Subscriber within Subscriber's Premises or, in accordance with Section 4, to another Premises; Subscriber acknowledges that it may incur additional charges for such relocation. Subscriber shall, upon the expiration or earlier termination of this Agreement, promptly return to Cable One all of such equipment in good condition (or pay the full replacement value therefore). If services are no longer provided to the Subscriber's Premises, Subscriber shall provide Cable One with reasonable access to such Premises for purpose of removing any Cable One-owned equipment. Cable One shall have no obligation to install, operate or maintain subscriber provided facilities or equipment.

SECTION 4: USE OF DATA SERVICE AND EQUIPMENT

Subscriber's use of the Data Service and equipment is subject to adherence to all relevant laws and Cable One's acceptable use policy where applicable. Subscriber shall not use the Data Service or equipment to directly or indirectly:

- (a) invade another person's privacy, unlawfully use, possess, post, transmit or disseminate obscene, profane or pornographic material; post, transmit, distribute or disseminate content that is unlawful, threatening, abusive, libelous, slanderous, defamatory, materially false, inaccurate or misleading or otherwise offensive or objectionable; unlawfully promote or incite hatred; or post, transmit or disseminate objectionable information, including, without limitation, any information constituting or encouraging conduct that would constitute a criminal offense, give rise to civil liability, or otherwise violate any municipal, provincial, federal or international law, order, rule, regulation for policy or any network accessed using the Service;

- (b) access any computer, software, data, or any confidential, copyright protected or patent protected material of any other person or entity, without the knowledge and consent of such person or entity, nor use any tools designed to facilitate such access;
- (c) collect a listing or directory of Cable One subscribers, or if any such directory is made available, use, copy or provide to any person or entity (whether or not for a fee) such directory or any portion thereof;
- (d) upload, post, publish, deface, modify, transmit, reproduce, or distribute in any way, information, software or other material obtained through Cable One that is protected by copyright, or other proprietary right, or related derivative works, without obtaining permission of the copyright owner or right holder; or otherwise violate the rights of any person or entity, including the misuse, misappropriation or other violation of any intellectual property of any person or entity;
- (e) alter, modify or tamper with the equipment or any feature of the Data Service, including, without limitation, attempt to disassemble, decompile, create derivative works of, reverse engineer, modify, sublicense, distribute or use the equipment for any purpose other than as expressly permitted;
- (f) restrict, inhibit or otherwise interfere with the ability of any other person to use or enjoy the Data Service or the Internet generally or create an unusually large burden on Cable One's network, including, without limitation: posting or transmitting any information or software that contains a virus, lock, key, bomb, worm, Trojan horse or other harmful or debilitating feature, distributing mass or unsolicited messages, chain letters, surveys, third party advertising or promotional materials, commercial solicitations (*i.e.*, spam) or mass chat room or bulletin board posts, or otherwise generating levels of traffic sufficient to impede others' ability to send or retrieve information;
- (g) interfere with computer networking, cable or telecommunications services to or from any Internet user, host or network, including but not limited to denial of service attacks, overloading a service, improper seizure and abuse of operator privileges ("hacking") or attempting to "crash" a host; or
- (h) falsely assume the identity of any other individual or entity, including, without limitation an employee or agent of Cable One, for any purpose, including, without limitation, accessing or attempting to access any account for which Subscriber is not an authorized user.
- (i) resell or share any portion of this Data Service to a third party.

In addition to our termination rights set out elsewhere in this Agreement and otherwise available at law, Cable One may suspend service or terminate this Agreement if Subscriber engages in one or more of the above prohibited activities.

SECTION 5: CONTENT ACCESSED AND PURCHASES MADE THROUGH CABLE ONE

Subscriber acknowledges and agrees that there is some content accessible through the Data Service and the Internet that may be offensive, or that may not be in compliance with applicable law. For example, it is possible to obtain access to content that is pornographic, obscene, or otherwise inappropriate or offensive, particularly for children. Cable One does not assume any responsibility for or exercise any control over the content accessible through the Data Service.

Subscriber accesses and uses all content obtained through the Data Service at Subscriber's own risk. In addition, Cable One shall not be responsible for any of Subscriber's purchases or charges on the Internet.

SECTION 6: COPYRIGHTED MATERIALS

To the extent permissible under Mississippi law, Cable One bears no responsibility for, and Subscriber agrees to assume all risks regarding, the alteration, falsification, misrepresentation, reproduction, or distribution of copyrighted materials without the proper permission of the copyright owner. If Cable One receives notice under the Digital Millennium Copyright Act, 17 U.S.C. § 512, that Subscriber has allegedly infringed the intellectual property rights of a third party, under the Act Cable One will have the right to take down or disable access to the allegedly infringing material. In appropriate circumstances, Cable One will terminate the accounts of subscribers who repeatedly infringe the intellectual property rights of third parties. Cable One also will take such other action as appropriate under the circumstances to preserve its rights.

SECTION 7: SUBSCRIBER'S RESPONSIBILITY FOR SECURITY

Cable One uses resources that are shared with many other subscribers. Moreover, Cable One provides access to the Internet, a public network, which is used by millions of other users. Information (personal and otherwise) transmitted over such public network necessarily may be subject to interception, eavesdropping or misappropriation by unauthorized parties. Subscriber shall be solely responsible for taking the necessary precautions to protect itself and its equipment, files and data against any risks inherent in the use of this shared resource. While Cable One also permits Subscriber to change its SSID and password for its wireless service and also to engage in port forwarding, Subscriber acknowledges that such manipulation injects an additional possibility of outside party intrusion.

SECTION 8: RIGHT TO MONITOR AND DISCLOSE CONTENT

Cable One has no obligation to monitor content provided through the Data Service. However, Subscriber agrees that Cable One has the right to monitor content electronically from time to time and to disclose any information as necessary to: (a) conform to the edicts of the law or comply with legal process served on Cable One, (b) protect and defend the rights or property of Cable One, its Data Service or the users of the Data Service, whether or not required to do so by law, or (c) protect the personal safety of users of Cable One's Data Service or the public. We reserve the right to either refuse to post or to remove any information or materials, in whole or in part, that we decide are unacceptable, undesirable, or in violation of this Agreement.

SECTION 9: SUBSCRIBER PASSWORDS

Subscriber is responsible for all use of Subscriber's account(s) and for maintaining the confidentiality of passwords. Subscriber shall immediately notify Cable One about: (i) any loss or theft of Subscriber's password, or (ii) any unauthorized use of Subscriber's password or of the Service. If any unauthorized person obtains access to the Service as a result of any act or omission by Subscriber, Subscriber shall use best efforts to ascertain the source and manner of the unauthorized acquisition. Subscriber shall additionally cooperate and assist in any investigation relating to any such unauthorized access.

SECTION 10: SUBSCRIBER PRIVACY

Cable One is committed to protecting the privacy of Subscriber's personal information. Cable One's privacy policy regarding the collection, use and disclosure of personal information is posted on Cable One's website (www.cableone.net). Subscriber acknowledges that he or she has read and accepted the terms and conditions of such statement.

SECTION 11: ASSIGNMENT

Subscriber shall not assign its rights or delegate its duties under this Agreement without the prior written consent of Cable One, which consent shall not be unreasonably withheld. Any assignment of this Agreement by Subscriber without Cable One's written consent shall be void and shall, at the Cable One's option, constitute a breach hereof by Subscriber. In the event Subscriber is a business entity and ceases to do business at the Premises, Subscriber shall return to Cable One all Cable One-owned equipment installed at the Premises; such cessation shall not, however, reduce Subscriber's payment obligations hereunder unless Cable One otherwise agrees in writing. This Agreement shall be fully assignable by Cable One. Subject to the foregoing, this Agreement shall be binding upon and shall inure to benefit of the parties and their respective successors, representatives and assigns.

SECTION 12: TERMINATION BY CABLE ONE

If Subscriber fails to perform any of its obligations hereunder, does not cure such breach within thirty (30) days after written notice thereof from Cable One, or if Subscriber becomes insolvent or bankrupt, Cable One, in addition to all other rights it may have under law or its Agreement, shall have the right (i) to cease providing services to Subscriber, and (ii) immediately to enter the Premises and take possession of all Cable One-owned equipment without liability to Subscriber therefore and without relieving Subscriber of its obligations under this Agreement. Subscriber shall reimburse Cable One for all costs and expenses, including reasonable attorney's fees and court costs, incurred in connection with Cable One's exercise of its rights under this Agreement.

Cable One may, in its sole discretion, immediately terminate this Agreement in the event that it is unable to provide service due to any law, rule, regulation, Force Majeure event, or judgment of any court or government agency. In the event Cable One is declared to be a common carrier by a law, rule, regulation, or judgment of any court or government agency, Cable One may terminate this Agreement.

SECTION 13: TERMINATION BY SUBSCRIBER

If Cable One fails to perform any of its obligations hereunder, does not cure such breach within thirty (30) days after written notice thereof from Subscriber, or if Cable One becomes insolvent or bankrupt, Subscriber, in addition to all other rights it may have under law or its Agreement, shall have the right to terminate this Agreement without penalty and will only be responsible for any fees it incurs prior to cessation of service. If Subscriber exercises its termination right, Cable One shall remove all Cable One-owned equipment without cost or fee to Subscriber.

SECTION 14: DATA SERVICE AND EQUIPMENT ARE PROVIDED “AS IS”

- (a) CABLE ONE’S DATA SERVICE AND EQUIPMENT ARE PROVIDED “AS IS”, “AS AVAILABLE” WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND. CABLE ONE DOES NOT WARRANT THAT SUBSCRIBER’S USE OF THE DATA SERVICE WILL BE UNINTERRUPTED OR ERROR-FREE, BUG-FREE OR VIRUS-FREE. IN THE EVENT THAT SUBSCRIBER’S BUSINESS REQUIRES CONTINUOUS AND UNINTERRUPTED SERVICE, SUBSCRIBER MAY WISH TO OBTAIN A SECONDARY SERVICE FROM AN ALTERNATE PROVIDER. ALL REPRESENTATIONS, WARRANTIES AND CONDITIONS OF ANY KIND, EXPRESS OR IMPLIED ARE, TO THE EXTENT PERMITTED BY APPLICABLE LAW, HEREBY EXCLUDED.

SECTION 15: PUBLIC RECORDS

Cable One acknowledges that the Subscriber is a public entity, and as such, is subject to state and federal laws regarding disclosure of public documents. Prior to disclosure, Subscriber will notify Cable One immediately regarding any record request seeking Cable One documents.

SECTION 18: MISCELLANEOUS:

- b. This Agreement constitutes the entire Agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, conversations, representations, promises of warranties (express or implied) whether verbal or written. No modification of this Agreement shall be valid unless made in writing and signed by both parties.
- c. The waiver of a breach of any provision of this Agreement shall not be construed as waiver of any subsequent breach of the same or a different provision of this Agreement.
- d. If any clause or provision of this Agreement is held to be illegal, invalid or unenforceable under present or future laws effective during the term hereof, then, and in the event, it is the intention of the parties hereto that the remainder of this Agreement shall not be affected thereby.

From: April Havens, Grants Administrator
Date: April 9, 2018
Subject: Approval and authorization to pay an administrative adjustment in the amount of \$3,000 to Dirt, Inc. for the Martin Bluff Road Widening Project STP-9194-00(001) LPA/105069-801000

REQUEST:

The Grants & Projects Departments requests that City Council approve an administrative adjustment in the amount of \$3,000.00 for Dirt, Inc., as the last parcel to acquire for Martin Bluff Road Improvements. The property owner is willing to accept \$3,000.00 more than the Fair Market Value Offer to convey the property to the City.

BACKGROUND:

The administrative adjustment is less than 10% of the Fair Market Offer and less than \$50,000.00, which are the requirements for MDOT's prior approval for administrative adjustments. Therefore, prior approval from MDOT is not required for this administrative adjustment.

DISCUSSION:

The administrative adjustment of \$3,000.00, therefore, is a nominal amount that will allow the property owner to provide conveyance of the property needed for the proposed project. The cost to acquire this property through eminent domain proceedings would be significantly higher than the administrative adjustment.

RECOMMENDATION:

The Grants & Projects Department recommends that the City Council approve the administrative adjustment in the amount of \$3,000.00 to Dirt, Inc. to minimize the overall cost and amount of time required to acquire the last parcel for the Martin Bluff Road Widening Project STP-9194-00(001) LPA/105069-801000.

The City Council may:

- 1) Approve the administrative adjustment totaling \$3,000.00 for the Martin Bluff Road Improvements;
or
- 2) Not approve the administrative adjustment totaling \$3,000.00 for the Martin Bluff Road Improvements.

ADMINISTRATIVE ADJUSTMENT REQUEST

County: Jackson
Project: LPA/105069-801000
Parcel: 051-00-00-W
Owner: DIRT, INC.

This is a request to approve an administrative adjustment in the amount of \$3,000.00

Justification:

Dirt, Inc. is the last parcel to acquire for Martin Bluff Road Improvements. The property owner is willing to accept \$3,000.00 more than the Fair Market Value Offer to convey the property to the City, and has refused to convey otherwise. The administrative adjustment is less than 10% of the Fair Market Value Offer and less than \$50,000.00, which are the requirements for MDOT's prior approval for administrative adjustments. Therefore, prior approval from MDOT is not required for this administrative adjustment.

The administrative adjustment of \$3,000.00, therefore, is a nominal amount that will allow the property owner to provide conveyance of the property needed for the proposed project. The cost to acquire this property through eminent domain proceedings would be significantly higher than the administrative adjustment. It is, therefore, recommended that the City approve the administrative adjustment to minimize the overall cost and amount of time required to acquire the last parcel for the project.
